CHICAGO RAILWAYS CO.

Unified Operation of Surface Lines.—See "Chicago Surface Lines" for details of Unification Ordinance of 1914, under which the lines of this company are operated jointly with those of the Chicago City Ry. as a single system under the control of a joint board of operation. As to plan for unification of surface and elevated lines, see "Chicago Elevated Rys."

Ordinance Embodying Unified Operation of Surface and Elevated Lines.—See Chicago Elevated Rys. on a subsequent page.

ORGANIZATION.—Incorp. in Illinois in Oct. 1903 and on Jan. 25 1908 acquired at foreclosure sale the property of the old Chicago Union Traction, comprising the lines of the North and West Chicago Street RR. The purchase was made under a modified plan of reorganization and readjustment dated Oct. 15 1907 and outlined in V. 85, p. 1269; see also p. 1576.

In Dec. 1912 purchased 6 miles of the Suburban RR. inside the city limits (V. 95, p. 1402) and issued $22,554 bonds to cover cost.

Franchises.—On Feb. 5 1907 the City Council passed ordinances providing for a settlement of the relations between the city and the street railway companies. V. 84, p. 338, 390. The *franchises* granted by the ordinance expire Feb. 11 1927 and were approved at the popular election held April 2 1907. On Oct. 10 1910 supplemental ordinance was passed expiring Feb 1927, covering lines of Chicago Consol. Trac. properties. V. 91, p. 1025.

In the remarks concerning the Chicago City Ry. on a preceding page of this publication will be found a brief summary of the main terms, requirements and conditions of these ordinances. A very extended outline of the same was printed in the "Chronicle" of May 11 1907, pages 1123, 1124 and 1125, to which the reader is referred for detailed information.

The ordinance for the Chicago Rys. Co. provides that the valuation of the properties acquired shall be deemed and considered to be $29,000,000 (the value fixed by a board of expert engineers acting for the city) plus $1,779,875 for expenditures from the date of the valuation on June 30 1906 to Feb. 1 1907, making total valuation of properties as recognized by ordinance $30,779,875 as of Feb. 1 1907. With the expenditures already made, the valuation of road, equipment and franchises on April 1 1922 was computed at $92,547,251.

All expenditures for reconstruction and extensions are being made under the direct supervision of a board of supervising engineers headed by Mr. Bion J. Arnold, and the company is required, under conservative restrictions, to advance moneys for the construction of subways by the city. The expenditures for reconstruction and extensions, including any contributions for subways, after Feb. 1 1907 are to be added to the value of the properties recognized by the ordinance, together with 5% of such expenditures for brokerage. As compensation for its services in construction the company will receive an additional 15% of all expenditures for reconstruction and extensions, exclusive of amounts contributed for subways. The company agreed to lower and reconstruct the tunnels under the Chicago River at Washington, La Salle and Van Buren streets.

Right to Purchase by City.—Under the terms of the franchise, the company agreed to waive all rights under previous grants, and gave the city an option to purchase all of its property for municipal operation at any time prior to the expiration of the 20-year franchise granted the company by the ordinance. The price to be paid by the city to be $30,779,875 the valuation of the properties February 1 1907, as above mentioned plus all expenditures after that date for reconstruction, extensions and additions to the properties, including any amounts advanced to the city for the construction of subways in the downtown business district. In case the property shall not be purchased, as above stated, prior to 1927, the expiration of the franchise, the city covenants that it will not then grant a franchise to any other corporation for the operation of a competing system in the company's territory unless such other corporation shall purchase the property of the company at said price. The city also has the option of requiring the company to sell its property to any other licensee corporation of the city, or of purchasing the property itself for municipal ownership (with no requirement as to municipal operation), at any time during the life of the franchise; but in case of such purchase by the city or a licensee the price to be paid shall be 20% more than the price above mentioned, but the licensee shall not be required to pay the additional 20% if it shall agree to pay over to the city all profits in excess of 5% on the investment. In any event, (1) the purchase price must be paid in cash and the first mortgage bonds of the company will attach to such cash as a first lien in the event of such purchase; or (2) such purchase (if made within said 20 years), must be consummated expressly subject to the lien of the 1st mtge. bonds, but if made at the expiration of said 20 years, the amount thereof must also be paid in cash.

Compensation to City.—Provision is made for special compensation to the City of Chicago, but this compensation is payable only out of the surplus earnings of the company after paying or providing for all operating expenses, including the charges for maintenance and depreciation prescribed in the ordinance and 5% upon the valuation of the company's property at which it may be purchased by the city for municipal operation, as above stated. Of the surplus earnings so remaining, the City of Chicago receives 55% and the company 45%. (See V. 99, p. 1831 for dispute with city as to certain accounts).

Control by Trustees.—The trust indenture securing the participation certificates provides that until Aug. 1 1912 and to the full extent thereafter which may be permitted by law until all of the consolidated mortgage bonds of the company shall be fully paid and discharged, the directors of the company shall be elected by trustees, now consisting of Messrs. Harrison B. Riley, William C. Niblack, Abel Davis, Frank G. Gardner and Henry J. Tansley, and provision is made in the trust deed securing the 1st M. bonds for the appointment of a permanent finance committee, now composed of Messrs. Henry A. Blair, Seymour Morris and B. A. Eckhart, Chicago.

Acquisition of Chicago Consolidated Traction Properties.—On Dec. 27 1910 Judge Grosscup confirmed the sale of the Chic. Consol. Trac. Co. and its eight underlying companies on Nov. 30 1910 to Andrew Cooke and the sale by the latter of all properties *within* the city limits to the Chicago Railways Co. (V. 91, p. 945, 1253, 1511), pursuant to an ordinance passed Oct. 10 1910 (placing valuation at $4,021,982), like in tenor, amendatory and supplemental to ordinance of Feb. 11 1907 (V. 91, p. 1025, 1159) See reorganization plan, V. 90, p. 1613; V. 91, p. 37. The lines *outside* the city were acquired by the County Traction Co. (now the Chicago & West Towns Ry.), which has no connection with the Chicago Railways Co. On Nov. 1 1910 a deposit agreement was entered into by the holders of the securities of the Chicago Consolidated Traction and its subsidiaries, providing for the exchange of the said securities for Chicago Rys. Co. Purchase Money 4% to 5% bonds and Adjustment Income 4% bonds, both dated Jan. 1 1911 and maturing Feb. 1 1927. For description of bonds and terms of exchange, see V. 91, p. 1384, and compare V. 90, p. 1613; V. 91, p. 214.

Favorable Decision.—In Oct. 1912 the U. S. Circuit Court of Appeals affirmed the decision of Judge Kohlsaat, dismissing the suit brought to have the compromise franchise of 1907 annulled. V. 95, p. 1206.

Settlement of Yerkes Suit.—In April 1914 the company arranged a settlement of the suit brought by the Yerkes estate on the guaranty of the bonds of the Chic. Consol. Trac. Co. by the Union Trac. Co. V. 98, p. 1155.

CHICAGO ELEVATED RAILWAYS.—A voluntary association.

Unification of Surface and Elevated Lines and Construction of Subways, &c.

On Aug. 14 1918 the City Council passed a proposed ordinance for the unification of surface and elevated lines and for the construction of subways, which was submitted to a referendum vote of the people on Nov. 5 1918 and rejected by them. V. 107, p. 1836. For digest of this ordinance see V. 107, p. 1292. The roads included were the Chicago Railways Co., Chicago City Railway Co., Calumet & South Chicago Ry. Co., Southern Street Railway Co., Metropolitan West Side Elevated RR. Co., Northwestern Elevated RR. Co., South Side Elevated RR. Co. and the Union Consolidated Elevated Railway Co. The ordinance provided for a north and south subway system, an east and west subway system and vast improvements and extensions of surface and elevated lines; $70,943,020 was the city purchase price set for the elevated roads as of June 30 1916 with additions to or deductions from capital account to date of effective date of ordinance. After the referendum rejection of the ordinance the local Transportation Committee of the Chicago City Council took up the question of revising the ordinance and recommended a lease of the traction properties. V. 108, p. 1274.

On Apr. 19 1917 the Ill. Supreme Court upheld the right of the State Public Utilities Comm. to regulate street car service in Chicago regardless of the provisions of the contract ordinances of 1907, between the Chicago City Council and the surface lines.

At midnight Nov. 2 1913 began through-routing north and south elevated trains, using the Loop for that purpose, and established free transfer stations between said trains and trains of Metropolitan and Oak Park cos.

As the project for uniting under one control the elevated railway and surface roads of Chicago was not carried out by July 1 1914, the Commonwealth Edison Co. purchased from the syndicate which underwrote the pref. shares approximately 200,000 shares of Chic. El. com. stk. for about $6,000,000 in accordance with the terms of an agreement said to have been entered into in 1911.

Proposed Consolidation.—In Sept. 1922 the Ill. Commerce Comm. approved the proposed merger of the Northwestern Elevated RR., the Metropolitan West Side Ry. and the South Side Elevated Ry., the principal operating cos., and the purchase by the consolidated cos. of the Chicago & Oak Park Elevated RR. at judiciary sale, as per plan outlined in V. 114, p. 2358. Under the plan the consolidated co. would acquire the property of the Oak Park Co. subject to lien indebtedness aggregating $5,157,862, by issuing $2,600,000 of its capital stock for the purpose of retiring receiver's ctfs. and by paying or assuming the remaining liabilities of the receiver and any unpaid costs and expenses of the receivership, estimated, after deduction of current assets of the receiver applicable to the payment thereof, at not more than $400,000. In addition, the following outstanding securities are to be surrendered and canceled:

Entire outstanding stock Northwestern Co. (par $100)	$9,890,800
Entire outstanding stock Metropolitan Co. (par $100)	16,170,300
Entire outstanding stock South Side Co. (par $100)	10,231,400
Outstanding 5% note Northwestern Co., dated Aug. 3 1916	290,000
Outstanding 5% note Metropolitan Co., dated Aug. 3 1916	620,000
Indebtedness of Northwestern Co. for electrical energy	544,683
Indebtedness of Metropolitan Co. for electrical energy	1,055,959
Indebtedness of South Side Co. for electrical energy	426,173

In exchange for the above, the consolidated corp. is to issue the following new securities:

(1) Adjustment Inc. bonds, dated Jan. 1 1922, due Jan. 1 1952, int. not exceeding 6% p. a. only if earned	17,120,000
(2) 1st Lien & Ref. bonds, Series "A," dated Jan. 1 1922, due Jan. 1 1927, int. not exceeding 7% (but only on deposit with the trustee of the 1st Lien & Ref. Mtge. of an equal par amount of such obligations as may by the terms of such mortgage be deposited thereunder as a basis for the issuance of such bonds)	x1,600,000
(3) Capital stock (authorized $23,000,000)	19,172,500

x 1st Lien & Ref. Mtge. bonds may be issuable in series, with such rates of interest, &c., as provided by mortgage.

Digest of the proposed plan will be found in V. 114, p. 2358.

ORGANIZATION.—Organized in 1911 to acquire stocks, bonds and other securities of the Metropolitan West Side Elev. Ry., Northwestern Elev. RR. and the South Side Elev. RR. ($21,202,312 being offered for the $36,294,900 stock of these companies—see offers in V. 92, p. 1498. All the stocks have been turned in, a small remnant of Northwest L pref. being bought in August 1913; V. 97, p. 728); also, if it so elects, the stocks of the Union Consol. Elev. Ry., Chicago & Oak Park Elev. *Ry.*, Chicago & Oak Park Elev. *RR.* and Chicago & Elmhurst Ry., which companies are controlled by the afore-mentioned companies. These roads operate about 196.33 miles of track.

In July 1914 the National City Bank offered the $14,000,000 gold notes (V. 98, p. 1992), the proceeds of which, together with the sale of $7,000,000 10-yr. 6% debentures and $12,500,000 bonds of the Northwestern Elev. RR. were used to retire the $30,000,000 3-yr. notes which matured July 1 1914, and to provide working capital. See below under "Default, &c."

Decision.—On Apr. 24 1914 the Supreme Court affirmed the decision of Judge Scanlon of the Circuit Court (V. 97, p. 1425) and dismissed the suit of State Attorney Hoyne against the Met. West Side, South Side and Union elevated railroad cos., alleging that they violated their State charter by issuing watered stock.

Default, &c.—The July 1 1919 coupons on the $7,000,000 6% debentures were not paid when due. V. 109, p. 370. Anticipating the default (V. 109, p. 370) made on the $13,626,000 2-yr. 5% secured notes (originally matured in 1916 but were extended to July 1 1919 at 6%) due July 1 1919, the following protective committee was organized and has called for deposits. For statement issued by the committee see V. 108, p. 2527. V. 114, p. 2115. Up to May 1922 over 85% of the notes had been deposited.

Committee for Secured Gold Notes.—Charles E. Mitchell, Chairman; Pres. National City Co., N. Y.; George M. Reynolds, Pres. Continental & Commercial National Bank of Chicago; John H. Mason, Pres. Commercial Trust Co., Phila.; R. Floyd Clinch of Crerar, Clinch & Co., Chicago, with Stanley A. Russell as Sec., 55 Wall St., N. Y. City. Depositaries: National City Bank, N. Y., and Continental & Commercial Trust & Savings Bank, Chicago. V. 108, p. 2527.

Report by Stone & Webster on Physical Condition of System.—V. 109, p. 2355.

Valuation.—In its order making permanent the 10 cent fare the P. U. Comm. found the value of the properties as of June 30 1919 to be $86,350,000. For details see V. 112, p. 1398.

Fares.—In Sept. 1918 applied to the Ill. P. U. Comm. for auth. to increase fares from 5 cents to 7 cents. The Comm., however, auth. the co. to charge only 6 cents, effective from Nov. 22 1918 to Dec. 31 1919. V. 107, p. 2008. Effective Aug. 8 1919, however, the Comm. auth. the co to charge an 8 cent fare in Chicago to continue until Feb. 1 1920. V. 109, p. 577. Effective Feb. 1 1920 the Ill. P. U. Comm. issued an order changing fares to 8 cents cash, with tickets at 7½ cents in Chicago. Ticket fare between Evanston and Chicago was raised to 12 cents. Effective Aug. 4 1920 was auth. by the P. U. Comm. to increase cash fares from 8 cents to 10 cents, with tickets at 4 for 35 cents. V. 111, p. 588. For results under 10-cent fare see V. 111, p. 1751, 1948. In Nov. 1920 the Supreme Court refused to grant a writ of injunction to enforce a return to a 5 cent fare, applied for by the State's attorney, thus affirming the Ill. P. U. Comm's authority to fix the rate of fare. V. 111, p. 1851. In Jan. 1921 the Ill. P. U. Comm. issued an order making permanent the 10 cent fare. V. 112, p. 161. See also V. 115, p. 988, 1428.

Notes.—Pending the formation of a concrete plan for the unification of surface and elevated lines and appropriate municipal action in the matter, the holders of $13,626,000 of the $14,000,000 5% notes due July 1 1916 consented to extending same to July 1 1919 (see above under "*Default, &c.*") at 6% interest, with a cash payment of $15 in respect of each $1,000 of extended notes (to provide which the trustees borrowed $1,300,000, giving their note therefor). In addition, the value of the security for the notes was materially increased and an agreement made with the Commonwealth Edison Co. whereby all claims for power supplied to the railroad cos. after June 30 1916 and until maturity of the extended notes will be assigned to a trustee and will be paid only if and as other floating debt of sub. cos. Dismantlement.—In 1919 the tracks and overhead of the Suburban Traction Co. were dismantled and sold for junk.

It was reported early in 1922 that the co. had been auth. by the Ohio P. U. Comm. to abandon its two lines, one from Cincinnati to Lebanon, 33 miles, and the other from Cincinnati to New Richmond, 22 miles. V. 114, p. 1533. Compare V. 114, p. 79.

OHIO TRACTION CO.

ORGANIZATION.—Incorporated in Ohio on May 22 1905 and owns practically the entire capital stock of the Cincinnati Traction Co. and Cincinnati Car Co. On July 6 1905 lease of the Cin. & Hamilton Trac. Co. was assigned to this co. by the Cin. Interurban Co. and the latter company placed in liquidation. This company also acquired the property of the Traction Building Co., which went into liquidation.

Refinancing Plan.—In Jan. 1920 the Ohio P. U. Comm. approved a modified plan of refinancing already approved by the stockholders which provided for (1) an issue of $3,750,000 7% Ohio Trac. Co. notes ($2,250,000 issuable immediately), to be retired in 3 years through a sink. fund; (2) an issue of $2,250,000 Cinc. Trac. Co. 25-yr. 6% debentures. These debentures were used to reimburse the Ohio Trac. Co. for moneys advanced the Cincinnati Trac. Co. for improvements and to provide for the $250,000 reserve fund required by the franchise ordinance. $2,000,000 of these debentures are held by the trustee as security for the issue of 3-year notes.

The proceeds of the sale of the notes were used to pay the city the deficit of $597,000 in franchise tax due it; to provide for the taking up of an issue of $233,000 outstanding notes; to pay off $1,073,000 in bank loans and to pay for impts. already made. V. 110, p. 77, 562.

The above plan permitted the co. to continue to operate on a 7-cent fare. Under the terms of the Cincinnati traction ordinance fares would automatically have increased to 7½ cents on Jan. 1 1920 had not this plan been adopted. V. 110, p. 77. Compare V. 109, p. 2171, 2356. In March 1922 cash fares were 8 cents, but tickets were sold at 7½ cents. See under Cincinnati Tr. Co. below.

Co. and the Traction Bldg. in Cincinnati (subject to $1,710,000 bonds). The remaining 7 per cent. notes may be issued for impts. under certain restrictions. A retirement fund of $650,000 annually has been established to be deposited with trustee to purchase notes monthly, at the lowest price offered, or by lot at the call price. These notes will be retained by the trustee and kept alive as additional security for any outstanding notes and the accruing int. will be used to purchase additional notes from year to year. (1) The Cincinnati Traction Co.

ORGANIZATION.—Incorporated in Ohio on Feb. 19 1901 with an auth. capital stock of $2,000,000 (which, all except 11 shares, is owned by the Ohio Trac. Co.), to take over under lease the Cincinnati Street Ry. Co. See V. 72, p. 391.

Has 20-year contract, effective Sept. 1 1921, with Cincinnati Gas & Elec. Co., which supplies one-half the co.'s electrical requirements. V.113, p.531.

Franchise Ordinance.—On Aug. 23 1918 the Cincinnati City Council passed a revised franchise, which went into effect upon Sept. 23 1918. The franchise was signed by the Mayor, and thereby became a law, it having been decided that the revised franchise would not be submitted to a referendum vote. V. 107, p. 1191. The ordinance modifies the company's 50-year franchise granted in 1896 as permitted at the end of 20 and 35-year periods and contains the following main features: (*a*) City control over service, extensions and all features of operation. (*b*) A sliding scale of fares based on the cost of service with 5 cents as the initial fare with universal transfers. (*c*) Company is to establish a reserve fund of $400,000 through surplus earnings. When the reserve fund reaches $650,000 an automatic reduction of ½ cent in the rate of fare will take place. On the other hand if the reserve fund should be reduced to $250,000 the rate will automatically increase ½ cent. (*d*) A fixed return to the company on its investment. (*e*) When the rate of fare is 5 cents or less the company may retain 45% of the surplus, the remaining 55% going to the reserve fund; when the rate is increased to 5½ cents the company's share of surplus will be reduced to 30%, and when 6 cents is reached the company may retain only 20%; when the rate of fare exceeds 6 cents the entire surplus is to go to the reserve. (*f*) Franchise tax of $350,000 per annum to be paid to the city. (*g*) City to have right to purchase the property of the Cinc. Trac. Co. and the Cinc. St. Ry. either by condemnation or at the agreed valuation of $30,856,950. For further details see V. 107, p. 802, 1003, 1287; V. 110, p. 561.

Fares.—On Jan. 1 1919 the original 5-cent fare provided for under the above ordinance being found inadequate, the rate was increased to 5½ cents, and on April 1 1919 the rate was increased to 6 cents, being the next higher scale under the above franchise ordinance. V. 108, p. 1274. On July 1 1919 the 6½-cent scale went into effect and on Oct. 1 1919 the fares were increased to 7 cents. V. 109, p. 370, 1179. A further increase in fares on Jan. 1 1920 was prevented by the adoption of the refinancing plan given under Ohio Trac. Co. above. V. 110, p. 77. On June 1 1920 fare was raised to 7½ cents ticket and 8 cents cash. On Sept. 1 1920, however, fares were raised to 8 cents. V. 111, p. 1082. On Dec. 1 1920 fares were raised to 8½ cents. V. 111, p. 1949. The co. announced a further advance to 9 cents, effective Mar. 1 1921, but was enjoined from putting the increased rate into effect by a temporary injunction obtained by the city. V. 112, p. 932, 1865. Subsequently the City Council passed an ordinance modifying the co.'s franchise and as a result fares were reduced half a cent to 8 cents on Aug. 1 1921. The Superior Court ruled against petition for a referendum on the amended franchise ordinance. V. 112, p. 2747; V. 113, p. 531, 959, 1573. Compare V. 113, p. 416. Effective Nov. 1 1921, fares were further reduced from 8 to 7½ cts. V. 113, p. 1887. On Jan. 13 1922 the City Council passed another amended franchise ordinance similar to the previous one except that the 6 mos.' period during which the franchise tax was not to be considered a factor in rate-making is extended to oneyear. V. 114, p. 305.

Ordinance Upheld.—On April 3 1919 Judge Frank R. Gusweiler in the Superior Court at Cincinnati upheld the city franchise ordinance. V. 108, p. 1511.

Rerouting Ordinance.—V. 114, p. 1650.

(a) Cincinnati Street Railway.—Electric.

Was leased on Feb. 21 1901 to the Cincinnati Traction Co. for the unexpired term of the franchise granted by the City of Cincinnati on Aug. 13 1896, and all successive renewals and extensions of the same. The rental is intended to provide dividends of 5¼% for the first year, 5½% for the second, 5¾% for the third and 6% for the fourth year and thereafter. V. 72, p. 136. *Franchises,* it is claimed by company, mature April 22 1946.

Favorable Tax Decision.—In June 1915 the U. S. Circuit Court of Appeals at Cincinnati, reversing the lower court, held that the Government was obliged to return to the Cincinnati Street Ry., Dayton & Western Trac. Co., Columbus Newark & Zanesville Elec. Ry., Ft. Wayne Van Wert & Lima Trac. Co. and Indiana Columbus & Eastern Trac. Co. about $100,000 collected from these companies under the old Federal corporation tax law. The question at issue was whether these companies carried on business within the meaning of the law, having leased their properties to other corporations, and the only business done by them being to collect and pay out the rentals under the leases. The Court held that they transacted business only incidentally to that of the lessor companies. V. 101, p. 212.

CLEVELAND, OHIO.

CLEVELAND RAILWAY CO.

The receivers of the *Municipal Traction Co.* having been discharged and the debts of that company provided for, the Cleveland Ry. Co. on Mar. 1 1910 resumed possession of its lines under ordinance (see below) of Dec. 1909. V. 90, p. 626. The lease to *Municipal Traction Co.* was canceled of record.

Franchise Ordinance.—A new franchise ordinance (V. 89, p. 1667) was passed in Dec. 1909 by the City Council, and accepted by the railway co., based upon the valuation of the co's property as fixed by Judge Tayler. The ordinance grants franchises to operate on existing roads to May 1 1934, subject to the right of the city to purchase the property. In May 1919 the life of the ordinance was extended for 10 years, from May 1 1934 to May 1 1944. V. 108, p. 2122. In case of purchase the city must pay the capital value of said property, as fixed by Section 16 plus at the same time 10% of so much of the capital value as is represented by capital stock, assuming and agreeing to pay, in addition thereto, all the obligations, indebtedness and liabilities of the company, and all liens other than bonded debt upon its property then existing, which bonded debt the city shall provide for by assumption, by payment or by taking the property subject thereto, as may be provided by law at the time. On and after Jan. 1 1918 the city may designate a purchaser or licensee in place of the city on payment of same amount. On Feb. 17 1910 at a referendum election the electors ratified the ordinance (V. 89, p. 1667; V. 90, p. 167, 502). On July 10 1911 the City Council passed an ordinance amending that of Dec. 1909 providing, among other things, for additions to capital as required and particularly for the immediate expenditure of $2,500,000 for impts., extens. and equipt. The ordinance also provided that the right of the city to propose exten., betterm ts or impts. shall terminate whenever the unexpired term or any renewal thereof is less than 15 years, and also that during such period the company may operate at the maximum rate of fare and fix the schedules subject to the police power of the city. Provision is also made for the use of surplus earnings during this 15-yr. period, either in the payment of floating debt or the creation of a s. f. to purchase securities and reduce capital value. At a referendum election on Nov. 7 1911, the electors ratified the ordinance amending that of Dec. 1909.

Has franchise in Lakewood, expiring May 1 1944, which provides for a 3-cent fare within city limits and a 5-cent fare to Cleveland, and gives the City of Lakewood the right to purchase the company's lines within the city, subject, however, to the option of the city of Cleveland to purchase the entire property of the company.

Valuation.—Judge Tayler placed the value of the physical property of the Cleveland Elec. Ry. Co. at $17,511,856 and the franchise value at $3,615,844; total, $21,127,700; agreed value of property purchased from Forest City Ry. Co., $1,805,600; total valuation, $22,933,300. To this is added $1,158,300 interest or rental accrued, making the entire "capital value" $24,091,600. The bonded debt of $8,128,000 and floating indebtedness as of Jan. 1 1908, $1,288,000, or $9,416,000 in all, is deducted, leaving $14,675,600. The valuation is to be increased for the purpose of fixing the price at which the city or its nominee may purchase the property by the amount of future requirements, including cost of new pay-as-you-enter cars and 75% of the cost of remodeling old cars as pay-as-you-enter cars.

Fares.—Fare to East Cleveland is same as city fare. The company's schedules and routes are subject to the supervision of the city and the rates of fare to be fixed so as to net a return of interest as stated above on the capital value of the property and permit of the maintenance at all times of a so-called interest fund of at least $500,000. V. 89, p. 1667. When this amount falls to $300,000 this shall be prima facie evidence of the necessity of raising the fare to the next higher rate. The following schedules are provided for: (*a*) 6c. cash fare, 9 tickets for 50c., 1c. for transfer no rebate; (*b*) 5c. cash fare, 5 tickets for 25c., 1c. for transfer, no rebate; (*c*) 5c. cash fare, 11 tickets for 50c., 1c. for transfer, no rebate; (*d*) 5c. cash fare, 6 tickets for 25c., 1 c for transfer, no rebate; (*e*) 4c. cash fare, 5 tickets for 20c., 1c. for transfer, no rebate; (*f*) 4c. cash fare, 7 tickets for 25c., 1c. for transfer, no rebate; (*g*) 4c. cash fare, 7 tickets for 25c., 1c. for transfer, 1c. rebate; (*h*) 4c. cash fare, 3 tickets for 10c., 1c. for transfer, no rebate; (*i*) 4c. cash fare, 3 tickets for 10c., 1c. for transfer, 1c. rebate; (*j*) 3c. cash fare, 1c. for transfer, no rebate; (*k*) 3c. cash fare, 1c. for transfer, 1c. rebate; (*l*) 3c. cash fare, 2 tickets for 5c., 1 c for transfer, no rebate; (*m*) 3c. cash fare, 2 tickets for 5c., 1c. for transfer, 1c. rebate; (*n*) 2c. cash fare, 1c. for tranfer, no rebate; (*o*) 2c. cash fare, 1c. for transfer, 1c. rebate.

Fare Decision.—For decision upholding 6-cent fare, see V. 113, p. 1771, but compare V. 115, p. 435, 1099.

On Dec. 14 1912 the Council of Cleveland passed an ordinance giving the company the right to transport freight within the city limits in interurban cars and to charge the interurban companies 25c. per car mile.

ORGANIZATION.—In 1908 changed name from the Cleveland Electric Railway Co. (which had in 1903 taken over the Cleveland City Ry.) to Cleveland Railway Co., and authorized new stock to the amount of $35,000,000. The old stock of Cleveland Electric Ry. was given a valuation of $55 per share, or $12,870,000 (having formerly been $23,400,000) and was paid for in new stock issued by Cleveland Railway at par ($100 valuation. The Forest City Ry. (which had first absorbed the Low Fare Ry.) was purchased for $1,805,600 stock of Cleveland Ry., the shares of the Forest City Ry. being accepted at their par ($100) value.

On Jan. 2 1917 a board of arbitrators authorized the co. to enter into an 18-year contract with the Cleveland Electric Illuminating Co. for the purchase of power, which was accordingly done.

Operating Agreement.—On Oct. 1 1919 the co. entered into an operating agreement with the Cleveland Interurban Ry. running from 2 to 3 years. V. 111, p. 588.

Municipal Subway.—On Nov. 19 1917 Mayor Davis appointed a commission of five Cleveland men to take charge of the building of a municipal subway system. See V. 105, p. 2271; V. 109, p. 271, 477. The ordinance providing for such action was held legal by the Ohio Supreme Court in April 1918. V. 106, p. 1688. The people on April 27 1920 voted down a proposed $15,000,000 bond issue for the financing and building of the subway. V. 110, p. 2075. Compare V. 110, p. 764.

Increased Dividend Voted Down.—The Cleveland City Council on Dec. 29 1919 formally granted an increase in the co.'s div. rate from 6 to 7% in accordance with the recommendations (V. 109, p. 2262; V. 110, p. 261) of the three arbiters who conducted an inquiry into this question. On Aug. 10 1920 however, this question was submitted to a referendum vote and defeated. V. 111, p. 692, 1565. Compare V. 110, p. 2387; V. 111, p. 389.

The company on April 1 1920, paid a div. of 1¾% but subsequent divs. are being paid at the old rate of 1½% quarterly. The city has brought suit to compel the company to pay back into the interest fund the $72,000 paid out in divs. over the regular rate on April 1 1920. V. 111, p. 1182, 1277, 1565. In September 1922 the case was pending.

Early in 1921 the Cleveland City Council refused to permit the sale of $3,000,000 additional cap. stock at 80.

Reorganization Plan.—A plan of reorganization dated June 1 1922 was announced by Hayden, Miller & Co., Cleveland, Ohio, reorganization managers, which provides for the formation of (*a*) an operating co. to be known as *Cleveland Southwestern Ry. & Lt. All the pref. and common stock of the holding co. may be placed in a voting trust for a period of years. The plan further provides for the extension of a number of existing issues for 30 years at 6% and for the exchange of other issues for securities of the two new cos. The common and pref. stocks of the old co. would have no value, as no provision is made in the plan for the holders of these securities. The following table shows the basis upon which the securities of the old co. will be exchanged for securities in the two new companies:

Fare Increase.—On Aug. 15 1918 a new fare schedule went into effect which provided for a straight rate of 3 cents a mile, an increase of ¼ cent a mile. V. 107, p. 401. An increase of 25% in class and commodity rates has also been grated.

In Feb. 1919 the co. announced that as it was practically impossible to refund the $127,000 Clev. Ber. Elyr. & Oberlin cons. LAKE SHORE ELECTRIC

ORGANIZATION.—The Lake Shore Electric Ry. was incorporated on Sept. 25 1901 under laws of Ohio as a consolidation of the Lorain & Cleveland Ry., the Sandusky & Interurban Ry. the Sandusky Norwalk & Southern Ry. and the Toledo Fremont & Norwalk RR. V. 73, p. 784. About half the road is built on private right of way. In Nov. 1917 the city of Lorain granted a new franchise to the co. and its subsidiary, the Lorain St. RR., which was rejected on the ground that the fare rate of six tickets for 25 cents was insufficient for profitable operation. On Mar. 22 1918 the Lorain St. RR. obtained a new 25-year franchise which provides for a straight 5-cent fare, and on Mar. 27 1918 a 25-year franchise was granted to the Lake Shore Elec. Ry. In Jan. 1920 the Norwalk City Council granted the co. a new 25-year franchise. V. 110, p. 167.

Controls the Lorain Street RR. and the Sandusky Fremont & Southern Ry., which see below. Also controls the People's Light & Power Co. and the Bellevue Illuminating & Power Co. On Aug. 1 1918 purchased 50% of the capital stock of the Ohio State Power Co. (The other 50% is owned by the Amer. Gas & Elec. Co. of N. Y.) In 1907 made contract to supply power to the Toledo Findlay & Fostoria and several other roads V. 85, p. 1646.

In 1910 charter was amended so as to transform the then existing 5% cum. pref. stock of $3,000,000 into $1,000,000 6% cum. 1st pref. and $2,000,000 5% non cum. 2d pref. stock; V. 90, p. 698. At the same time accumulated dividends on the old pref. stock (part of which had been issued later than the rest) were adjusted. V. 90, p. 1170, 1296; V. 91, p. 790. In Jan. 1915 the articles of incorporation were amended to enable the company to sell and distribute electricity for light, heat and other purposes in certain localities.

The Ohio Utilities Comm. has from time to time authorized the company to sell additional gen. mtge. bonds, aggregating $428,000, which have been issued and are held in treasury. On Feb. 10 1915 increased authorized amount of 1st pref. stock from $1,000,000 to $1,500,000.

Fare Increase.—In July 1918 was authorized by the Ohio P. U. Comm. to increase the mileage charge, effective Aug. 1 1918. V. 107, p. 402. On Aug. 9 1920 the Sandusky City Comm. auth. the co. to increase fares to 6 cents, tickets to be sold at 5 for 25 cents. The co. had applied for a 7-cent fare. V. 111, p. 792.

The Toledo Fremont & Norwalk RR. 1st M. 5s due Jan. 1 1920 were extended to Jan. 1 1925 at 6½%, the extended bonds being red. at par and int. on any int. date on 60 days' notice. Leases Abrogated.—On Aug. 5 1921 Judge Killits, in the Federal Court at Toledo, issued an order abrogating the leases of (*a*) Indiana Columbus & Eastern Trac. Co.; (*b*) Columbus Newark & Zanesville Electric Ry.; and (*c*) Fort Wayne Van Wert & Lima Trac. Co.; and absolving the company of all liens, demands and claims for rentals by the sub. cos. These companies have since been separately operated. V. 113, p. 850. Compare V. 112, p. 2749; V. 113, p. 629.

Foreclosure Proceedings.—On June 24 1921 the Fidelity Trust Co., Phila., filed a petition in the Federal Court at Toledo, requesting the sale of practically all the lines and equipment of the company to satisfy alleged obligations on $5,000,000 of mortgage bonds on which interest has been defaulted. V. 113, p. 72.

Sale.—The company, including the holdings in Lima, O., was sold at public auction Aug. 15 1922 for $2,000,000 to Thomas Newhall, Philadelphia, representing the bondholders. The holdings include the street car system in Lima, the power and electric light plants of that city and the interurban line operating between Toledo and Lima. V. 115, p. 869.

ORGANIZATION.—**Incorp. May 16 1907 in Ohio. On Aug. 31 1907 purchased the Lima & Toledo Traction Co., which owned the line from Lima to Toledo, and on Dec. 31 1909 purchased the Lima Elec. Ry. & Lt. Co., which operates in the city of Lima. On Aug. 31 1907 leased the Ft. Wayne Van Wert & Lima Trac., with a line from Lima, O., to Ft. Wayne, Ind. A new lease was made in 1916, but was abrogated by order of Federal Court on Aug. 5 1921. Also acquired by lease the Indiana Columbus & Eastern Traction (terminated Aug. 5 1921), which company assigned to it the leases of Col. Newark & Zanesville Elec. Ry. (terminated Aug. 5 1921) and Dayton & Western Trac. The last named was terminated in April 1920. V. 110, p. 2193. On Feb. 1 1908 purchased the Cinc. Northern Trac. (subsequently dissolved) and acquired from that company its lease of Cinc. Day. & Tol. Trac. (sold under foreclosure June 30 1917), now under control of and operated by Cincinnati & Dayton Trac. Co. (which see).**

Including city lines in Zanesville, Newark, Lima and other points, operating mileage is 82.91 miles extending from Zanesville on the east via Newark to Columbus (including line from Columbus to Orient and Buckeye Lake and Newark to Granville branches), thence through Springfield to Dayton, where connection is made with the Cincinnati & Dayton Trac. Co., and from Dayton to Union City, where connection is made with Union Traction Co. of Indiana for Muncie, Anderson and Indianapolis, Ind., extending north from Springfield through Urbana and Bellefontaine to Lima, and from Lima to Defiance; to Toledo, O., and Ft. Wayne, Ind. Electric light and power business is conducted in cities of Zanesville and Lima, and steam heating plant in Lima.

Comm. auth. an increase to 2½ cents per mile between points on the co.'s lines. V. 107, p. 1385. Effective Aug. 15 1918 was auth. to raise freight rates 25%. Compare V. 106, p. 2649.**

Effective Sept. 9 1920 fares in Zanesville were raised from 5 to 6 cents. V. 111, p. 1084. In Jan. 1921 was auth. to raise fares to 6 cents in Newark, to continue to Jan. 1 1922. V. 112, p. 563.

Rather than foreclose the mtges. on which int. is in default (see above), the bankers entered the active management of the company, through Day & Zimmerman, in complete understanding with Pres. W. Receivership.—In Dec. 1920 Geo. P. Sohngen was appointed receiver for the company by Judge Clarence Murphy. V. 111, p. 2423. For rulings of court as to rights under various liens see below under "Foreclosure Proceedings."

Organization.—Incorp. April 26 1918 with $1,250,000 auth. capital stock, as successor to the Cincinnati Dayton & Toledo Traction Co., whose properties were sold at foreclosure on June 30 1917 to the committee for the $2,700,000 C. D. & T. 1st cons. 5s for $400,000, subject to $2,300,000 underlying mortgages. Holders of about $250,000 undeposited bonds will receive about $148 for each $1,000 bond in settlement.

Committee for Cinc. & Ham. Elec. 1st 6s.—W. S. Hayden and E. V. Hale, with Gardner Abbott, Sec., 1215 Williamson Bldg., Cleveland. Depositary, Citizens' Sav. & Tr. Co., Cleveland. Committee arranged to advance as a loan to depositing bondholders the amount of the unpaid coupons.

Committee for S. O. T. Co. 1st Cons. 5s.—Chairman, R. M. Stinson. Livingston E. Jones, G. M. Cummings, and Edward E. Newman, Sec. Depositaries: Cleveland Trust Co. and Girard Trust Co. The May 1 1919 interest had not been paid to Nov. 1 1919, at which time the period of grace provided for in the indenture expired and as a result of this default the committee requested the trustee to apply for a receiver and to file a bill of foreclosure. For details see V. 109, p. 1986.

Foreclosure Proceedings.—The Cinc. & Ham. Elec. 1st mtge. 6s being in default of prin. and int. from July 1 1918, the trustee has brought suit in foreclosure jointly with the trustee of the overlapping mtge. securing the Southern Ohio Trac. 1st cons. 5s upon which the May 1 1919 int. is in default. On Sept. 28 1920 a decision was rendered in effect that neither Southern Ohio Traction mortgage nor underlying issues cover (1) the power house, (2) the termina' from College Hill into Cincinnati: but only main line from Dayton to College Hill. Neither do the mortgages cover equipment. Mortgagors can, if they elect, have a receiver appointed for the property covered by mortgage. This leaves the co in complete possession of power house, terminal and rolling stock. A rehearing on error was asked. V. 111, p. 1565. In Dec. 1920 the court ruled that transmission lines are a part of the power house and are not covered by mortgage. For further rulings of the Court regarding liens, &c., see V. 111, p. 2423. In May 1921, however, the Court of Appeals at Cincinnati, it was reported, handed down a decision holding that the underlying bondholders are entitled to have their rights restored to the condition they were in when the system was operated as the Cinc. Dayton & Toledo Trac. Co., or to have such an interest in the new power house as would equal the cost of such restoration. V. 112, p. 1977. A final appeal was taken to the Supreme Court. See also V. 113, p. 2078. For statement regarding final decree see V. 113, p. 2613.

Defaults.—As of Oct. 1 1921 the company was in default of principal and interest on the Southern Ohio Trac. 1st cons. 5s, the Cinc. & Hamilton Elec. 1st 6s and the Dayton Trac. Co. 1st 5s. Regarding the $250,000 5% bonds of the Hamilton & Lindenwald Elec. Trans., due July 1 1922, W. E. Hutton & Co. in July 1922 stated: "These bonds are 1st mtge. on Hamilton, O., city lines, on which the Southern Ohio Trac. Co. bonds are 2d mtge. and Cin. & Dayton Trac. Co. are 3d mtge. The entire matter now tied up in court, nothing can be done until court hands down decision." V. 115, p. 307.

Wages Reduced.—V. 112, p. 2642; V. 113, p. 70.

COVINGTON, KY.

CINCINNATI NEWPORT & COVINGTON LIGHT & TRACTION CO.—A trolley road.

ORGANIZATION.—Incorporated under the laws of New Jersey on March 11 1902 and purchased all the stock of the Union Light, Heat & Power Co. of Covington and of the Cincinnati Newport & Covington *Railway*. V. 74, p. 576. The latter was organized in 1892 to buy up and consolidate all the roads on the Kentucky side of the river opposite Cincinnati

Prior to July 1 1922 the South Covington & Cincinnati St. Ry. Co., a Ky. corp. (formerly one of the constituent cos. of the Cinc. Newport & Cov. Ry. Co., an Ohio corp.) acquired direct ownership of all the street railway properties formerly owned by the Cinc. Newport & Cov. Ry. Co. and its subisidiaries (except the Cinc. Cov. & Rosedale Ry. Co. and the Cinc. Cov. & Erlanger Ry. Co., whose stock it acquired) and changed its name to the Cincinnati Newport & Covington Ry. Co.

Lease.—The Union Lt., Ht. & Power Co. and the Cinc. Newp. & Cov Ry. (both controlled through stock ownership by the Cinc. Newp. & Cov Lt. & Tr.) were leased from Apr. 1 1907 to Columbia Gas & Electric Co. (incorporated in Ohio) for 45 years. The lessee guarantees interest on bonds and 4½% per annum on preferred stock. On common, dividends are to be 3% for first year, increasing ½% each year until 6% is reached, which is to be the rate thereafter. See V. 84, p. 449, 930; also terms in V. 84, p 1489, under Columbia Gas & Electric. Under agreement ratified in July 1915 the exts. and add'ns to Union Lt., Ht. & P. Co.'s property are to be paid for by the issue of new 50-year 5% bonds (see below) instead of by sale of stock of the Cincinnati company as provided under the old agreement. V. 101, p. 694. The co. leases jointly with the Western Union Telegraph Co. for a period of from 20 to 30 years, the Dixie Terminal Bldgs., which opened for service on Oct. 22, 1921.

The controlled Cincinnati Covington & Erlanger St. Ry., which was in corp. Sept. 1899 with $250,000 stock (shares $50), to build an extension to Erlanger, 7¼ miles (about 3 miles completed) has been leased to the Columbia Gas & Electric.

The Fort Mitchell Erlanger & Elsmere Trac. Co., which is to build a line from Mitchell to Erlanger, about 3¼ miles, will, it is stated, be leased to the South Covington & Cincinnati St. Ry. (now Cinc. Newp. & Cov. Ry.). V. 115, p. 988.

Franchise Decisions.—On Oct. 19 1914 and Nov. 17 1915 Judge Cochran in the U. S. District Court held that the franchise granted by the City of Covington in 1882 to the South Covington & Cincinnati Street Ry. was in effect perpetual. See V. 99, p. 1214. On Jan. 5 1915 the U. S Supreme Court declared void, as an unlawful interference with interState commerce, the section of the Covington street railway ordinance relating to overcrowding. See details in V. 100, p. 139. In Nov. 1916 the voters of Newport rejected the 20-year franchise granted by the city in July 1916. On Sept. 28 1917 Mayor Puchta approved a franchise granted by the City Council of Cincinnati which in the case of so-called "temporary" Covington and Newport routes, the former remained in force until Jan. 1 1919 and the latter continues until 24 mos. after ordinance takes effect. In the case of other routes the grant will remain in force for 25 years after the date the ordinance takes effect. For terms see V. 105, p. 1617. See also V. 115, p. 988.

On Apr. 15 1918 a decision was handed down in the U. S. Supreme Court in favor of the So. Cov. & Cin. St. Ry. Co., in the action brought by the city of Covington to oust the co. from its streets. V. 106, p. 1688. In May 1921 Judge A. M. J. Cochran in the U. S. Dist. Court at Covington handed down a decision holding that this same co. has a perpetual franchise on certain streets in Fort Thomas, Ky., and that an ordinance (passed Feb. 16 1917) compelling the co. to pay rentals on certain streets was void. V. 112, p. 2189.

In Jan. 1920 the Union Lt., Ht. & Pow. Co. brought out $2,150,000 1st mtge. 7% 5-year bonds to retire $1,560,900 2-year 6% 1st mtge. notes due Feb. 15 1920, to purchase and cancel $303,300 5% bonds due Nov. 1 1965 and to provide for exts. and impts. V. 110, p. 368, 871.

In July 1922 $3,709,000 Cinc. Newp. & Cov. Ry. 1st & ref. mtge. 6% bonds were brought out, proceeds being used to refund $2,850,000 1st mtge. 5s and $859,000 2d mtge. 5s due at that time and for impts., exts. and add'ns. V. 115, p. 182.

Modification of Agreement with Col. Gas & Elec. Co. Proposed.—See V. 114, p. 737.

DALLAS, TEXAS.

DALLAS RAILWAY CO.

ORGANIZATION.—Incorp. in Texas on Sept. 22 1917 to take over and operate the electric railway properties formerly owned by the Dallas Elec. Lt. & Pow. Co. (see Dallas Electric Co. in this Section for Sept. 1917) under the "service-at-cost" franchise approved by the citizens of Dallas at an election held April 3 1917. Formal acceptance of the franchise was filed Sept. 27 1917. V. 105, p. 1419. The lighting properties of the Dallas Electric Lt. & Pow. Co. were taken over by the Dallas Power & Light Co., which see below.

The company leases with the right to purchase for $2,000,000, the Oak Cliff lines of the Northern Texas Traction Co. at an annual rental increasing from $115,000 for the first three years to $150,000 the seventh year and thereafter.

On Sept. 30 1917 purchased the Dallas Interurban Terminal Association, which has a modern fireproof eight-story passenger terminal and office building in the business district of Dallas, and assumed its notes. The terminal facilities have been leased for 20 years to the three interurban lines entering Dallas. The terminal was opened for service Sept. 1 1916.

On Dec. 1 1920 took over the Standard Traction Co., which had been operating the Mount Auburn and Park View additions to the city. V. 112, p. 161. The company discontinued operations May 1 1921, the date of the expiration of the lease agreement. The Standard Traction Co. was ordered sold on May 3 1921 to satisfy a judgment of $5,000 (V. 112, p. 1740), but an order was signed early in May 1921 appointing Geo. P. Dunlap, receiver, and restraining the proposed sale. V. 112, p. 1977. In July 1921 the company resumed operation of the Standard Trac. Co.'s line. V. 113, p. 70.

Franchise.—The franchise permits a return of 7% on the property value fixed at $7,561,749 (on Aug. 31 1922 the figure was put at $9,419,190), and provides for: (*a*) an interurban not less than 30 miles in length, from some outside point into Dallas, work to be begun within six months from the time of operation under the ordinance, and line to be put in actual service within 18 months from that date unless prevented by causes which could not have been reasonably anticipated; (*b*) an interurban not less than 30 miles in length from some outside point into Dallas, work to begin within six months from the time when the gross earnings of the lines east of the Trinity River, excluding interurbans, shall bear the same proportion to the then property value as did the gross earnings to property value in 1913; (*c*) an expenditure of $1,000,000 in altering, reconstructing, rearranging and improving the properties originally put in operation by the company, the city to receive $200,000 damages for failure to comply with the agreement (see program of improvements, &c., in V. 105, p. 2271); (*d*) Fares—(1) cash fare 5 cents, 22 tickets for $1; (2) cash fare 5 cents, six tickets for 25 cents; (3) cash fare 5 cents, seven tickets for 25 cents; (4) cash fare 5 cents, 8 tickets for 25c.; said schedules to be applied as follows: Whenever after paying or providing for the return on property value, the repair, maintenance and depreciation reserve and the accident reserve are not less than normal and the surplus reserve exceeds normal by 50%, the fares shall be reduced to the next lower schedule than the one then in force, and if after operating six months the surplus reserve exceeds normal by 30%, the fares shall again be reduced to the next lower schedule, and further reductions shall be made at six months intervals until the surplus reserve shall amount to less than 10% in excess of normal. Whenever the surplus reserve is reduced to one-half of normal, the grantee may at six months intervals put in force the next higher schedule than the one then in force until the surplus reserve equals 90% of normal. (Effective June 25 1920, the Dallas City Commission auth. the co. to charge a straight 6-cent fare. V. 111, p. 73. In June 1921 the company established an 11-cent fare to Highland Park. V. 112, p. 2536.) Children under 12 and students under 17 years of age shall be carried for half-fare. For further details see V. 105, p. 1419. In June 1922 the 6-cent fare was extended for a period of 12 months. V. 115, p. 73. See also V. 115, p. 1531.

The $1,000,000 7% notes due June 15 1920 were extended at the same rate to "on or before Dec. 1 1927." V. 111, p. 1082.

DALLAS POWER & LIGHT CO.

ORGANIZATION.—Incorp. in Texas on Sept. 22 1917 to take over and operate the light and power properties of the Dallas Electric Light & Power Co. formerly controlled by Dallas Electric Co. (See this section for Sept. 1917) under the franchise approved by the citizens of Dallas at an election held April 3 1917 and formally accepted on Sept. 27 1917. The railway properties of the Dallas Elec. L. & P. Co. were taken over by the Dallas Ry Co., which see above. V. 105, p 1423. In Aug. 1922 the co. was auth. to build an addition to its generating plant, estimated to cost $2,180,000. V. 115, p. 992.

Does substantially all the electric light and power business in Dallas serving a population of about 174.000.

Franchise.—The franchise provides for an expenditure of $2,000,000 in altering, reconstructing and rearranging and improving the distributing systems, power plants and properties and in making additions and extensions, $1,000.000 to be expended within 18 months after Sept. 30 1917, and $1,000.000 within the succeeding 42 months. Further provisions of the franchise are (1) a definite "property value" on which the co. is authorized to earn 8% per annum. This auth. rate of return is increased automatically by specified percentages if and when the maximum rate for lighting is reduced, and conversely is decreased if, under certain conditions, the maximum rate for lighting is increased [now authorized to earn 9%]. (2) The agreed "property value" on Sept. 30 1917 was placed at approximately $4,850,000 plus all subsequent admitted additions and improvements, there was on August 31 1922 a "property value" of about $8,145,000. (3) The rates for service are under the jurisdiction of the city authorities, but the maximum lighting rate cannot remain lower than 6 cents per k. w. hour unless the company is earning the full rate of return on the "property value" and in addition is maintaining out of earnings: (*a*) A "surplus reserve" of 8% on the "property value"; (*b*) An "accident reserve" of 2½% of the gross receipts; (*c*) A "maintenance and depreciation reserve" of 6% of the "property value." (4) The term of the franchise is ten years from April 3 1917, and continues thereafter unless and until the city or its licensee shall purchase the property, in which event the city shall pay the company at least 105%, or the city's licensee at least 110% of the then "property value." (5) Provision for arbitration of disputed matters between the city and the company.

On June 30 1919 the co. was auth. by the Mayor and the City Comm. of Dallas to issue not more than $1,500,000 7% cum. pref. stock and $5,000,000 6% 30-yr. mtge. bonds. The co. in July 1919 issued at par $1,000,000 of the pref. stock (this was offered to the co's. employees and patrons—V. 109, p. 984) and $4,500,000 of the bonds, the proceeds being used to pay off $1,000,000 1st mtge. 7% notes due Feb. 1 1920 (V. 109. p. 479) and $4,000,000 6% unsecured notes due April 1 1922, leaving available for corporate purposes $220,000. On July 22 1921 the company was auth. to sell the remaining $500,000 7% pref. stock, proceeds being used to pay $217,000 to the Electric Bond & Share Co., $155,000 due Dallas banks and the balance, $128,000, for improvements, &c. V. 113, p. 735.

Perry of Providence this purchase making its total holdings about a 75% int. V. 96, p. 863. This company, since the plan in V. 98, p. 1156, went into effect., is simply a holding company, practically its only asset being the $9,791,700 common stock of the Denver Tramway Co., which is pledged as security for the $6,000,000 1st & Coll. bonds of this co., and its only liability being $6,000,000 of its capital stock outstanding in the hands of the public, the payment of its bonds having been assumed by the Denver Tramway Co.

(2) Denver Tramway Co.—*Operating Company.*

The Denver & Northwestern Ry. owns $9,791,700 of the common stock.

Receivership.—On Dec. 24 1920 Ernest Stenger, Pres. & Gen. Mgr., was appointed receiver for the company on application of the Westinghouse Elec. & Mfg. Co. V. 112, p. 61.

ORGANIZATION.—Incorp. March 30 1914 in Colorado as successor to the Denver City Tramway Co., which had previously absorbed the Denver Tramway Power Co. and the Denver Tramway Terminals Co. Owns entire $500,000 stock of the Consolidated Securities & Investing Co. (incorp. on the same date to succeed the Denver Realty Co., Boulevard Real Estate Co. and Denver Excursion Co.), which in turn owns all the outstanding stock and bonds of the Denver & Inter-Mountain RR. See plan of reorganization under "Denver & Northwestern Ry." in V. 98, p. 1156.

Franchises.—Operates within the city of Denver under a general franchise granted Feb. 5 1885. Also under a 20-yr. grant voted by tax-paying electors of the city in May 1906, which authorizes it to maintain three-rail tracks, gauges 3 ft. 6 in. and 4 ft. 8½ in., over all its present lines within the city and permits the construction of certain viaducts and extensions. See decision in V. 84, p. 220. Under decision of the U. S. Circuit Court of Appeals on Nov. 11 1912 the franchise of 1885 was held valid, the Court deciding that in view of the franchise of 1906 it was unnecessary to pass upon the duration of the older franchise at that time. The company claims that its franchise is perpetual. See decision in V. 95, p. 1472.

Valuation.—In connection with fare hearings the co., in Nov. 1918, placed the reproduction cost of its properties at $26,772,888, as of Dec. 31 1917. The P. U. Comm.'s valuation of the same properties (in this case "going value" and items for gravel beds and water rights included in the co.'s figure were not taken into account) fixed the reproduction cost at $19,495,374. Compare annual report for 1918 in V. 109, p. 1887.

Fare Increases.—On Sept. 6 1918 the Denver City Council passed an ordinance auth. the co. to charge a 6-cent fare on city lines. V. 107, p. 1003. On Sept. 12 1918 the Col. P. U. Com. auth. the co. to put into effect a 6-cent fare beginning Sept. 15 1918. An increase of 3 cents in the one-way and 8-cents in the round-trip fares on the interurban lines to Golden and Leyden was also authorized. V. 107, p. 1192. As a result of a wage award made by the Nat'l War Labor Board to the co.'s employees the co. asked for a 7-cent fare with a 1-cent charge for transfers, this petition being granted by the Col. P. U. Comm. on Dec. 17 1918. V. 107, p. 2376. Compare V. 107, p. 2097. On Dec. 23 1918, however, the city petitioned the Comm. for a rehearing on the 7-cent fare. V. 108, p. 77. On Jan. 15 1919 the Comm. suspended the 7-cent rate with a 1-cent charge for transfers. V. 108, p. 3 8. On June 30 1919 the City Council repealed the ordinance passed Sept. 6 1918 allowing the co. to charge a 6-cent fare. The 5-cent fare was restored July 5 1919. V. 109, p. 172. Because of the decreased fare, the co. on July 7 reduced wages to the pre-war scale, which resulted in a three-day strike. This was settled by the city agreeing to pass an ordinance restoring the 6-cent fare temporarily. At an election held Oct. 22 1919 the voters turned down both the elastic 6-cent fare and service-at-cost plan. V. 109, p. 1609. Compare V. 109, p. 1461. A new ordinance effective Nov. 13 1919, however, was passed. This provided for a 6-cent fare and was granted in order to avoid a strike of the company's employees. V. 109, p. 1986; see also V. 111, p. 1566. In May 1920 the City Council rejected the company's petition for a 7-cent fare and referred the ordinance to the voters at the next general election to be held in May 1921, but in March 1921 Federal Judge Lewis auth. the receiver to increase fares from 6 cents to 8 cents. V. 112, p. 1024. Compare V. 112, p. 744; V. 114, p. 78. On Aug. 1 1921 interurban rates were increased 20%. V. 113, p. 847.

Report of Citizens' Committee Recommending Service at Cost.—See V. 108, p. 2329.

In March 1919 the company announced its inability, caused by abnormal conditions, to take up or refund the $2,000,000 1st M. 5s of the Denver City Tramway Co. due April 1 1919. The co. therefore arranged for an extension of these bonds at 6% to April 1 1924. The extended issue is redeemable as a whole at 102½ on any interest date. V. 108, p. 1060.

The $2,500,000 conv. 6% bonds of the co. due April 1 1919 were exchanged for an issue of 3-year 7% coll. trust notes due April 1 1922. These were not retired at maturity but are still outstanding. V. 114, p. 1890.

Interest Payments.—In March 1921 Federal Judge Lewis ordered the receiver to pay the int. on the following bond issues: (*a*) the April 1 1921 int. on (1) $2,000,000 Denver City Tram. purch. money ext. 6s; (2) $1,167,000 Denver Consol. Tram. Cons. Mtge .5s; (3) $884,000 Denver Tram. Power 1st Impt. Mtge. 5s; (*b*) the March 1 1921 int. on the $1,033,000 Denver Tram. Terminals 1st mtge. 5s. V. 112, p. 1399.

As of April 1 1922 we were advised that int. was in default on the Denver & Northwestern Ry. Co. 1st & coll. mtge. 5% bonds., the Denver City Tramway 1st & ref. mtge. 5% bonds and the Denver Tramway Co. 7% coll. trust notes. V. 114, p. 1890.

DETROIT UNITED RAILWAY.—Trolley.

Municipal Purchase.—On March 11 1922 the stockholders ratified the contract entered into by the directors for the sale of the co.'s city lines to the city of Detroit for $19,850,000. A special election was held April 17 1922 and the people voted in favor of the proposed agreement and the appropriation of $4,000,000 for the first payment on the contract for the purchase of materials, and other expenses incidental to the taking over of the lines by the city. V. 114, p. 1764. For full details and summary of agreement between city and co., see V. 114, p. 1178. Compared V. 114 p. 854, 947.

On May 15 1922 the transfer of the D. U. Ry. city lines to the City of Detroit was effected. The co. will operate the short lines outside the city limits, the lines taken over and those already constructed by the city will be operated by the Dept. of Street Rys. Preliminary to the transfer of the lines to the city, the city paid $3,177,000 to the co. Of this amount $2,770,000 was to take care of the first payment on the purchase contract of $19,850,000. In Oct. 1921 a board of arbitration fixed $2,297,700 as the price the city would have to pay the co. for 29½ miles of line, including equipment. V. 113, p. 1674. These lines were formally taken over by the city on Dec. 22 1921.

Dual Operation.—On Dec. 15 1921 joint operation over certain of the co.'s lines and certain of the city's lines was inaugurated. Cars are operated by the city and the co. over each other's lines and transfers are exchanged, see V. 113, p. 2504, 2719.

Proposed Municipal Subway—Report of Street Ry. Comm.—See V. 109, p. 1986. Compare V. 109, p. 1366. An election was held in April 1920 at which the people voted in favor of a proposal that the city issue $15,000,000 bonds, proceeds to be used to construct about 200 miles of municipal street railway lines. V. 110, p. 1526. Compare V. 110, p. 464, 764. Two suits filed in the U. S. District Court asking that this ordinance be declared void and invalid were dismissed in June 1920. V. 110, p. 2657; V. 111 p. 294, 1660. Compare V. 110, p. 1748. The co. appealed but on Nov. 15 1920 the U. S. DULUTH, MINN.

DULUTH-SUPERIOR TRACTION.—Trolley.

ORGANIZATION.—Incorporated in Connecticut in 1897. Owns entire stock of the Duluth Street Ry., the Lakeside Street Ry. and the Superior Rapid Transit. The corporate existence of the Duluth Street Ry. is maintained, but all of its stock ($2,000,000 authorized, $1,800,000 outstanding) is held by the Duluth-Superior Traction. This latter company has no bonded debt. The Duluth Street Ry. was organized under Act of Minnesota approved Nov. 17 1881 and possesses "an exclusive franchise" which runs until 1931. See decision with regard to franchises in Superior in V. 80, p. 1911. On Dec. 18 1918 the company surrendered its franchise to operate in Superior and in 1921 its Duluth franchise; the system now being operated on the indeterminate permit basis under which the State, instead of city officials, has jurisdiction over the co. V. 107, p. 2476. See also V. 112, p. 2082. On Sept. 1 1917 the Duluth St. Ry. acquired the 3½-mile line of the Park Point Trac. Co. of Duluth, Minn. V. 105, p. 180. The Duluth-Superior Bridge between Duluth, Minn., and Superior, Wis., is used by the railway but is a separate corporation, and has issued 1st M. bonds for $650,000 and 2d M. bonds for $300,000.—see bridge items. V. 63, p. 310, 504.

Municipal Ownership Voted Down.—On April 1 1919 a proposition that the city purchase the co's. system was defeated by a vote of nearly two to one. On June 21 1920 another plan for municipal ownership as well as an ordinance providing for a 6-cent fare, was voted down at a special election. V. 111, p. 73. See also V. 111, p. 692.

Fares.—On July 13 1922 the RR. & Warehouse Comm. of Minn. filed an order effective Aug. 1 1922, fixing the valuation of the property of the co., comprising the Duluth, Minn., Div., and fixing a rate of fare of 6 cents cash, 5 tickets to be sold for 25 cents. The co. appealed from this order to the U. S. Dist. Court, which Court issued an order restraining the Comm. and the city of Duluth from interfering with the co. collecting a straight 6-cent fare after Aug. 1 1922, until final determination of the appeal. Later the city of Duluth applied to the Court for a modification of its order, and the former order was amended to provide that after Sept. 7 1922 the cash fare should be 6 cents, but the co. was required to sell 5 tickets for 30 cents, with a 5-cent rebate coupon attached, pending final decree of the Court. V. 115, p. 1209. On Sept. 1 1921 the Wisc. RR. Comm. ordered a 6-cent cash fare with 6 tickets for 35 cents in the city of Superior.

(a) Consumers' Power Co.

All the common stock is owned by Commonwealth Power Corp.

ORGANIZATION.—Incorp in Maine in 1910, and in Nov. 1914 merged the following 11 companies (previously controlled by stock ownership), Commonw. Power Co., Grand Rapids-Muskegon Power Co., Grand Rapids Edison Co., Flint Elec. Co., Saginaw Power Co., Bay City Power Co., Pontiac Power Co., Consumers' Power Co. (Mich.), Economy Power Co., Au Sable Electric Co. and Central Power Co.

This merger made the Consumers' Power Co. (of Maine) an operating company instead of a holding company and on July 20 1915 it was granted a certificate of authority to do business in Michigan. V. 99, p. 1528, 1597; V. 101, p. 369. At the same time the RR. This was done in order to enable the cos. to obtain necessary capital for their respective needs. V. 110, p. 261.

INDIANAPOLIS STREET RAILWAY CO.

The Terre Haute Indianapolis & Eastern Traction Co. owns the $1,000,000 com. stock.

ORGANIZATION.—Incorp. in Indiana on June 30 1919. Is consolidation of the *old* Indianapolis Street Ry. Co. and the Indianapolis Traction & Terminal Co. (For separate history of each of these cos. up to time of consolidation see the "Electric Railway Supplement" of March 29 1919.) The consolidation was effected as per plan in V. 108, p. 2329 subject to conditions stipulated by the Ind. P. S. Comm. as outlined in V. 109, p. 172. On Aug. 29 1919 the Federal Court approved this consolidation and dismissed the suit brought by certain minority stockholders against same. V. 109, p. 982.

Interurban railways enter the city under agreements by which they pay 5 cents per passenger for all passengers carried in the city limits and an additional 1 cent for those using the terminal station. V. 81, p. 264. In 1921 the co. surrendered its franchise to the city of Indianapolis and now operates under an indeterminate permit. V. 112, p. 2748.

The co. contends that its action in surrendering its franchise and obtaining an indeterminate permit from the P. S. Comm. had the effect of extinguishing the obligation. V. 114, p. 626. Compare V. 114, p. 306.

Fares.—On Dec. 28 1918 the Ind. P. S. Comm. auth. the co. to charge a straight 5c. fare under an emergency clause. In Nov. 1920 the co. applied for auth. to charge 2 cents for transfers. V. 111, p. 2041. Effective Dec. 20 1920, the Comm. auth. a 1-cent transfer charge. V. 112, p. 161. In April 1921 the co. was auth. to charge a cash fare of 6 cents or 20 tickets for $1 and 1 cent for transfers. V. 112 p. 1740. On June 1 1921, however, a straight 5-cent fare with a charge of 2 cents for transfers was put in effect. V. 112, p. 2537. See also V. 113, p. 848. In Oct. 1922 applied to Indiana P. S. Stock.—Preferred stock is pref. as to assets and divs. It is stated that the common stock will be allowed no voting power unless the pref. divs. are paid in full.

Bonds.—The cons. mtge. bonds are limited to an auth. issue of $15,000,000 up to April 7 1933, after which, the auth. amount may be increased to $25,000,000, incl. the divisional bonds, if any, then outstanding, and such excess of $10,000,000 bonds may bear such rate of interest, not exceeding 6% p. a., and be used for any proper corporate objects and purposes of the consolidated co. The $15,000,000 now authorized will bear int. at not exceeding 6% and shall be issued only for addns. and betterments to and exts., acquisitions and replacements of lines of street railroad which become a part of the street railroad system of the consolidated company in Indianapolis and its vicinity. Bonds shall only be issued to the amount of par value of bonds of the three divisional issues which have been or shall be taken up and canceled by sinking fund payments, so that at no time while any of divisional bonds are outstanding (unless their present dates of maturity shall be extended), shall the aggregate amount of [new and old] bonds secured by mortgages on the property exceed $15,000,000. But notwithstanding the foregoing, provision may be made in the mortgage for the issuance of bonds to refund the existing mortgage indebtedness, or any part thereof [at maturity]. All bonds issued for refunding shall be subject to be taken up and canceled by the sinking fund provisions which were applicable to the refunded bonds in their original form, and when so taken up and canceled, original bonds may be issued in substitution therefor, which, or the proceeds thereof, shall be used only for permanent impts. and betterments. Provision may be made in said mortgage that the maturity of any outstanding bonds which become due on or before April 7 1933 may be extended to such date as may be determined by the Board at not exceeding 6% interest if permitted by law.

The lien of the several underlying mortgages is confined to the property and interests upon which each was a lien prior to consolidation and does not extend to any other property of the consolidated company, except as "general debts," without priority, after satisfying of the mortgage liens thereon.

The Ind. Trac. & Term. bonds have a sinking fund which provides for the payment annually of 1 1-5% of bonds outstanding. See V. 76, p. 1085. Bonds may be drawn for sinking fund at 102½ and int. and are subj. to call at that price. See V. 81, p. 264. $1,167,000 in sinking fund canceled. The Ind. St. Ry. bonds have a *sinking fund* sufficient to redeem at maturity the greater part of the entire issue. $1,013,000 in sinking fund canceled. The divisional bonds in the *sinking funds* at the time of consolidation were canceled so that they could no longer draw interest and payments to the sinking funds suspended until 1923. All future sinking fund payments are to be applied to the cancellation of bonds. Equipment certificates, Series "C" mature $5,000 on March 1 and Sept. 1 each year until paid in full. They cover 25 new cars. $95,000 have been retired. Series "D" mature $5,000 on June 1 and Dec. 1 each year until paid. Covers 25 new cars. $85,000 have been retired. Fares, &c.—On June 2 1918 was auth. by the Mo. P. S. Comm. to increase fares from 5 cents to 6 cents, effective July 15 1918 for one year. On Sept. 7 1918 Chief Justice Bond in the Missouri Supreme Court overruled the action of Circuit Judge John G. Slate (who refused to permit the co. to file a supersedeas bond in the 6-cent fare case, thus giving the city a 5-cent fare,) and auth. the co. to continue charging a 6-cent fare, pending final decision by the State Supreme Court. V. 107, p. 1192. This decision was handed down on Dec. 31 1918 and upheld the ruling of the Mo. P. S. Comm. V. 108, p. 171. The city appealed to the U. S. Supreme Court, but on Nov. 10 1919, that court upheld the ruling of the lower court. V. 109, p. 1891. On July 11 1919 the Mo. P. S. Comm. auth. the co. to continue the 6-cent fare, pending investigation by the Comm. of the cos. application for auth. to charge a 10-cent fare with tickets at 2 for 15 cents. V. 109, p. 270. On Aug. 20 1919 the co. was auth. by the Mo. P. S. Comm. to increase fares from 6 to 7 cents. On Dec. 14 1919 the Mo. P. S. Comm. auth. the co. to increase fares from 7 to 8 cents, tickets to be sold at 2 for 15 cents and 5 for 35 cents. See also V. 111, p. 2520; V. 113, p. 2080. Effective May 18 1922, the 8-cent fare in Kansas City was extended for six months by the Mo. P. S. Comm. V. 114, p. 2580. Effective Jan. 2 1920, Federal Judge John C. Pollock authorized an increase in fares in Kansas City, Kan., from 6 to 8 cents. The order restrains the Kansas P. U. Comm. from enforcing its 6-cent fare order and enjoins interference with the collection of 8-cent fares. V. 110, p. 167. The Kan. P. U. Comm. has appealed to the U. S. Supreme Court. No further developments up to Oct. 11 1922.

In April 1920 the Mo. P. S. Comm. denied the co's. application for auth. to increase fares from 5 to 8 cents in Independence. Auth. to increase ares to 10 cents between Kansas City and Independence was granted, effective April 1 1920. V. 110, p. 1526.

Jitney Regulation.—On Mar. 21 1921 the City Council passed an ordinance prohibiting the operation of jitneys on streets where electric railways operate. V. 112, p. 1399. An ordinance became effective Aug. 12 1921 requiring the consent of a majority of property owners on proposed jitney routes before such routes are established. V. 113, p. 848.

In Dec. 1917 issued $1,000,000 6% 2-year coll. notes for expenditures already made or to be made for improvements, extensions &c.

In Feb. 1918 the Mo. P. S. Comm. auth. the co. to issue $1,151,830 additional capital stock, representing improvements made since May 1 1915. Up to Oct. 11 1922 this had not been issued.

In July 1918 issued $7,750,000 3-year coll. 7% notes to retire the $6,259,000 3-year notes due July 1 1918, and to pay in part for improvements, extensions, &c. V. 107, p. 181.

On Aug. 27 1919, Eastern bankers loaned the co. $1,000,000 on the personal endorsement of J. Ogden Armour.

The $1,000,000 6% ser. "A" coll. notes due Dec. 1 1919 were not paid when due, nor has any int. been paid on same since June 1 1919. V. 111, p. 1278, 1752.

The $7,750,000 7% coll. notes due May 15 1921 were not paid at maturity. V. 112, p. 2083.

Interest Payments.—The July 1 1919 int. on the co's. 1st and 2nd mtge. bonds was paid Aug. 28 1919. V. 109, p. 982. Compare V. 109, p. 173. Subsequent int. not paid when due. The int. due Nov. 15 1919 on the co.'s 3-yr. 7% notes having been defaulted and in view of the fact that further defaults were impending, a committee was formed to protect the interests of holders of *all* the co.'s bonds and notes. V. 109, p. 1986. On May 1 1922, however, the general protective committee ceased to serve as such in connection with the 3-yr. 7% coll. notes, 2-yr. 6% coll. notes and 2d mtge. bonds, so as to confine its representation to the 1st mtge. bonds of the co. The committee for the 1st mtge. 5s as at present constituted consists of:

Committee for 1st Mtge. 5s.—Chairman, Arthur Reynolds; Alfred H. Aiken, John E. Blount Jr., J. F. Downing, Geo. K. Johnson, Melvin A. Traylor; Sec., Jas. J. Fitzgerald, First Trust & Savs. Bank, Chicago. Compare V. 110, p. 2568.

Receivership.—On Apr. 27 1922 Justice Callaghan in the Queens County Supreme Court appointed S. W. Hufi and R. C. Lee receivers for the Steinway Ry. upon application of the Guaranty Trust Co., trustee under the 1st Mtge. of the Steinway Ry., int. on which was defaulted. The order provided that the receiver take over only the property which originally belonged to the Steinway Co. (V. 114, p. 1891). The receivers put into effect a separate 5-cent fare on that part of the system against the orders of the Transit Commission, but the action of the receivers was sustained by the Court. ORGANIZATION.—Incorporated June 29 1896 and reorganized on June 30 1899. Purchased the various lines of railroad in Long Island City known as the Newtown Ry. Co., the Riker Ave. & Sanfords Point RR., the Steinway Ry., the Long Island City & Newtown Ry. and the Flushing & College Point Ry. In May 1902 the Queens Ry. was consolidated with it, and thereupon increased its stock from $2,500,000 to $5,000,000. The Queens Ry. succeeded to the property sold at foreclosure of the New York & North Shore Ry., comprising a line of 6 miles from Flushing to Jamaica, with franchises for lines between Flushing and College Point, Flushing and Bayside and Manhasset. V. 74, p. 1197.

The new Queensboro Bridge across Blackwell's Island was opened in 1909. On Sept. 19 1909 the City of New York's municipal trolley across the bridge began operation. On Dec. 16 1909 New York & Queens County Ry. was granted a permanent franchise to run cars over the bridge. Operation began on Feb. 15 1910. V. 90, p. 373. Through passengers only are carried across the bridge and no extra fare is charged.

In view of the default in the payment of the int. due Jan. 1 1922 on the Steinway Ry. 1st M. 6s and the then impending default of prin. & int. due July 1 1922, two committees were formed to protect interests of holders of these bonds. One committee was headed by H. B. Thorne (V. 113, p. 2819) and the other by Geo. W. Davison (V. 114, p. 80). The first named committee arranged to pay the Jan. 1 1922 coupon. V. 114, p. 80. Later the two committees were consolidated. The committee resulting from the consolidation is composed of:

Committee for Steinway Ry. 1st Mtge. 6s.—Geo. W. Davison, Roswell Eldridge, Walter E. Frew, Harold B. Thorne and Wm. Carnegie Ewen. Depositary, Central Union Trust Co., N. Y. City. V. 114, p. 307.

Int. due Apr. 1 1922 on the N. Y. & Queens County 1st cons. mtge. 4s having been defaulted (V. 114, p. 1766), the following committee was formed:

Committee for N. Y. & Queens Co. 1st Cons. Mtge. 4s.—Chairman, Fredk. Osborne; C. Stevenson Newhall and James H. Perkins. Depositaries: Farmers Loan & Trust Co., N. Y., and Penna. Co. for Insur. on Lives & G. Ann., Phila. V. 114, p. 1766.

MANHATTAN AND QUEENS TRACTION CORPORATION.

Receivership.—On Nov. 15 1917 Arthur C. Hume and William R. Begg were appointed receivers by Judge Chatfield in the U. S. Dist. Court for the Eastern Dist. of N. Y. In Nov. 1917 a judgment against this company for $1,158,522 was awarded the Gas & Elec. Securities Co. on account of unpaid promissory notes.

ORGANIZATION.—Incorp. in N. Y. on Nov. 4 1912 to take over the rights and property of the South Shore Trac. Co. in New York City (see under Patchogue, and also under Manhattan & Jamaica Ry. in V. 95, p. 1207, 420; V. 94, p. 1696.)

Asked Public Service Comm. for permission to issue $1,500,000 stock and $1,500,000 1st M. 5% bonds, but on March 10 1914 the P. S. Comm. authorized only $765,000 capital stock and recommended the issue of $807,000 bonds at 85. No stock outstanding; only $20,000 subscription stock. Action on the bond issue was deferred until the company should have filed its proposed mtge. for an auth. amount of $10,000,000, of which the co. proposed presently to issue said $1,500,000 with the permission of the P. S. Comm. V. 96, p. 790; V. 98, p. 523.

Fares.—On Sept. 10 1918 Judge Chatfield in the Federal Court at Brooklyn, N. Y., refused to recognize the receiver's claim for a 7-cent fare. V. 107, p. 1101. On Oct. 15 1919 Justice Edward R. Finch granted an alternative writ to Corporation Counsel Burr prohibiting P. S. Commissioner Nixon from taking any action on the application of the receivers for an increase in fares. V. 109, p. 1527; see also V. 109, p. 1366. On Jan. 23 1920 this action was upheld by the Appellate Division of the Supreme Court. V. 110, p. 465. On Sept. 18 1920 the co. notified the P. S. Comm. that it would resume operation on lines which had been closed down about 4 weeks previous (the co. alleging the revenue derived from the 5-cent fare to be insufficient), at a 5-cent fare. The co. applied to the Comm., however, for auth. to increase fares from 5 cents to 13 cents. V. 111, p. 1278. In Dec. 1920 the company was auth. by P. S. Commissioner Barrett to divide its line into two zones and to charge a 5 cent fare in each. V. 111, p. 2423. For results under two-zone system see V. 113, p. 628.

The line has been completed and cars are in operation to the intersection of Sutphin Road and Lambertville Ave. in Queens. An additional 3.3 miles of road from this point to Central Ave. and Springfield Road was to have been completed by Aug. 23 1917, but owing to war conditions, an extension of time was granted by the Board of Estimate of N. Court for the Eastern Dist. granted a permanent injunction restraining the city from forfeiting the contract of the co. for failure to complete this line. V. 106, p. 2450. On Feb. 27 1920 the U. S. LOUISVILLE, KY.

LOUISVILLE RAILWAY CO.

ORGANIZATION.—Incorp. in Kentucky on Jan. 22 1867 and owns all the street railways in the City of Louisville and its suburbs. *Franchise* are partly for 99 years from 1886 and partly perpetual.

On Oct. 20 1917 the company filed amended articles of incorporation increasing its auth. pref. stock from $2,500,000 to $3,500,000 and its com. stock from $5,500,000 to $8,500,000, in connection with the dissolution of the Louisville Traction Co.

The Louisville & Interurban RR. has been organized in the interest of the Louisville Ry. to construct a system of urban and interurban lines. No securities have been issued except $4,000,000 stock (increased to that amount in February 1913) to Louisville Ry. Co. In Jan. 1911 Louisville & Interurban RR. acquired the Louisville & Eastern RR. (all of whose bonds, construction notes, receivers' certificates, &c., and about all the stock, was owned by Louisville & Interurban), sold at foreclosure on Jan. 3 1911 V. 92, p. 59, 262.

Dissolution of Holding Co.—On Nov. 22 1917 the Louisville *Traction* Co., which owned all the stock of the *Railway* company, was dissolved in order to reduce Federal and State taxes. Preferred stockholders exchanged their stock for Louisville Ry. pref. stock on a share-for-share basis; holders of common stock received seven-tenths of Railway common for each share of Traction common.

Fares, &c.—On July 1 1918 the Louisville & Interurban RR. increased fares on all suburban lines to about 2½ cents per mile. V. 107, p. 402. On Oct. 7 1920 these rates were further increased to 3 cents per mile. V. 111, p. 1661. In Jan. 1921 the Louisville General Council denied the co. auth. to increase fares from 5 cents to 7 cents. V. 112, p. 162. The co. however, obtained a temporary injunction enjoining the city from interfering with the collection of higher fares. The co. thereupon raised fares from 5 to 7 cents effective Feb. 21 1921. V. 112, p. 849, 933. Rebate slips are now being issued under order of the U. S. Circuit Court. V. 112, p. 1283. See also V. 112, p. 1741, 2642; V. 113, p. 533, 848. In May 1922 the U. S. Circuit Court of Appeals handed down a decision upholding an injunction issued by U. S. Dist. Judge Walter Evans restraining the city of Louisville from enforcing a 5-cent fare ordinance and restraining the city from interference with the collection of a 7-cent fare. V. 114, p. 2116; V. 115, p. 436.

New Ordinance Proposed.—On Aug. 25 1922 the Mayor signed, and on Sept. 11 1922 the stockholders approved, an ordinance providing for a 7-cent cash fare and a 6-cent ticket fare. V. 115, p. 1210, 1532.

Report of Committee Proposing Service-at-Cost Plan.—V. 111, p. 188. See also V. 111, p. 692, 1083, 1278.

Leases the plant of the Wisconsin Electric Power Co. and guarantees payment of principal and interest on that company's 1st mtge. bonds. V. 111, p. 1566. In Aug. 1920 the Milwaukee Power Co. was incorporated to finance the company's new power plant at St. Francis. The Power Co. has a nominal capital of $2,000,000 and was organized so that bonds could be issued with the St. Francis plant as security. V. 111, p. 1083. On Oct. 6 1920 name of power company was changed to Wisconsin Electric Power Co. In 1922 acquired control of Milwaukee Northern Ry.

The railway franchises and the electric-light and power franchises are unlimited in time.

Valuation.—In Sept. 1917 the Wisc. RR. Comm. submitted its report on the valuation of the physical properties of the Milwaukee Elec. Ry. & Lt. Co. and Milwaukee Lt., Ht. & Trac. Co. showing a reproduction cost for both properties as of Jan. 1 1914 of $37,319,297. V. 105, p. 1309. On the basis of the valuation of Jan. 1 1914, plus subsequent capital expenditures, the estimated reproduction cost of the companies as of July 31 1922 was $58,151,281 (exclusive of $2,545,266 of materials and supplies on hand). V. 112, p. 2083.

Fare Increase.—In June 1918 the Wis. RR. Comm. auth. the co. to charge a straight 5-cent fare, eliminating the sale of tickets at 6 for 25 cents and 25 for $1. V. 106, p. 2450. In July 1918 was further auth. to increase interurban fares from 2½ cents to 3 cents per mile and suburban fares from 30 tickets for 50 cents to 30 tickets for 60 cents. V. 107, p. 82. On Oct. 30 1919 the Wisc. R. R. Comm. reaffirmed the principles of the zone fare system. The Comm. auth. an increase in the single fare area from 5 to 7 cents cash and the sale of 18 tickets for $1 and 6 tickets for 35 cents. The order was tentative and charge intended to be varied upward or downward to whatever extent necessary to enable the co. to earn 7½% return on its railway utility investment. Zone fares were increased from 2 cents per mile to 3 cents. Interurban passenger rates were also increased as a result of this order. V. 109, p. 1793. In Jan. 1920 Judge E. Ray Stevens of the Dane County Circuit Court ordered the Wisc. R. R. Comm. to reconsider the above order. V. 110, p. 261. Effective Feb. 3 1920 the Comm. ordered the co. to sell 9 tickets for 50 cents. Effective June 27 1920 the co. was auth. by the Wisc. RR. Comm. to reduce the number of tickets sold for 50 cents from 9 to 8 and to abolish the sale of 6 tickets for 35 cents. V. 111, p. 189. See also V. 114, p. 2116.

Service-at-Cost.—On Apr. 4 1921 the Milwaukee City Council approved a bill to be introduced in the State Legislature, authorizing the city to enter into a service-at-cost agreement with the co. V. 112, p. 1741. The bill was passed and has been signed by the Governor. V. 113, p. 533, 848. A joint committee has been formed to negotiate a service-at-cost franchise with the city.

In April 1920 the company brought out $2,000,000 3-yr. 7% secured notes to refund a like amount of 2 year notes due May 1 1920. V. 110, p. 1749.

In May 1921 the stockholders auth. the creation of $15,500,000 pref. stock "Issue of 1921" and made the outstanding 6% non-cum. pref. stock cumulative. V. 112, p. 2414. Compare V. 112, p. 1978. $3,000,000 of the new pref. stock of 8% series was offered to stockholders of record June 15 1921 at par. V. 112, p. 2537; V. 113, p. 417. ($1,000,000 stock, increased to $3,000,000 in Jan. 1911; debt limit was also increased to $10,000,000; V. 92, p. 187). The Minnetonka & White Bear Navigation Co. ($250,000 stock) and The Rapid Transit Real Estate Corp., $15,000 stock, and to re-arrange matters so that the suburban lines, the steamer lines and the hotels, parks, &c., of the company might be handled separately for taxation and accounting purposes.** V. 90, p. 850.

Franchise and Fares.—The horse car franchise granted to the St. P. City Ry. Co. by the City of St. Paul is without limit. The ordinance to use electricity expires partly in 1937 and partly in 1939. The Minneapolis Street Ry. franchise is claimed by city officials to expire in 1923. V. 108, p. 380, 683. In 1921, however, the companies surrendered the existing franchises and now operate under indeterminate permits. V. 112, p. 1979, 2191, 2538. In Oct. 1921 an ordinance was introduced in the Minneapolis City Council advocating a 5-cent fare, despite this change which places the question of fares in the hands of the State Commission. V. 113, p. 1676. V. 115, p. 546.

Valuation of Minneapolis Street Ry.—For reports on valuation of property in connection with franchise matters, see V. 105, p. 1523, 2185; V. 106 p. 716; V. 108, p. 380, 683; V. 114, p. 1892.

Valuation of St. Paul City Ry.—For detailed valuation of this property, see V. 112, p. 258.

Debt Limit of Minneapolis Street Ry. Removed.—See V. 112, p. 1866.

Cost of Service Franchise—Fares, &c.—After various proposals and counter-proposals had been made, the Minneapolis Street Ry. Co. on June 7 1919 accepted the offer of the City Council of a 25-year cost-of-service franchise based on a valuation of $24,000,000. However, the franchise, which provided for a return of 7% on the above valuation, was defeated by the voters at a special election held Dec. 9 1919. V. 109, p. 2254. Compare V. 108, p. 2242, 2331, 2529; V. 109, p. 477, 1081, 1274, 1527, 2172.

On May 4 1920, the people of St. Paul voted in favor of a sliding scale of fares with a maximum rate of 7 cents per passenger. The rate fixing power is vested in the City Council, but fares were not to be raised above the old 5-cent rate until the co. furnished the service provided for in the ordinance. V. 110, p. 2193. This the co. could not do. But on Sept. 13 1920 a new ordinance became effective providing for a 6-cent fare. V. 111, p. 897. Effective Sept. 1 1921, the Minnesota RR. & Warehouse Comm. auth. the companies to raise cash fares in Minneapolis and St. Paul from 6 to 7 cents, with 4 tickets for 25 cents, but these increases were suspended Sept. 3 1921 by court order pending final determination. V. 113, p. 536, 1054, 1157, 2081 V. 114 p. 199, 523. This case was still in court in Oct. 1922, pending valuation of the property.

In Jan. 1921 the company raised fares on its Stillwater lines from 5 cents to 6 cents. V. 112, p. 470.

Fare Decision.—For decision upholding Act providing for regulation of rates based on valuation see V. 114, p. 1892.

The $5,000,000 1st cons. mtge. 5% bonds of the Minneapolis St. Ry. Co. originally due Jan. 15 1919, were extended for three years to Jan. 15 1922 at 7% and again to Jan. 15 1925 at the same rate of int., but in the latter case, a payment of $10 for each bond extended was made. V. 113, p. 1983.

In addition the co. owns and has pledged under its 1st ref. mtge. the following bonds of the above cos.:

The controlled properties serve practically the entire central and eastern portions of Tennessee, extending nearly 200 miles from east to west and 100 miles from north to south, with an estimated population of over 450,000.

The consummation of the plan for the consolidation of these properties permitted the payment of $3,561,000 of maturing obligations of the Tenn. Ry., Lt. & Pow. Co. and approx. $2,515,907 of maturing obligations of the subsidiary properties.

Suits Against Merger.—Two suits have been filed alleging that the recent consolidation was in violation of the State's Anti-Trust Law. V. 115, p. 309, 989. A temporary injunction was obtained but this has been modified to permit the co. to perform its corporate business until a final decree has been rendered. V. 115, p. 1430.

Co. and North Hudson Co. Ry. Co. United Street Ry. Co. of Central Jersey was a consolidation in July 1907 of Elizabeth Plainfield & Central Jersey Ry. Co. (which was chartered in 1900 as a consolidation of Plainfield St. Ry. Co. and other companies) and Elizabeth & Raritan River Street Ry. Co. (which was a consolidation on April 30 1904 of Middlesex & Somerset Traction Co. and East Jersey Street Ry. Co. which latter company had previously absorbed Raritan Traction Co., Perth Amboy RR. Co. and East Jersey Traction Co.)

Newark Terminal.—On Dec. 28 1915 stockholders ratified the merger (approved by the Board of P.U.Comm.) of the Public Service Ry. and the Public Service Newark Terminal Ry. under the name of the former through an exchange of stock, share for share, effective Jan. 1916. The Terminal Ry. Co. was incorporated in April 1913 to construct an office and terminal building and approaches in the heart of the business section of Newark. (For description of property see V. 100, p. 2011.) The entire property is leased for 50 years from date of occupancy to the Public Service Ry. Co. (with which the co. was subsequently merged). Public Service Gas Co. and Public Service Elec. Co. for a rental not less than a sum sufficient to pay the taxes, water rates, maintenance and interest and sinking fund requirements on the 1st M. bonds. The terminal was opened for street railway operation on April 30 1916; offices occupied in July 1916.

In addition to above, Public Service Ry. leases Consolidated Traction Co., South Orange & Maplewood Traction Co., Bergen Turnpike Co., Orange & Passaic Valley Ry. Co., Camden & Suburban Ry. Co., Camden Gloucester & Woodbury Ry. Co., New Jersey & Hudson River Ry. & Ferry Co. and Riverside Traction Co., which companies see below. Also owns all stock of People's Elevating Co.

Completed in 1912 a terminal station at Sip Ave., Jersey City, connecting with the Penn. RR. station and also with the tunnel station there.

A terminal station at Hoboken connecting with the D. L. & W. RR. station and also with tunnels terminating there was completed in May 1910.

Sale of Bergen Turnpike.—See Bergen Turnpike Co. below.

Fares.—On July 10 1918 the N. J. P. U. Comm. turned down the co.'s application for auth. to increase fares from 5 to 7 cents and to charge 2 cents additional for transfers issued on cash fares, and 1 cent for each transfer issued on a transfer, but auth. the co. to collect a war surcharge of 1 cent, effective Aug. 1 1918, on initial transfers. V. 107, p. 182, 402. Compare V. 106, p. 1037, 1315, 1462. The company was required to submit a plan for an equitable zone system, which was done in March 1919. On Aug. 6 1918 another application for authority to charge 7 cents on all lines was made to the New Jersey P. U. Comm., the company claiming that the wage award by the War Labor Board (V. 107, p. 502) necessitated such an increase. V. 107, p. 604, 803. This time the P. U. Comm. granted the petition upon the recommendation of the War Labor Board, effective Oct. 15 1918. On Oct. 18 1918 Justice Swayze in the New Jersey Supreme Court filed an opinion affirming the Commission's order increasing fares as above. V. 107, p. 1589. On Nov. 25 1918 the decision was sustained by the Court of Errors and Appeals at Trenton, N. J. V. 107, p. 2098; V. 108, p. 974. The 7-cent fare remained in effect until March 31 1919, after which a 6-cent fare was to be charged, until the New Jersey P. U. Comm. gave orders to the contrary. The war surcharge on transfers noted above continued to remain in effect. V. 107, p. 1288. The New Jersey P. U. Comm., reversing its decision of March 26 1919 (V. 108, p. 1391), ordered the 7-cent fare restored on May 4 1919. On Aug. 1 1919 the New Jersey P. U. Comm. auth. the co. to put into effect on Sept. 14 1919 a zone system, under which the charge was 3 cents for the first zone mile and 2 cents for each additional zone mile; no transfer privileges. V. 109, p. 477. This rate being unsuccessful, was modified to 5 cents for the first two zones, one cent for each succeeding zone and one cent transfer, effective Nov. 16 1918. The zone system having proven unprofitable the company on Dec. 7 1919 (by order of the P. U. Comm.) went back to the 7-cent fare with a 1 cent charge for transfers. V. 109, p. 2172, 2263. In Dec. 1920 the co. applied for auth. to increase fares to 10 cents, with free transfers effective Jan. 1 1921. V. 111, p. 2325. The P. U. Comm., however, first suspended (V. 111, p. 2325; V. 112, p. 1399) and then denied the proposed increase. V. 112, p. 2191. The Comm. auth., however, an increase in the charge for transfers from 1 cent to 2 cents, effective Aug. 4 1921. V. 113, p. 293, 629. The N. J. Supreme Court has referred the co.'s application for a 10-cent fare back to the Comm. but the Comm. has appealed from this order. V. 113, p. 293. Federal Judge Rellstab on Aug. 9 issued a temporary order auth. the co. to charge an 8-cent fare and 2 cents for transfers, but the following day rescinded said order. V. 113, p. 732. On Oct. 12 1921, however, an interlocutory injunction was handed down in Trenton by the Special Federal Statutory Court designated to hear the co.'s plea for greater revenue, under which the co. is allowed to charge an 8-cent fare, with a special rate of 4 tickets for 30 cents, and an initial transfer charge of 1 cent, which rates were placed in effect Oct. 20 1921. For full details see V. 113, p. 1675, 1773, 2186.

Fare Decision.—See V. 110, p. 971.

Discontinued Lines.—In April 1922 the co. was auth. to abandon its tracks between Benner's Corner and Amboy Ave., Metuchen, and in July 1922 the N. J. P. U. Comm. approved the discontinuance of the Washington St. line in Hoboken, N. J. V. 114, p. 1891; V. 115, p. 437.

In Dec. 1917 the N. J. P. U. Comm. auth. the co. to issue $1,250,000 stock at par, proceeds to be used for developments, &c. Up to Oct. 1 1922, this had not been issued.

Valuation.—For summary of valuation by Ford, Bacon & Davis, engineers, N. Y., fixing reproduction cost as of Jan. 1 1921 at $125,000,000, see V. 112, p. 1742. Compare V. 112, p. 1867; V. 113, p. 293, 418. Compare appraisal of $170,000,000 by Prof. Henry C. Anderson in V. 114, p. 1409.

NEW HAVEN, CONN.

NEW YORK NEW HAVEN & HARTFORD RY. (Trolley lines.)

The New York New Haven & Hartford's interests in trolley lines have been very extensive, but under an agreement reached with the U. S. Govt. in 1914 the company has pledged itself to dispose of the same.

*The trolley companies owned by the N. Y. N. H. & H., which are now to be disposed of under the decree of the Federal Court, are as follows:

Berkshire Street Ry.	The Vermont Co.
Connecticut Co.	Westchester Street RR.
New York & Stamford Ry.	Shore Line Electric RR. of N. Y.
The Housick Falls RR. Co.	

* The Rhode Island Co. was originally included in this list, but the stock of that co. was sold on Sept. 3 1920 at public auction—see that company on subsequent page.

The N. Y. N. H. & H. also owns $4,984,938 of the $5,005,250 stock of the N. Y. Westchester & Boston Ry., an electric road, which it is under no obligation to dispose of and which will be developed as part of the New Haven system.—V. 99, p. 270, 604, 1125, 1210; V. 100, p. 642; V. 104, p. 2010.

CONNECTICUT COMPANY.

Control Passes to Trustees.—On Oct. 27 1914 the $40,000,000 capital stock of this co. held by New England Navigation Co. was transferred to five trustees, pursuant to the requirements of the U. S. Dept. of Justice. V. 99, p. 1451. The New Haven Co. has bound itself to sell the stock, and the trustees were to use their best endeavor to complete the sale before July 1 1919, but in March 1919 Judge Julius M. Mayer granted an extension of time until July 1 1921. V. 108, p. 1275. In April 1921 the time was again extended by order of the Federal Court, to July 1 1922. V. 112, p. 1616. In March 1922 the court further extended the time to April 1 1923. The trustees are: Judge Walter C. Noyes of New London, Leonard M. Daggett of New Haven, Charles Cheney of South Manchester, Morgan B. Brainard of Hartford, and Chas. G. Sanford of Bridgeport. See remarks under N. Y. N. H. & H. RR. Co. above and V. 98, p. 1000, 1245.

This is the company which operates the trolley lines in Connecticut controlled by the N. Y. N. H. & H. and which formerly were comprised in the Consolidated Railway Co.

Return of Line to N. Y. N. H. & H. R. RR. Suggested.—See V. 112, p. 1977.

ORGANIZATION.—Incorp. in Connecticut. Entire $40,000,000 stock and $1,000,000 debentures owned by New Haven Co. June 1 1907 began operating the lines comprising the Consolidated Railway (merged in 1907 in the New York New Haven & Hartford); February 28 1910 purchased substantially all the various street railway properties of the N. Y. New Haven & Hartford in Connecticut.

On March 1 1910 all the gas, water and electric-light properties formerly operated by the Connecticut Co., but owned or leased by N. Y. N. H. & H. RR. Co., were transferred to the Housatonic Power Co., which company increased its stock from $1,000,000 to $3,000,000, to pay for the acquisitions. On Jan. 1 1912, however, the gas-distribution lines of the Housatonic Power Co. and also the lines supplying electricity (not the power plants) in Waterbury, New Britain, Greenwich, Norwalk and Naugatuck were taken over under a sub-lease for 994 years dated Oct. 1 1911 by the United Elec. Lt. & Water Co. V. 94, p. 71; V. 93, p. 1669.

Lease.—The Connecticut Co. owns and had leased to the Shore Line Elec. Ry. 89.92 miles of track in New London, Willimantic, Danielson and Putnam. But this lease was annulled by order of the court in Jan. 1920. V. 110, p. 167. The Shore Line Electric Ry. however continued to operate these lines until April 1920 when the Connecticut Co. took over the operation of the lines. See "Chronicle" of April 24 1920.

Fares.—On Oct. 15 1920 the co. placed a 10-cent cash fare in effect on the New London city lines. V. 111, p. 1471. On Dec. 3 1920, the Comm. denied the petition of the city of New London for lower fares. V. 111, p. 2323. On Nov. 1 1920 the co. was auth. by the Comm. P. U. Conn. to charge a flat 10-cent cash fare with fare limits based upon the original 5-cent fare areas with free transfers. For further details see V. 111, p. 1751. The city of Hartford asked for a reduction in these rates but this was denied by the Commission on Dec. 3 1920. V. 111, p. 2323. This schedule supersedes a zone system for details of which, see this section of Oct. 30 1920. Fares in Bridgeport and Norwalk, in Nov. 1921 were reduced to 5 cents with no transfers within city limits. Outside city and throughout rest of State, 10-cent cash fare or three "tokens" for 25 cents. V. 113, p. 1982, 2311; V. 115, p. 542; V. 114, p. 305.

Jitneys Restricted.—See V. 111, p. 1082, 1277, 1369, 1566, 2040; V. 112, p. 2447; V. 113, p. 531, 729, 1052, 1250.

Company Authorized to Run Buses.—See V. 112, p. 1642; V. 113, p. 416, 531.

Rate Increase.—In Oct. 1918 was auth. by the Mass. P. S. Comm. to increase freight rates. V. 107, p. 1384. On Sept. 29 1920 the co. was auth. to increase freight rates 40%. V. 111, p. 1471.

Government Loan.—In Sept. 1918 obtained a loan through the United States Housing Corp. of approximately $1,350,000 to provide funds for construction tracks and purchase of rolling stock to provide transportation of munition workers in Bridgeport. V. 107, p. 1099. As of Apr. 1 1922 we were advised that this loan had been reduced to about $1,126,747.

Special Report to Legislature by P. U. Comm.—On Jan. 5 1921 the Conn. P. U. Comm. sent to the General Assembly a report of its inquiry into electric railway conditions under an act of the 1919 session. The report suggests the termination of control of the Connecticut Co. by Federal trustees and the return of the capital stock, propetry and corporate control to the owner or owners thereof. For detailed outline of the Commission's principal recommendations see V. 112, p. 256.

Favorable Legislation Enacted at 1921 Session of General Assembly.—See V. 112, p. 2747.

Bill Requiring Half of Annual Net Income to be Applied to Delinquent State Taxes.—See V. 112, p. 2189, for details. Compare V. 115, p. 542.

Supreme Court Decision.—Decision of State Supreme Court holding that the co. must protect holders of the Consolidated Railway Co.'s debenture will be found in V. 109, p. 581. See also V. 109, p. 1527, and V. 111, p. 990, under caption "N. Y. N. H. & H. RR."

y Or at the option of the holder of any Ser. B bonds of the old co. at a date fixed not later than date of confirmation of the sale of the properties, $55 prin. amount of 6% Income bonds, Ser. A, of the new co.; provided, however, that as to each 516 French francs prin. amount of Ser. B 5% bonds of the old co. so deposited with the 5% committee and assenting to this plan subsequent to the date of the confirmation of said sale, the 5% committee will deliver $55 prin. amount of 6% Income bonds, Ser. A, of the new co.

z The 7% committee may sell any remaining shares of Pref. stock received by it, after reserving sufficient thereof to make distribution to holders of 7% notes hereafter deposited with it, and out of such cash shall pay all expenses and compensation of the committee, &c. Any cash then remaining shall be distributed pro rata among the holders of 7% notes of the old co. deposited. If the committee shall not so sell the Pref. stock, it shall have the right to provide that before any part thereof shall be distributed each person to whom such distribution would be made shall pay to the committee a pro rata part of an amount sufficient to reimburse the committee for all expenses, &c.

The 7% committee, unless otherwise agreed, shall when the right to make deposits finally ceases, deliver to the new co. as its property all shares of 7% Pref. stock, together with all divs., if any, paid thereon, of the new co., which shall not have been distributed, to holders of the 7% notes of the old co. who shall assent to the plan.

a Any of the Pref. stock so delivered to the Chase National Bank, N. Y., and not by it distributed within one year after the confirmation of the sale to the holders of unsecured debt, shall be delivered by it to the new co., together with all divs., if any, paid thereon, to the bank, unless otherwise directed, whereupon the bank shall be discharged from all liability with respect thereto.

Treatment of $958,000 *Old* 4½s *Now Deposited as Collateral for* 5s.—$958,000 4½% bonds of the old co., together with certain cash for accumulated int. thereon, are held as collateral security by the trustee under the mortgage securing the 5% bonds of the old co. The 5% committee will cause someone on its behalf to bid at the foreclosure sale of the properties of the old co. for said $958,000 4½% bonds. [Bid in Aug. 17 1922 by Chas. K. Bealmum, N. Y., for $620,000.—V. 115, p. 869.] The 5% committee will immediately, upon delivery of the $958,000 4½% bonds, cause the same to be deposited with the 4½% committee, and the 4½% committee shall receive the bonds and issue certificates of deposit therefor and make distribution with respect thereto on the basis provided above with respect to 4½% bonds.

The 5% committee may use any securities deposited with it in paying the purchase price for the $958,000 4½s, and it may borrow any money for any purpose in connection with such purchase, and to secure the payment of the same it may pledge any securities and certificates of deposit at any time in its possession.

The 5% committee may sell all or any of the Gen. Lien 4½s received from the 4½% committee, or any of the 6% Income bonds of the new co. received. From any cash received the 5% committee shall pay all debts, expenses and compensation of the committee, &c. All cash securities, if any, then remaining in the hands of the 5% committee (after reserving sufficient thereof to make the distribution to the holders of 5% bonds of the old co. thereafter deposited with the 5% committee) shall be distributed pro rata among the holders of Ser. A and Ser. B 5% bonds then deposited with the committee. For the purpose of ascertaining what proportionate part of such cash and securities shall be paid or delivered to the holders of Ser. B 5s of the old co., which are payable in French francs, the value of such Ser. B bonds shall be computed in U. S. dollars on the basis of the rate of exchange (as determined under the plan).

The 5% committee, unless otherwise agreed, shall on the date when the right to make deposits with the 5% committee ceases, deliver to the new co. as its property all Income bonds, Ser. A, and Ser. B, of the new co., with all coupons appertaining thereto duly attached, which shall not have been distributed.

Hecht, Chairman of the Board (and temporary Pres.); A. L. Kempster, V.-Pres. & Gen. Mgr.; H. A. Ferrandou, Treas.; J. H. DeGrange, Sec., and O. B. McCoard, Aud. V. 115, p. 1632. The directors of the new company have approved the sale of $12,000,000 5% first & ref. Mtge. bonds to the Electric Bond & Share Co. See V. 115, p. 1731, for details. Offering of these bonds, and other data pertaining to the new co. will be found in "Chronicle" of Oct. 28 1922. The New Orleans City RR. is leased until Dec. 31 1955 to the New Orleans Ry. & Lt. Co. for 5% on the pref. stock and ¼% until Jan. 1 1908 and 1% semi-annually thereafter on the common stock.

Proposed Consolidation.—On May 22 1916 the stockholders of the New Orleans Ry & Lt. Co. and the various controlled cos voted to consolidate under the same name and with the same capitalization as the present New Orleans Ry. & Light Co., but an injunction was secured by certain stockholders of the N. O. City RR. restraining the merger. On Aug. 1 1917 this injunction was dissolved by Judge Foster in the U. S. District Court at New Orleans. The Court, however, retained jurisdiction of the suit in order to pass upon the question as to whether the minority stockholders have been accorded proper treatment. V. 105, p. 819. It is planned to have the consolidated company own all the physical properties now operated and the stock of the New Orleans Gas Light Co., which for legal reasons cannot become party to the consolidation.

Franchises.—The N. O City RR Co. franchises expire from 1943 to 1962, except one expiring in 1918; the N. O. & Carrollton franchises expire in 1933; the St. Charles St. RR. franchises expire in 1956 and the Orleans RR. Co. franchises expire in 1951. Gas franchise is perpetual and is exclusive until 1925. Electric light franchise is perpetual; under contract with city fixing rates, &c., entered into Dec. 1915 (V. 101, p. 2072) the city has the right to establish a municipal electric light plant after Dec 1925, but should it elect to do so it must take over all street installations made by the co. in the last 5 years at cost, less 5% per ann. for depreciation. V. 102, p. 1987.

On Oct. 27 1916 renewed contract with City of New Orleans for lighting for 10 years from completion of system provided therein

Extension of Notes.—In June 1918 holders of the $4,000,000 6% debentures due June 1 1918 were requested to exchange same on a $ for $ basis for new 1-year 7% notes due June 1 1919, but callable at 100 and int. on 30 days' notice. V. 106, p. 2649. The June and Dec. 1st 1919 int. on this issue had not been paid to April 1 1920. The principal which also became due on June 1 1919 was not paid nor were the notes extended but are being carried as a past due obligation. V. 109, p. 1462. The War Finance Corp. agreed to loan the co. $1,000,000 to reimburse the treasury for necessary capital expenditures paid for out of earnings conditioned upon the extension of the $4,000,000 debentures due June 1 1918. V. 107, p. 82. The int. on this loan is paid regularly. The principal was due on June 1 1919, but the War Finance Corp. did not press payment of same at that time. As of Aug. 1922, the total debt had been paid. V. 115, p. 988.

Interest Payments.—The July 1 1919 coupon on the co's gen. mtge. 4½% bonds was paid in Sept. 1919 with int. for 3 mos. and the Jan. 1 1920 coupon together with int. for 3 mos. in Mar. 1920. The receiver having announced that advantage would have to be taken of the period of grace allowed for the payment of the July 1 1920 int. on the gen. mtge. 4½% the bondholders' committee named below offered to advance the payment due upon such bonds as had been deposited with it. V. 111, p. 189. This int. was paid by the receiver, however, on Sept. 28 1920. V. 111, p. 1370, 1566. Interest due Jan. 1 1921 on these bonds was paid March 31 1921. V. 112, p. 1399. The int. due July 1 1921 paid Sept. 30 1921.—V. 113, p. 1471. Compare V. 113, p. 71. Jan. 1 1922 coupon in default. See statement by protective committee in V. 114, p. 1534. The int. on all underlying companies' bonds was at last accounts being paid promptly on date due. Past due int. on the ref. & gen. lien 5s unpaid to Oct. 1 1920.

The following committee of bondholders has been formed and has called for deposits. The bonds included in the committee's call for deposits are as follows: New Orl. Ry. & Lt. Co. gen. Rates.—On Oct. 8 1918 an ordinance was passed by the Commission Council of New Orleans providing for a 6-cent fare and a 30% increase in gas and electric rates, effective Oct. 10 1918. Proceeds of these advances are to be applied to the repayment of a Government loan of $1,000,000 to the company. V. 107, p. 1579. Compare V. 107, p. 1482. On Nov. 25 1918 Judge H. G. Cage of the Civil District Court at New Orleans upheld the legality of this ordinance. In Dec. 1918 the Board of Public Utilities ordered the old rates restored. The purpose of the Board being to determine its own power and authority in the regulation of public service corporations operating in New Orleans (V. 107, p. 2476). In Jan. 1919 Judge King in the Civil District Court at New Orleans refused to grant an injunction preventing the company from charging the increased rates, and held that the Act creating the Board was unconstitutional and in May 1919 this decision was affirmed by the Louisiana Supreme Court. V. 108, p. 2023. See also V. 114, p. 1408.

Fares—Valuation, &c.—For report of special masters investigating the trolley problem, placing a valuation of $41,500,000 on the railway property and recommending an 8-cent fare, service-at-cost, &c., see V. 111, p. 1370, but compare V. 111, p. 1472, 1566; V. 112, p. 470. Valuation by F. W. Ballard in Aug. 1921 will be found in V. 113, p. 1053. Compare V. 113, p. 533. On Oct. 21 1920 the company began charging an 8-cent fare, which rate was to continue in effect for 6 months under the terms of a new ordinance. V. 111, p. 1661. On April 11 1921 the Commission Council adopted an ordinance giving the receiver the right to charge a 7½-cent fare beginning April 21 1921. The Court, however, has authorized the receiver to reject this ordinance and has granted the co. a temporary injunction restraining the Council from interfering with the collection of the 8-cent fare. V. 112, p. 1866; V. 113, p. 2373. Compare V. 112, p. 1741. Fares were reduced to 7 cents effective Sept. 27 1922. See V. 115, p. 1632 for details.

City's Offer for Gas Plant Rejected.—In Feb. 1920 the New Orleans Gas Light Co. rejected the city's offer of $5,250,000 for its plant and mains. V. 110 p 871 Compare V 110, p 261 and valuation in V 111 p 74

Receiver's Certifs.—In June 1922 the receiver was auth. to issue $1,200,000 7% receiver's certifs. dated June 1 1922 and maturing in 6 mos., to pay for the installation of a 20,000 k. w. generator unit. V. 114, p. 2718.

AMERICAN CITIES COMPANY.—A holding company.

ORGANIZATION.—Incorporated in New Jersey on June 19 1911 to take over the entire stock holdings of the American Cities Ry. & Light Co. and at least two-thirds of the common and preferred stocks of the New Orleans Ry. & Light Co., per plan in V. 92, p. 1373, 1434. The United Gas & Elec. Corp. in 1913 purchased a majority of the com. stock of the American Cities Co. For terms, see United Gas & Elec. Corp. under "New York" and V 97 p 597, 952, 1202.

Reorganization Plan, &c.—In Jan. 1922 it was announced that the committee (see below) for the 5-6% coll. trust bonds had approved and adopted a plan for the reorganization of the co. The plan provides for the formation of a new co. (National Power & Light Co., organized in N. J.) to be under the management of the Electric Bond & Share Co. The committee on Feb. 23 1922 purchased at public auction the securities pledged under the 5-6% coll. trust bonds (V. 114, p. 518). The petition of certain New Orleans pref. stockholders opposing the plan (V. 114, p. 736) for an injunction to prevent the sale was dismissed by Judge Porter Parker in the Civil District Court at New Orleans on Feb. 22 1922. V. 114, p. 946. It is proposed to transfer to the National Power & Light Co. the securities so acquired by the committee, together with certain securities to be acquired from the Chase Nat. Bank, in exchange for certain securities of the New Orleans Ry. & Light Co. held by the committee. The latter co. is not included in the plan. Thus there will be transferred to the new co. the following securities:

(*a*) 20,000 shares capital stock of Houston Lighting & Power Co., 100%. (*b*) 6,015 shares 6% cum. pref. stock and (*c*) 16,175 shares com. stock Little Rock Ry. & Elec. Co., provided that if said company is in receivership or in dissolution at the time of transfer the committee may transfer such rights as pertain in dissolution to said shares. (*d*) 20,500 shares capital stock of Knoxville Ry. & Light Co. (*e*) Such rights as may pertain in dissolution to the 22,303 shares of the pref. stock and the 21,760 shares of the com. stock of Memphis Street Ry. so acquired by the committee. (*f*) Such rights as may pertain in dissolution to the 27,774 shares of pref. stock and 34,954 shares of the com. stock of Birmingham Ry., Light & Power Co. so acquired by the committee. (*g*) All indebtedness of and claims against any and all of said companies and American Cities Co., owned by this committee or to which it is entitled. (*h*) All the 5-6% coll. trust gold bonds of American Cities Co. deposited with the committee stamped to show the payments thereon. (*i*) All or such other assets and rights of the committee as the committee may determine and on such terms as the committee may determine.

Securities to be Issued by Nat. Pow. & Lt. Co. in Consideration of Above Secur's.

(*a*) 18,750 shares of the cum. pref. stock. (*b*) $4,125,000 50-year 7% income bonds dated Jan. 1 1922, with Central Union Trust Co. of N. Y. (*c*) 26,250 shares of its com. stock. (*d*) Its agreement to offer, on such terms and conditions as the committee may approve, to the holders of the pref. stock of American Cities Co. the right to purchase for each full 20 shares of said pref. stock held by them $100 50-year 7% income bonds of new co. with 7 shares of common stock for $242 50, plus interest on the income bond from Jan. 1 1922. Holders of record May 16 1922 of American Cities Co. pref. stock were given the right to purchase for $242 50 in cash for each full 20 shares of pref. stock held, 7 shares of com. and $100 of 50-yr. 7% income bonds of the National Power & Light Co. V. 114, p. 2115.

Under the plan depositing holders of the American Cities 5-6% coll. trust bonds will receive the following securities of the National Power & Light Co.: (1) 55% of the principal amount of their bonds in 50-year 7% income bonds; (2) 25% thereof in cum. pref. stock, and (3) 35% thereof in com. stock of National Power & Light Co. (said shares being treated as having a $100 par value for the purpose of applying these percentages).

The plan contemplates the acquisition of the Memphis Gas & Elec. Co., which is in default on certain motrgages. The new co. has therefore contracted to buy the bonds secured by the mortgages now in default and being foreclosed on the properties of Memphis Gas & Electric Co., provided it can so purchase not less than 85% of each senior issue, and, for the bonds so purchased, it will pay 55% of the principal amount thereof in the new co.'s 50-year 7% income bonds, 25% thereof in the pref. stock and 25% in the com. stock of the new co. (such stock being treated as of $100 par for the purpose of applying these percentages). It reserves the right to buy on these terms bonds deposited even if less than 85% of the entire issues. Its contract also covers the purchase for cash of notes secured by bonds issued under the junior mortgage on these properties now being foreclosed. The Electric Bond & Share Co. and Isadore Newman & Son (succeeded by Newman, Saunders & Co., Inc.) have agreed to provide funds for the purchase of such bonds as are not exchanged in accordance with above terms

For detailed outline of plan and description of securities of new co. see V 114, p. 76. See also V. 115, p. 758.

NEW YORK RAILWAYS CO.—Underground trolley.

The Interborough Consolidated Corp. owns $15,054,600 of the stock.

Receivership.—On March 20 1919 Judge Mayer in the U. S. District Court appointed Job E. Hedges temporary receiver for the company, upon application by the American Brake Shoe Co., holder of an overdue claim for $36,806. On March 31 1919 the receivership was made permanent. V. 108, p. 1391. Compare V. 108, p. 1165. On April 21 1919 Judge Mayer in the U. S. District Court denied the applications of the Eighth and Ninth Ave. RR. Cos. for an order directing the receiver to turn back the properties to the lessor companies. Judge Mayer also refused to order the receiver to pay the rentals due the complaining companies. V. 108, p. 1721. On July 15 1919, however, Judge Mayer issued a formal order separating the *Eighth* Ave. RR. from the receivership of the New York Railways Co. The order instructed the receiver and the Eighth Ave. RR. Co. to make an agreement that, as long as Commissioner Nixon's two-cent transfer order (see below) exists, fares shall be the same as if the separation had not been made. If, however, the order is contested, the Eighth Ave. line is to be considered absolutely independent and no transfers will be given. V 109 p. 270. [This order was modified on Sept. 26 1919, and, effective Oct. 1 1919, all transfers between the Eighth Ave. RR. and the New York Rys. Co. were discontinued.—Ed.] Compare V. 109, p. 1079. On Sept. 11 1919 Judge Mayer resolved to return the *Ninth* Ave. RR. to its owners. V. 109, p. 1080. Effective Jan. 31 1920, Judge Julius M. Mayer ordered the Fourth & Madison Ave. Line, which had been leased to the company, returned to its parent company, the New York & Harlem RR. V. 110, p. 360. The 1st real estate and refunding bondholders have asked the receiver to surrender four more leases, viz., B'way & 7th Ave., Sixth Ave., Christopher & 10th St. and Bleecker St. & Fulton Ferry. Hearing on this question has been set for May 2 1921. V. 112, p. 1144.

On Sept. 27 1920 the co. was in default of the following interest. We give in each case the earliest coupon in default:

Due April 1 1919.	*Due March 1 1920.*
*South Ferry 1st M. 5s.	Lex. Ave. & Pav. Fy. RR. 1st M. 5s.
Due July 1 1919.	Columbus & Ninth Ave. 1st M. 5s.
New York Rys. 1st R. E. & Ref. M. 4s.	
New York Rys. 4% conv. scrip.	

x Principal of $350,000 also past due.

The co. is also in default of the payment of the following and subsequent rentals (either in the form of dividend rental or fixed rental):

Due Jan 1 1919.	*Due May 1 1919.*
Bleecker St. & Fulton Ferry RR.	42d St. & Grand St. Ferry RR.
Broadway & Seventh Ave. RR.	23d St. Railway Co.
Due April 1 1919.	
Christopher & 10th St. RR.	
Sixth Ave. RR.	

The co. for a time was in default of rentals due on the Eighth Ave. RR., the Ninth Ave. RR. and the N. Y. & Harlem RR. but these co.'s have been dropped from the system as elsewhere noted.

On Sept. 11 1919 Judge Mayer auth. the receiver to cease operation for the present of the following lines: (a) Avenue C line, which runs from the East 23d St. ferry to the Desbrosses St. ferry via Avenue A, 17th and 18th Sts., Avenue C, 3d St., First Ave., Houston, Prince, Stanton, Washington, Greenwich and Watts Sts.; (b) Madison St. line from Grand St. ferry to Chambers St. ferry via Madison St., Chambers and Duane Sts.; (c) Sixth Ave. ferry line from Sixth Ave. and 3d St. to Desbrosses St. ferry via Varick, Carmine and Watts Sts. All of the lines except the last are owned by the company. The latter is owned by the Sixth Ave. RR., which is leased by the company. V. 109, p. 1080. These lines ceased to operate on Sept. 20 1919, and a bus system was installed over these routes by the city. On June 18 1920, however, an injunction was issued restraining the city and others from operating buses which parallel the co.'s lines. See V. 110 p. 2658 under "Rapid Transit in N. Y. City." The Delancey St. line was also abandoned at that time but service was restored on Feb 1 1920 by order of the Court. V. 110, p. 562. See also V. 111, p. 189. On Mar. 6 1920 ceased operating through cars over the Williamsburgh Bridge. Maintenance & Depreciation Reserve.—In Oct. 1919 Judge Mayer, in the U. S. Dist. Court ordered the receiver to set aside 38% of the gross transportation revenue as a maintenance and depreciation reserve, following the report (V. 110, p. 75) of Stone & Webster which stated that, under existing conditions it would take 37.4% of the revenue to go as far in the way of maintenance work as was done with 20% in 1914, the old figure V. 109, p. 1610.

Receiver's Reports.—The receiver has issued two reports which cover fully the status of the system. A resume of these will be found in the "Chronicle" under the following references: V. 111, p. 1766; V. 112, p. 1024, 1137.

On Nov. 9 1920 three parcels of real estate were sold at foreclosure in part satisfaction of the 1st real estate & ref. mtge., the aggregate price of the three parcels being $380,000. The real estate holdings comprising the properties located at 4th Ave., Lexington Ave. and 32nd Sts., on which the Court had placed an upset price of $2,500,000, also the property on Madison Ave. from 85th to 86th Streets, found no bidders and the sale has been adjourned from time to time. ORGANIZATION.—Incorporated on Dec. 29 1911, and at midnight on Dec. 31 1911 took over the lines of the old Metropolitan Street Ry. sold at foreclosure (V. 93, p. 1787) on Dec. 29 1911, per plan in V. 93, p. 1533 (formally approved by Public Service Commission on Jan. 24 1912). See V. 94, p. 977. The sale did not include the leases of the Central Park North & East River RR., 28th & 29th Sts., the Second Ave. RR. and Fulton St. RR. The latter road was abandoned in 1908 (V. 90, p. 1675).

In 1913-14 acquired a half-interest in the Bridge Operating Co., which, under an agreement with the city dated May 21 1904, operates local cars over the Williamsburgh Bridge. With the Third Avenue Railway and the Brooklyn Rapid Transit Co. controls the Brooklyn & North River RR., operating over Manhattan Bridge. (This line ceased operating on Oct. 4 1919).

On July 24 1918 purchased, with the P. S. Commission's approval, the property of the Central Crosstown RR. (incl. lease of the old Christopher & Tenth St. RR.) at foreclosure for $2,114,000. V. 107, p. 402, 501, 906.

On Nov. 30 1914 the Public Service Comm. authorized the company to purchase the $600,000 capital stock of the 23d Street Ry. at $350 per share and to issue first real estate & ref. 4s to pay for same. $507,500 of the stock has been so purchased. The authority was given on condition that the company shall provide for an amortization of 20% of the face value of the bonds, representing the discount on the bonds. Has acquired 8,536 shares of the stock of the Bleecker St. & Fulton Ferry RR. at $28 50 per sh.

Franchises.—Most of the franchises are perpetual. In Oct. 1917 the co. rejected a franchise drawn by the city permitting the operation of a line in W. 86th St. V. 105, p. 1618.

Proposed Consolidation, &c.—Statement by P. S. Commissioner Nixon on solution of the rapid transit problem in New York City is summarized under caption "Rapid Transit in N. Y. City," in V. 109, p. 578. See also V. 110, p. 971; V. 111, p. 589, under same caption.

Merger Plan, &c.—For plan of Transit Commission announced Sept. 30 1921. See V. 113, p. 1471.

Franchise Tax Decisions.—For decisions of Supreme Court Justices McCall and Davis, reducing the assessed valuation of the special franchises in 1910 and 1911 see V. 95, p. 1473.

Staten Island Transfers.—The arrangement made between the company and the city for free transfers at the Battery to and from the ferryboats and the cars of the New York Railways running to the Battery (see V. 99, p. 49) was passed in July 1914 by the Board of Estimate. No re-transfers permitted and of each nickel the city received 2 cents and the company 3 cents. The plan took effect Sept. 15 1914, but was terminated on Sept. 15 1919 by the receiver for the company, who was authorized to take such action by Federal Judge Mayer. V. 108, p. 2433; see also V. 109, p. 1180.

Fares—Transfer Charge Allowed.—On July 7 1919 P. S. Commissioner Nixon authorized the receiver to charge 2 cents for transfers at 99 of the 113 points where transfers had been given free. The receiver had applied for authority to charge 3 cents for such transfers. V. 109, p. 172, 270, 371, 477. See also V. 111, p. 189. A resume of the company's efforts up to this time to obtain higher fares or relief in other forms and the attitude of the city administration on this question will be found in the March 29 1919 number of this publication, page 83, under the caption, "Fares." A writ of certiorari obtained on Nov. 17 1919 by Corporation Counsel Burr calling for a review of Commissioner Nixon's action in abolishing free transfers on the co.'s lines and on the lines of the B. R. T. (V. 109, p. 1987) was quashed by Justice Greenbaum of the Supreme Court on March 16 1920. V. 110, p. 1188.

Suit under Adjustment Mtge.—The suit brought by the N. Y. Life Ins. Co. to recover unpaid interest on the bonds since Jan. 1 1912 (approx. $50 for each $1,000 bond, incl. coupon due April 1 1915) was dismissed in 1915, but G. B. Leighton of Boston, representing the bondholders' committee, intervened (V. 100, p. 1349, 1918; V. 101, p. 1973). In Nov. 1918 the Appellate Div. of the Supreme Court, reversing a lower court, rendered a decision giving Mr. Leighton the full standing that the N. Y. Life Ins. Co. previously had in the case.

Application to Issue Additional Bonds.—In June 1912 applied to the Public Serv. Comm. for permission to issue $754,000 1st real estate and ref. 4s to refund Metropolitan Crosstown 5s. V. 94, p. 1627. Still pending.

On Nov. 1 1912 the P. S. Comm. authorized the issuance of $640,000 real estate and ref. bonds (permission to issue $1,050,000 having been asked) to purchase new stepless cars. V. 95, p. 1207. None of these bonds is included in the amount in the table. Justice Greenbaum in the N. Y. Supreme Court in June 1914 granted a writ of certiorari to review the order of the P. S. Comm. authorizing only $640,000 bonds. V. 98, p. 1994. Matter is still pending.

Final Distribution to Metropolitan St. Ry. Shareholders.—V. 103, p. 1980.

Payment of Met. St. Ry. Gen. & Coll. Tr. M. Bonds.—V. 106, p. 1344.

For distribution of sum received by this co. from the settlement of the Metropolitan St. Ry. receivership, see V. 105, p. 2272.

Guaranty Decision.—In May 1917 the U. S. Supreme Court affirmed the decision of U. S. District Judge Hough, of New York, dismissing the action brought by the bondholders' committee of the old 28th & 29th Streets RR. (property foreclosed and now known as Mid-Crosstown Ry.) against the New York Rys. Co. on the ground that the Federal Courts had no jurisdiction. On Nov. 14 1918 a settlement agreement was made with the bondholders' committee and the litigation (case had been carried into the State Court) terminated.

Amortization Fund.—On Dec. 10 1912 P. S. Commission modified its order of Feb. 27 1912 (see V. 94, p. 698) by striking out the provisions requiring the setting aside each year of a specified amount as an amortization fund, as it found it did not have power to make such requirement. It re-affirmed, however, its order requiring the setting aside each month, beginning Jan. 1 1912, for maintenance and depreciation of a sum at least equal to 20% of gross operating revenue for such month. V. 95, p. 1608; V. 94, p. 698. On Jan. 18 1918 the Appellate Division of the Supreme Court dismissed the writ of certiorari granted by Supreme Court Justice Platzek on April 17 1913 to review the order. V. 106, p. 396. In May 1918 the N. Y. State Court of Appeals reversed the decision of the Appellate Division. V. 106, p. 2560. An application for a modification of the order so that it should provide for the setting aside of 20% of the gross passenger revenue only instead of 20% of the gross operating revenue was denied by the P. S. Comm. on July 27 1915. V. 101, p. 370.

Adjustment Income Mortgages are redeemable on any Jan. 1 or July 1 in whole but not in part at par and int. During such periods, also, the holders of said bonds shall have full power in respect of all other questions, upon which stockholders may vote, to cast one vote for each $100 of the principal of the bonds held by them. V. 94, p. 977. Bonds are listed on N. Y. Stock Exch. V. 94, p. 827, 977.

Foreclosure.—The proposition of Receiver Hedges to extend the $350,000 South Ferry 1st 5s, due April 1 1919, for one year (with interest) was declined. On Sept. 30 1919 the Guaranty Trust Co., N. Y., brought suit in the U. S. Dist. Court to foreclose a mortgage for $1,500,000 made in 1883 by the B'way & 7th Ave. RR. Co., of which it is now successor trustee. The bonds secured by this mortgage fell due June 1 1904 and were then taken up without cancellation and later, in 1912, when the N. Y. Rys. Co. made its 4% 1st Real Est. & Ref. Mtge. they were pledged as part security thereunder as shown in V. 94, p. 978. This foreclosure suit we are informed was brought for the purpose of protecting the right of the 4% bonds as against the $350,000 mortgage of the South Ferry RR. This last mortgage is the only underlying security of the N. Y. Rys. Co. which is in default and the holders of the bonds issued thereunder have been threatening foreclosure; hence this counter suit. V. 109, p. 1366; V. 113, p. 1154. Compare V. 109, p. 1273.

Receivership.—In Sept. 1908 Justice Bischoff in Supreme Court appointed George W. Linch separate receiver in suit by Guaranty Trust Co. to foreclose consolidated mortgage. At midnight on Nov. 12 1908 receiver took possession of the property. Charles E. Chalmers is now receiver. Div. on stock due June 1908 was defaulted. Default of Int. on bonds occurred as follows: 1st (gen.) Mtge., Nov. 1 1908 (subsequently retired; V. 91, p. 1255); first consols, Aug. 1 1908; debentures, July 1 1908. A committee was formed to protect the interests of the first consol. 5% bds. V. 87, p. 347, 1238. On Oct. 1 1910 Justice Amend in Supreme Court authorized receiver to issue $2,500,000 receiver's ctfs. to be used to retire $1,280,000 gen. consol. 5s and $500,000 receiver's ctfs. due Oct. 1 1910, and for franchise taxes, improvements and equipment. V. 91, p. 946. In Jan. 1911 $500,000 additional certfs. were authorized for improvements and equipment. V. 92, p. 264. As these matured, various other issues were made from time to time. In Oct. 1913 $3,200,000 1-year 6% receivers' certifs. were authorized to retire $3,140,000 falling due Oct. 1 1913, which have been extended from year to year. V. 105, p. 1310; V. 107, p. 1386. The interest due April 1 1918 on these certfs. was deferred until May 1 1918 (V. 106, p. 1578). October 1918 interest was paid when due. V. 107, p. 1386. The Oct. 1 1919 int. was not paid when due. V. 109, p. 1462.

Anticipating the default in the payment of the Oct. 1 1919 int. on the $3,140,000 6% receiver's certificates, the following committee was formed, in July 1919, to protect the interests of the holders. V. 109, p. 1462, 2357.

Committee for 6% Receiver's Certificates.—Chairman, George E. Warren; A. A. Jackson, Geo. E. Barstow, Jr., Herman D. Kountze, J. F. B. Mitchell. Sec'y., Arthur W. Hutchins, 60 Bway., N. Y. City. Depositaries: Columbia Trust Co., N. Y., and the Girard Trust Co., Phila. In Dec. 1919 $2,787,000 (about 90%) of these certifs. had been deposited with the committee. V. 109, p. 2357.

Foreclosure Suit.—On Dec. 16 1919 a summons and complaint in a suit for the foreclosure of receiver's certificates were filed on behalf of the protective committee (see above). For details see V. 109, p. 2357. The N. Y. Supreme Court ordered the sale of the property under this suit on Sept. 1 1921, but sale has been postponed to Dec. 1 1921. V. 113, p. 732, 1054.

Sale of Real Estate Under Foreclosure.—As a result of foreclosure proceedings against the co., the southwest corner of 2d Ave. and 127th St., a vacant plot, was sold at auction in 1921. Compare V. 112, p. 163.

Settlement.—On Dec. 21 1915 Supreme Court Justice Whitaker auth. the receiver to settle with the New York City Railways Co., the suit against it and its predecessor, the Metrop. St. Ry., on payment to the Court of $548,352 for breaking the lease, amount due on inter-receivership account, &c. See V. 101, p. 2146.

In May 1917 petitioned the P. S. Comm. to "establish such new regulations in regard to rates, fares and transfer privileges, or otherwise so to exercise its authority as to make possible the earning of a more adequate return upon the capital invested."

In May 1918 the P. S. Comm. adjourned the hearings on this application following the decision in the Rochester Fare Case (V. 106, p. 1461), in which it was held that the Comm. was without power to grant increases in fare where the companies were bound by franchise obligations to a maximum fare.

THIRD AVENUE RY.—Underground trolley.

ORGANIZATION.—Incorporated in New York on Apr. 20 1910 and on Jan. 1 1912 (Court of Appeals having affirmed the decision of the Appellate Division of Supreme Court, which reversed the order of the Public Serv. Comm., refusing to approve reorganization plan; subsequently approved by the Comm. on Jan. 17 1912. V. 94, p. 209; V. 93, p. 1464; V. 92, p. 1637, 1567; V. 91, p. 338) took over the property of the *old* Third Avenue RR., sold at foreclosure on Mar. 1 1910. V. 93, p. 1535.

Owns all or practically all of the stock of the following: Union Ry., Dry Dock East B'way & Battery, 42d St. Manhattanville & St. Nicholas Ave., Yonkers RR., Westchester Electric, Southern Boulevard, Kingsbridge Ry., New York City Interborough, New York Westchester & Connecticut Traction Co., Mid-Crosstown Ry. Co., Inc., Belt Line Ry. Corporation, Pelham Park & City Island Ry., Bronx Traction Co., Third Ave. Bridge Co., Hastings Ry. Co., Inc., also the $1,487,000 outstanding 2d M. inc. bonds of 42d St. Man. & St. Nich. Ave. Ry., the $2,161,000 bonds of the N. Y. City Interborough Ry. and the $1,750,000 5% bonds of the Belt Line Ry. Corporation. With the N. Y. Rys., the Coney Island & Bklyn. RR. and the Bklyn. Rap. Trans. Co. controls the Bklyn. & North River RR., operating over Manhattan Bridge. (This company ceased operating on Oct. 4 1919. V. 109, p. 1461.)

On Jan. 7 1914 the company applied to the P. S. Comm. for authority to issue $6,650,000 bonds on account of the cost of acquiring control of the Belt Line Ry. Corp. (V. 96, p. 946, 1020, 1295), the N. Y. City Interborough Ry. Co. and the Mid-Crosstown RR., and to pay for certain construction work. See V. 98, p. 74. A preliminary order was procured in Mar. 1914, auth. the issue of $4,000,000 of these bonds against the purchase by the 3d Ave. Ry. of certain securities of the N. Y. City Interborough and the Belt Line Ry. Corp. (see annual report of 3d Ave. in V. 99, p. 1447). The issuance of a further $2,020,500 of bonds was authorized Oct. 8 1915, which were issued and purchased by the company as an investment for the depreciation fund.

Transfers.—On Nov. 1 1912 began transferring to the Second Ave. RR. by way of the Belt Line Ry. Corp.'s 59th St. line. The last-named company is now part of the Third Ave. Ry. system. Issuance of transfers discontinued Jan. 30 1921. On May 25 1917 applied to P. S. Comm. for permission to charge 2c. for transfers without further charge for a re-transfer.

In May 1918 the P. S. Comm. adjourned the hearings on this petition following the decision in the Rochester Fare Case (V. 106, p. 1461), in which it was held that the Comm. was without power to grant increases in fares where the cos. were bound by franchises to a maximum fare. See V. 106, p. 2650.

On Jan. 25 1921 Federal Judge Hough signed an order restraining the city and State officials from seeking to prevent the 59th St. Crosstown line from discontinuing the exchange of transfers with other lines. V. 112, p. 470. The co. has, therefore, discontinued the issuance of transfers. V. 112, p. 746.

Objections to Valuation of Transit Commission. V. 114, p. 1288.

Merger Plan, &c.—For plan of Transit Commission announced Sept. 30 1921, see V. 113, p. 1472.

Bus Franchise Asked.—In July 1920 the co., on behalf of its subsidiary the Dyckman St. Transportation Co., applied for auth. to run a bus line on Dyckman St., Nagel Ave. and 10th Ave. at a 5-cent fare with a 3-cent transfer charge to the Third Ave. line. V. 111, p. 399.

(1) PENNSYLVANIA-OHIO ELECTRIC CO.—A subsidiary of the Republic Ry. & Light Co.—(*See Map, page* 92.)

ORGANIZATION.—Incorp. in Ohio on Aug. 20 1917. Was known as the Mahoning & Shenango Railway & Light Co., but name changed to present title early in 1920. Has ownership or control of the following properties:

Pennsylvania-Ohio Pow & Light Co.	New Castle & Mahon. St. Ry. Co.
The New Castle Electric Co.	New Castle Traction Co.

New Castle & Lowell Realty Co.	Youngstown Municipal Ry. Co.

Also controls the Idora Park Amusement Co.

Merger of Subsidiaries.—During 1914 steps were taken to consolidate as many of the properties as possible to reduce expenses, facilitate operation and improve conditions for refinancing. The co. then known as the Mahoning & Shenango Ry. & Lt. Co. absorbed the Sharon & New Castle Railways Co., Youngston-Sharon Ry. & Lt. Co., Sharon & Wheatland St. Ry., Valley St. Ry. and Wheatland St. Ry. The Youngston & Sharon St. Ry. absorbed the Youngstown Consol. Gas & El. Co. In 1915 the properties of the Republic Construc. Co. were transferred to the co. In 1917 acquired the Mahoning County Light Co. oper. a steam-heating plant in Youngstown. In Aug. 1917 co. absorbed the Mah. Valley Ry., the Mah. Val. So. East Ry., the Poland St. Ry., the Youngstown Park & Falls St. Ry. and the Youngstown & Sharon St. Ry. V. 104, p. 2118. The Sharpsville Elec. Lt. Co. was merged with the Shenango Valley Elec. Light Co. and a number of other borough companies around Sharon. In 1918 the Youngstown & Niles Ry. Co. was absorbed. Some of these properties have since been acquired by the Penn-Ohio Pow. & Lt. Co., which see below.

Franchises.—Practically all the Pennsylvania franchises are perpetual. Railway franchises in Youngstown expire 1943. The most important interurban franchises in Ohio expire from 1945 to 1950 and Ohio lighting and power franchises in 1937 and 1942.

Operation at Cost.—Effective Jan. 16 1919, the city of Youngstown granted the company a street railway *franchise* until Dec. 1 1943, which calls for service-at-cost and a 7% return on an agreed valuation. [See V. 112, p. 470, under "Republic Ry. & Light Co."] The fare fixed by this franchise was 5 cents with a 1-cent charge for transfers, provision being made for higher and lower schedules, these being based on the condition of a stabilizing fund of $100,000. V. 108, p. 268, 378; V. 109, p. 72, 173. Compare V. 107, p. 1004. At last accounts (Nov. 1921) a 9-cent fare and 1 cent for transfers or 6 tickets for 50c. was in effect. The company also sells a weekly pass for $1 25, good for an unlimited number of rides for a period of 7 days. V. 113, p. 2080. In July 1919 similar franchises for 25 years were granted by the cities of East Youngstown and Struthers, Ohio. In Feb. 1920 the company obtained new *franchises* in Miles and Warren under which fares were raised from 5 to 10 cents with tickets at 7 for 50 cents. These rates are to continue for 3 years after which time rates will be decided on a service-at-cost basis. V. 110, p. 562; V. 109, p. 173. A similar franchise has been granted by Girard, Ohio.

Fares.—On Aug. 28 1919 fares between Youngstown and Girard were increased from 5 to 8 cts. and on Jan. 1 1920 to 9 cts. In Mar. 1920 was auth. by the Penna. P. S. Comm. to increase fares in New Castle from 6 to 7 cts. V. 110, p. 1188. Effective July 20 1920, fares between Youngstown and New Castle, Pa., were raised to 50 cts. and between Youngstown and Lowellsville to 20 cts. V. 111, p. 589. Effective Jan. 1 1922, cash fares in New Castle, Sharon, Farrell, Sharpsville, Wheatland and West Middlesex were raised from 7 cts. to 10 cts. V. 114, p. 307.

In March 1922 issued $1,950,000 1st mtge. & coll. tr. 6½% bonds ser. "A" proceeds being used to retire $1,507,000 Pa. & M. V. 1st & ref. 5s, due May 1 1922, and for the payment of floating debt incurred for additions. V. 114, p. 1535, 2013.

(1) United Gas & Electric Co.

ORGANIZATION.—Incorp. in Dec. 1901 in New Jersey. All the common stock was acquired by the Susquehanna Ry. Lt. & Pow. Co., which on June 6 1912 was consolidated with United Gas & Electric Corp. Owns and controls the following gas and electric properties:

Cit. Gas & Fuel Co., Terre H'te, Ind.	Lockport (N.Y.) L., H. & Pow. Co.,
Colo. Spgs. (Col.) L., H. & Pow. Co., and through it the Citizens Lt., Ht. & Power Co., Colo. Springs, Colo.	and through it the Internat. Power & Transm. Co., Lockport, N. Y.

In July 1915 disposed of its holdings of common stock in the Hartford (Conn.) City Gas Light Co. V. 101, p. 50. During 1915 the electric department of the Richmond Lt., Ht. & Pow. Co. was sold to the city of Richmond, Ind. The stock investment in the Altoona Gas Lt. & Fuel Co. was written off, the company having failed to meet its interest charges in 1915, due to natural gas competition. In Sept. 1921 disposed of the Wilkes Barre (Pa.) Co. In May 1922 disposed of Leavenworth (Kan.) Lt., Ht. & Power Co.

In March 1919 holders of the Col. Springs Lt., Ht. & Power 1st & Ref. M. 5s due Aug. 1 1920, approved an extension for 1 year of the $300,000 1st M. 5s due April 1 1919 at 7%. V. 108, p. 1277.

Owing to the uncertainty regarding the co's. franchise and the fact that the co's. entire bonded debt matured in 1920, the following committee was formed to protect the interests of the holders of securities of the Colorado Springs Lt. & Power Co.

General Protective Committee.—J. A. Cauldwell, E. G. Connette, E. C. Delafield, A. L. Linn Jr., John H. Mason, Arthur V. Motron, Jonathan C. Neff, Geo. K. Reilly; Secy., L. H. Cubberley, 306 Chestnut St., Phila., Pa. Depositories (*a*) 1st M. 5% 20-yr. bonds of Colorado Springs Light & Power Co., as extended at 7%, at Franklin Trust Co., N. Y. City. (*b*) 1st M. 5% 20-yr. bonds of Colorado Springs Electric Co., at Pennsylvania Co. for Insce. on L. & Grnt. Ann., Phila. (*c*) 1st & Ref. M. 10-yr. 5% bonds of Colorado Springs Light, Heat & Power Co. at Commercial Trust Co., Philadelphia. (*d*) and (*e*) non-cum. 6% pref. stock and the com. stock of Colorado Springs Light, Heat & Power Co. at N. Y. Trust Co., N. Y. City. Deposits have been called for. For circular of committee see V. 110, p. 1418.

All of the $350,000 Lockport Gas & Electric 1st M. 5s due Feb. 1 1920, were bought in through the medium of bank loans.

In 1920 the Lockport Lt., Ht. & Pow. Co. issued $350,000 8% cum. pref. stock, proceeds being applied to the retirement of a like amount of gen. mtge. 7s due Jan. 16 1920.

Neither the Col. Spgs. L., H. & P. 1st M. 5s due Aug. 1 1920, the Col. Spgs. Elec. Co. 1st M. 5s due Apr. 20 1920, nor the Col. Spgs. Lt. & Pow. 1st M. 7s due Apr. 1 1920, had been retired up to time of going to press. Int. at the rate of 7%, however, is being paid on all three issues.

The stockholders on Mar. 27 1922 voted to change the com. stock from shares of $100 par value to shares of no par value. V. 114, p. 1418.

ORGANIZATION.—Incorp. in Missouri on Nov. 8 1895 as a consolidation of the St. Joseph Traction & Lighting Co., People's Ry., Light & Power Co., Citizens' Ry. Co., Union Ry. Co., St. Joseph & Lake Ry. Co. and Wyatt Park Ry. Co. Controls the entire electric light and power and central heating business, and owns and operates the street railway system in St. Joseph, Mo., and an interurban line between St. Joseph and Savannah, Mo. Sells energy at wholesale for distribution in following communities: Savannah, De Kalb, Washena (Kan.), Amazonia, Curzon, Forest City, Bigelow and Oregon. During 1912 a contract was made with the Kansas City Clay County & St. Joseph Ry. (see under "Kansas City"), under which that company's cars from Kansas City are operated over the tracks of this company.

New Mortgage.—In 1916 the Mo. P. S. Comm. auth. the company to create a new issue of 1st & ref. M. sinking fund 5% 30-year bonds, and to execute, with the St. Joseph & Savannah Interurban Ry., a joint mortgage to secure the bonds.

Rate Increase.—In June 1918 was auth. by the Mo. P. S. Comm. to increase lighting rates to 9 mills per k. w. h., effecting an increase of $8,000 monthly in revenue. V. 106, p. 2650.

Fares.—On Dec. 1 1919 a 7-cent fare went into effect on the co.'s lines while the co.'s trainmen received an increase in wages of 8 cents per hour. V. 109, p. 2440. Compare V. 107, p. 2098. On Jan. 7 1920 the co. filed suit against the Mo. P. S. Comm. asking for a permanent injunction to restrain the Comm. from enforcing a 7-cent fare in St. Joseph and that the court order an 8-cent fare and higher lighting and heating rates, the co. contending that present rates were confiscatory. V. 110, p. 872. On Nov. 12 1921 Judge Van Valkenburgh in the U. S. Dist. Court in Kansas City, Mo., handed down a decision enjoining the P. S. Comm. from enforcing its 7-cent fare order. The issue involved was the proper formula for fixing the rate-making valuation, the Comm. holding that the average cost of materials, &c. over a 5-year period preceding the war should be used, while the co. contended that it should be based on the present cost of materials, &c. The Comm. were appealed to the U. S. Supreme Court. V. 111, p. 2230, 2325. An agreement was reached with the city and on July 31 1921 the co. put into effect an 8-cent cash fare with 3 tickets for 20 cents. Compare V. 112, p. 1867.

Valuation.—Early in 1920 the Mo. P. S. Comm. fixed the value of the co.'s holdings for rate making purposes at $5,800,000, while the co. holds that $11,521,639 is the fair valuation. V. 110, p. 872. The co. has appealed.

Effective Aug. 1 1921 fares were raised to 7-cent cash with a 1-cent charge for transfers and tickets at 8 for 50 cents. V. 113, p. 416. Effective Aug. 20 1921, the ticket rate was raised to 6 for 40 cents. V. 113, p. 729, 1359, 1573. For resume of fare situation up to time of new franchise, see this Section for Oct. 30 1920. Co. was released from the receivership, but on Nov. 15 1917 was again placed in the hands of C. G. Taylor as receiver, because of question as to ownership. It has outstanding $200,000 stock and $200,000 bonds.

The receiver, writing the "Chronicle" April 4 1922, stated that "neither property has been operated since the sale, and just what disposition is to be made of these properties I am not advised. The receiver's creditors will be paid in full, and the bondholders may receive a very small dividend on their holdings, but not enough to be of any value. All claims will be paid on or before Apr. 30 1922 and the receiver discharged." V. 114, p. 1767. No further information. Legislature, approved May 16 1917, authorized the company to increase its capital stock to not exceeding $8,000,000 and to exchange such stock par for par for its notes or its A and B debentures, subject to the approval of the P. U. Comm. No stock shall be issued at less than par. The company was also authorized to generate and sell electricity to any electric light, heat or power company except in the towns of Windham and Coventry, Conn., and any town where a company is already in operation except with the consent of that company; also to acquire stocks, bonds, &c., of any Connecticut electrical company. Under date of Sept. 29 1921 we were advised by Mr. Perkins that no plan of reorganization had yet been announced. V. 112, p. 1867. No further information.

In Dec. 1921 a new co. (The Shore Line Traction Co.) was incorporated for the purpose of operating that portion of the line which runs from New Haven through Saybrook and Chester, Conn. For particulars as to financing new co., &c., see V. 113, p. 2186, 2615, 2722.

Receiver's Statement.—On April 25 1921 R. W. This includes operation of leased property from Oct. 1 1919 to April 1 1920." V. 112, p. 1867. See also V. 113, p. 2313.

OAKLAND, CAL.

SAN FRANCISCO-OAKLAND TERMINAL RY.

ORGANIZATION.—Incorp. in California on March 21 1912. Has consolidated the following (V. 94, p. 912):

Oakland Traction Co. | East Shore & Suburban Ry. Co.
San Fran. Oak. & S. J. Cons. Ry. | California Railway.

The San Fran.-Oak. Term. Rys. assumed the total bonded debt of the merged companies.

Operates the street railway lines of and connects Oakland, Berkley, Alameda, Richmond, Emeryville, Piedmont, Albany, San Lorenzo, San Leandro and Hayward. Also connects Oakland, Berkley, Emeryville, Piedmont and Albany with San Fran. by electric train and ferry service.

Interest Payments.—All coupons maturing prior to Nov. 18 1919 have been paid. Coupons maturing Nov. 18 1919 and subsequent thereto will be funded under reorganization plan, which see below.

City Partnership Plan.—The electors of Oakland on Nov. 7 1916 voted in favor of the charter amendment authorizing the city to go into partnership with the co., in accordance with the plan of the Oakland Chamber of Commerce drawn up with a view to settling the co's financial and operating difficulties. The plan provides: (*a*) The co. to be granted a resettlement fran-

chise of an indeterminate period on condition that the city may buy out the system on 6 mos.' notice and may transfer such purchase right to a third party; (*b*) net profits to be divided between the city and the co., the city to et not less than 55%, the company to be allowed 6% on its valuation and a proper amount for maintenance, operation, taxes, insurance and depreciation; (*c*) operations to be conducted by a joint board consisting of two, one for the city and one for the company, an arbiter to be called in in case of disagreement. The plan also provides that the Mayor appoint an advisory board of seven to co-operate with the City Council in drafting the franchise ordinance. See V. 103, p. 759. Applications for re-settlement franchises were made to the common councils of Oakland, Berkeley and Alameda which resulted in the preparation of such franchises and the petition to the Cal. RR. Comm. by the cities of Oakland and Berkeley, requesting a valuation of these properties for the purpose of facilitating the submission of these franchises to a vote of the people.

Foreclosure Suits.—The Anglo-California Trust Co. of San Fran., as mortgage trustee, has brought suit against the United Properties Co., Dennis Searles and stockholders of the Oakland Rys. for recovery on the $2,500,000 note issue of the Oakland Rys. (see table below) in order to protect the noteholders in the event that the proposed reorganization of the San Francisco-Oakland Terminal Rys. is not carried through. V. 101, p. 615. The Trust Co. has also begun legal proceedings to preserve or enforce the rights of the holders of the $1,100,000 6% Oakland Term. notes. V. 105, p. 820.

Fare Increase.—In June 1918 was auth. by the Cal. RR. Comm. to increase ferry and electric fares by 10%. V. 106, p. 2758; compare V. 105, p. 1618. On Aug. 14 1918 was auth. by the Cal. RR. Comm. to increase local street railway fares from 5 to 6 cents. V. 107, p. 907. Effective Sept. 1 1919 the co. was auth. to raise fares on the Key Route from 11 to 15 cents for one way fares and the commutation rate from $3 30 to $4. V. 109, p. 982. Effective Sept. 1 1920 one-way fares were raised to 8 cents and the commutation rate to $4 80 per month.

Reorganization, &c., Committee.—This committee represents the interests of the different bondholders: Chairman, John S. Drum; J. F. Carston, W. W. Garthwaite, P. E. Bowles, George Tourny, Gavin McNab, B. H. Diblee, A. Crawford Greene, Herbert Fleischhacker and Paul A. Sinsheimer, Secy. Depositaries: Mercantile Tr. Co., Savings Union Branch Mercantile Trust Co. and the Anglo-California Trust Co. of San Francisco; Oakland Bank, Central National Bank of Oakland and the First National Bank of Oakland, Calif. V. 109, p. 1180, 1274; V. 113, p. 535. Deposits have been called for. V. 110, p. 79. For statement by committee see V. 110, p. 1416. Up to July 7 1922, 95% of the bank holdings, and 82% of the private holdings of all securities had been deposited. V. 115, p. 544.

Reorganization Plan.—A plan of reorganization, dated July 20 1921, was proposed by the committee named above. For details see V. 113, p. 535. An amended plan (V. 115, p. 544), embracing several modifications of the original plan, was adopted by the reorganization committee on July 7 1922 and was declared operative August 20 1922. V. 115, p. 1839. The amended plan provides that the present company be reorganized and include the "Key Division" and "Traction Division" in one corporation (except for one or more subsidiary corporations to take care of the outstanding bonds in Group 1-A (below) and note issues of present subsidiaries) which shall be the owner of all operating and non-operating properties now held by the consolidated company. The plan eliminates in its entirety the $15,125,000 common stock of the present company and places the stock control of the operating company in the holders of the prior preferred and preferred stock. The plan contemplates paying in cash all coupons on outstanding bonds maturing prior to Nov. 19 1919, and funding all coupons due from that date up to the time of distribution of new securities, with the exception of coupons on bonds in Group 1-A (below), all of which are to be paid in cash. It is estimated that the amount of coupons to be so funded will be 3 years interest on the various bond issues. Should there be more than 3 years' interest coupons to be funded at the time of the consummation of the plan, the amount of new bonds and preferred stock to be distributed will be increased by the amount of such excess. Under the plan the following exchange of securities would be effected:

Does a general passenger, heavy freight, mail, express and baggage business. Main lines, 70-lb. rails. 5 electric locomotives, 27 passenger cars, 25 freight cars and 10 service cars.

OMAHA, NEB.

OMAHA & COUNCIL BLUFFS STREET RY.—A trolley road.

ORGANIZATION.—Incorporated in Nebraska. Owns lines formerly operated by Omaha St. Ry. Co.; leases the Omaha & Council Bluffs Ry. & Bridge Co. in Council Bluffs, Ia., until 1947, together with its bridge over Missouri River, rental being $60,000 per annum, in addition to all fixed charges.

Litigation.—An amended petition seeking a court decree ordering the company to turn over to the city its entire street railway property in Omaha was filed in Jan. 1918 by Corporation Counsel Lambert. A judgment for the company's earnings since Jan. 1917 was also asked. The action was based on the provision of the franchise granted the Omaha Horse Car Co. (this company's predecessor), by which its property was to revert to the city on Jan. 1 1917. V. 106, p. 86. A ruling has been handed down by the court which holds that the right of reversion does not extend to any part of the present property of the Omaha & Council Bluffs Ry.

Fares.—In Sept. 1918 applied for auth. to increase fares from 5 to 7 cents on account of increased wages, &c. In connection with this application an engineer appointed to make a valuation of the co's property placed the total value as of July 1 1918 at $19,755,400. V. 107, p. 1193. In Dec. 1918 the Nebraska Ry. Comm. denied the above application for increased fares. V. 107, p. 2376. The co. appealed from this decision to the State Supreme Court, which on July 16, 1919 ordered the Neb. Ry. Comm. to grant the co. increased rates. The Court recommended a 6-cent fare pending further investigation of the co.'s books to determine the present earning capacity and permanent rate. V. 109, p. 371. The Comm. however, on Aug. 6 1919 granted the co. a temporary increase of 2 cents, bringing the fare up to 7 cents. According to the Comm.'s order all revenue over the average of 1914 to 1918 must be held in a reserve fund pending final settlement. V. 109, p. 677. In Sept. 1921 the Comm. denied the co. auth. to charge an emergency 8 cent fare. V. 113, p. 1361.

ORGANIZATION.—Chartered in New Jersey as successor May 3 1897 to the South Jersey Traction Co., sold in foreclosure. Company owns two toll roads besides the trolley road. *Franchise* is perpetual.

In Nov. 1917 the New Jersey P. U. Comm. approved the action of the company in abandoning the special rate of 6 tickets for 25c. and 50 for $2. On April 29 1919 the company was authorized by the N. J. P. U. Comm. to increase fares in each zone from 5 cents to 6 cents and also to raise the rates for freight service. An increase in the rate for school tickets was not permitted. V. 108, p. 1822. In June 1921 the N. J. P. U. Comm. denied the co.'s petition for a 10-cent fare. However, increases from 6 to 7 cents between Bridgeton and Millville and Bridgeton and Newport and to 8 cents on the Bridgeton-Port Morris line were authorized. V. 112, p. 2535.

Service Abandoned.—The co. ceased operations on June 15 1922, owing to its inability to operate the road at a profit. V. 114, p. 2239, 2822. A short-term lease, however, was obtained by Clayton McPherson to operate the abandoned line between Millville and Bridgeton, N. J. V. 115, p. 182. In Oct. 1922 it was reported that the Cumberland Traction Co. had been formed with a capitalization of $100,000 to take over this line. V. 115, p. 1836.

PHILADELPHIA RAPID TRANSIT.

Incorporated in Pennsylvania on May 1 1902 to take over under lease the Union Traction Co. for 999 years from July 1 1902, and to acquire and hold shares of other corporations. (For terms of lease, see Union Traction below.) The Rapid Transit Co. acquired numerous franchises for new roads obtained by the Mack-Foerderer syndicate in 1901. In June 1903 the Market Street Elevated Pass. Ry., with $5,600,000 authorized capital stock was formed to absorb a number of these franchises. V. 76, p. 1301. In June 1903 the Rapid Transit Co. obtained from the Philadelphia City Councils other valuable franchises for new lines. In April 1906, however, an agreement was entered into with the city relinquishing nearly all the rights to the franchises of 1901 and 1903 and the whole matter of the company's franchise rights was readjusted on a new basis. See V. 82, p. 693, 870.

Subway has been built in Market St. from 23d St. to Delaware Ave., elevated structure on Market St. west of the Schuylkill River, and on Delaware Ave. from Market St. to South St. V. 74, p. 528, 989; V. 76, p. 1301; V. 81, p. 265. In March 1907 began operating on that portion of the elevated from the Schuylkill River west to the Upper Darby terminal station, a distance of about 4 miles. V. 84, p. 571. On Aug. 3 1908 the entire subway from 2d St. to 23d and Market St. was placed in operation, thus completing line through to 69th St. V. 87, p. 347. On Oct. 6 1908 elevated lines on Delaware Ave. to South St. Station was placed in operation, completing entire line. V. 87, p. 936.

In July 1902 acquired all the stock of the Doylestown & Willow Grove Ry. Co. Also owns entire stock ($10,000) of the Motor Real Estate Co., which owns property costing $4,000,000.

On July 1 1906 the Phila. Morton & Swarthmore Ry. and the Media Middletown Aston & Chester Elec. Ry. were consolidated, forming the Darby Media & Chester Ry. The new company, embracing 25 miles of track, was thereupon leased to the Phila. Rapid Transit Co. for 999 years, rental being $8,500 for first year, $17,000 for second and third years, $25,500 for fourth year, $34,000 for fifth year and $42,500 for sixth year and thereafter.

Early in 1921 acquired through the Willow Grove Park, the Burd Home Park, another amusement centre. V. 113, p. 417.

Adjustment of Relations With City.—On Feb. 18 1907 the board of directors accepted the plan submitted Jan. 1907 by the Retail Merchants' Association of Philadelphia for a readjustment of the relations between the city and company. The plan confers upon the city the right to purchase at any time after June 30 1957 all leases, franchises and property of the company at the company's actually paid-in capital, $30,000,000. The city has the right to assign or sell this option. Furthermore, a sinking fund is to be established, to be taken out of the gross receipts of the company, which, calculated at 4%, will amount to at least $30,000,000 at the expiration of 50 years, to enable the city to acquire the property at that time. Another feature in the arrangement is that, beginning with Jan 1 1907, the city shares equally in the net profits after stockholders have received lawful interest on the capital invested by them. All franchises for further surface, elevated or underground railroads within the city are to be first offered the Phila. Rapid Transit Co. under terms of this contract. The city is also to have three members on the board of directors. The present rate of fare is not to be changed except with the consent of both parties. As part of the arrangement, the Rapid Transit Co. agreed to call the $12,000,000 then still due on its stock at the rate of $3,000,000 every six months, the money to be used to give increased and improved service. For further details of plan, see V. 84, p. 451, 1552. An ordinance embodying the above features was passed by the Phila. City Council on June 20 1907 (V. 84, p. 1488) and ratified by the company July 18 1907. On Feb. 27 1911 State Supreme Court affirmed the decision (V. 89, p. 847) of the Common Pleas Court sustaining the company's demurrer in a suit brought to test the validity of the foregoing ordinance. V. 92, p. 596. On July 29 1907 directors called for payment of the final assessment of $15 a share of stock, payable in two installments—$7 50 Sept. 9 1907 and $7 50 Sept. 7 1908. V. 85, p. 284, 1402.

On Feb. 28 1911 shareholders of both the Phila. Rap. Trans. Co. and the Union Trac. Co. approved a plan (V. 92, p. 463) in accordance with the views of Mr. E. T. Stotesbury, who consented on such conditions to enter the Phila. Rap. Trans. board, calling for the issue of $10,000,000 s. f. bonds running for life of city contract, guar. p. & i. by the Union Trac. Co. and secured by pledge of equity in Market St. Elev. Pass. Ry. (V. 91, p. 1629) over and above present $10,000,000 mtge. on said property. V. 92, p. 596. On Feb. 29 1912 directors of both the Phila. Rap. Trans. and Union Trac. Co. authorized the mtge. V. 94, p. 631. As part of the plan, certain equity owned by Phila. Rapid Trans. Co. was surrendered to Union Trac. Co. See V. 91, p. 1161, 1386, 1574, 1630, 1711. The City Council assented to the arrangement in May 1911. V. 92, p. 1375, 1500.

Subway and Elevated Lines to Be Built by the City and Operated by the Company.—At an election held April 29 1915 the electors voted in favor of a $6,000,000 loan for a Broad Street subway and a Frankford elevated line (V. 100, p. 1511), and on July 1 1915 the ordinances making equal appropriations for both projects were signed by Mayor Blankenburg. Construction was begun September 11 1915. V. 101, p. 132, 774, 1371. At the election on May 16 1916 it was voted to issue $57,100,000 bonds for additional subway and elevated lines, in accordance with the program of former City Director of Transit A. Merritt Taylor, as outlined in V. 102, p. 2342. The Stern bill, rendering valid the election of May 16 1916, was passed by the Penn. House of Representatives in April 1917. V. 104, p. 1703. On July 7 1917 the taxpayers' suit to restrain the city from proceeding with construction of the new high speed lines was dismissed by Common Pleas Court No. 4. On July 23 1917 the Pennsylvania P. S. Comm. granted the Philadelphia city authorities permission to construct all of the lines contemplated in said program. In June 1918 Government sanction to proceed with the construction of the Frankford elevated system was given with the understanding that the work in connection with the Broad St. subway (with certain exceptions) be stopped as promptly as possible. V. 106, p. 2451.

Lease.—In May 1922 the ordinance embodying the lease between the city and the co. for the operation of the Frankford elevated line and Bustleton surface line by the co. was approved by the City Council and the Penna. P. S. Comm. and was signed by the Mayor and the co. officials. These lines are leased beginning Nov. 5 1922 for a period of five years. The co. pays rental of 1% during 1923 on construction cost of Frankford Elevated; rental to be increased 1% annually until a maximum of 5% is reached. This contract may be extended by the city so as to terminate in 1957 with the 1907 city agreement. A summary of the principal features of the lease will be found in V. 114, p. 2241.

Power Contract.—In March 1912 entered into a 10-year contract with the Phila. Electric Co. for additional power. V. 94, p. 768. A new agreement was entered into Dec. 12 1920 for a period of 3 years from Nov. 15 1922.

Voting Trust.—The voting trust established in Feb. 1911 for 5 years was extended in 1916 for a further period of 5 years to Feb. 20 1921. On Feb. 12 1920, however, it having been determined that the voting trust was no longer necessary, it was resolved to terminate same on that date. V. 110, p. 465; V. 92, p. 660, 726, 882, 1243, 1500; V. 95, p. 1608; V. 102, p. 523, 1347.

New Line.—In Sept. 1911 the Snyder Ave. St. Ry. was chartered in the interest of the Phila. Rap. Tran., with $140,000 stock, to operate 7.66 miles of line on Snyder Ave. Line was placed in operation Jan. 1912.

Hog Island Extension.—On Aug. 4 1918, in accordance with a contract with the Emergency Fleet Corp., the co. placed in operation an extension from Eastwick Ave. to the Hog Island Shipyard. The Fleet Corporation advanced the funds to the company to cover the cost of the new construction and equipment [100 cars]. On Aug. 24 1922 this property was purchased by P.R.T. Co. in accordance with the contract at an appraised valuation.

Excise Tax.—On Aug. 2 1915 Judge Dickinson in the U. S. Dist. Court held that the company's subsidiaries operated under lease were not carrying on business within the meaning of the excise tax law of 1909 and therefore

were not liable to the tax. On Oct. 22 1917 the Market Street Elevated Pass. Ry., the Union Traction Co. and the Philadelphia Traction Co. appealed to the U. S. Dist. Court for restitution of $73,768 and interest collected from them in the years 1911 and 1912.

Income Tax Litigation.—On July 15 1918 the various leased line cos. filed suits against the Phila. Rap. Tran. Co. to recover income and excess profits taxes paid by them under protest. V. 107, p. 402. Compare V. 106, p. 2451. On Nov. 20 1918 a ruling was handed down by Common Pleas Court No. 3 (and in Feb. 1919 affirmed by the Pennsylvania Supreme Court) under which the Phila. Rapid Transit Co. is held responsible under the terms of the several leases for the payment to the Govt. of the income-excess profits taxes of the following leased line corporations: Philadelphia Trac. Co., Germantown Pass. Ry. Co., 13th & 15th Streets Pass. Ry. Co., Philadelphia City Pass. Ry. Co., Union Trac. Co., Ridge Ave. Pass. Ry. Co., Frankford & Southwark Philadelphia City Pass. Ry., Fairmount Park & Haddington Pass. Ry. Co., Citizens' Pass. Ry. Co. and the Hestonville Mantua & Fairmount Pass. RR. Co. On the other hand, however, it was ruled that the following companies must assume liability for their Federal taxes: Continental Pass. Ry. Co., Philadelphia & Darby RR. Co. and Green & Coates Streets Phila. Pass. Ry. Co. V. 107, p. 2009; V. 108, p. 785.

Validity of Rentals Upheld.—In Dec. 1920 the Superior Court of Penna. handed down a decision denying the order of the P. S. Comm. requiring the underlying companies to file answers to averments made by the city and two local business men's associations with regard to rentals of the underlying companies. V. 111, p. 2521; V. 112, p. 163. The city, the P. S. Comm. and business associations appealed, and on July 1 1921 the Penna. Supreme Court reversed the decision of the Superior Court but only on a technicality. The Supreme Court held that the case should not have gone to the Superior Court; but maintained that the P. S. Comm. had no right to attack rental payments. For details see V. 113, p. 183, 293.

Split in Directorate.—See V. 111, p. 389; also V. 114, p. 522, 627, 739, 1181.

Fares.—On Oct. 4 1920 applied to the Penna. P. S. Comm. for auth. to charge a flat 5-cent fare and to abolish all free transfers and 3-cent exchange tickets. V. 111, p. 1472. Compare V. 110, p. 2488; V. 111, p. 74, 1183. This petition was rejected by the Comm. but effective Nov. 1 1920 the co. was auth. to raise fares to 7 cents cash, with 4 tickets at 25 cents. No change was made in transfer or exchange rates. V. 111, p. 1662. See also V. 112, p. 1978; V. 113, p. 1773. President Mitten in a letter to the Mayor in March 1921 on the subject of operation of the Frankford "L" proposed a basic 7-cent fare with 5 tickets for 35 cents for the entire system, instead of 4 tickets for 25 cents as then effective. V. 112, p. 1399. See also V. 114, p. 1652.

City's Report on Valuation.—See details in V. 114, p. 2470.

Government Loan.—In Sept. 1918 the Penn. P. S. Comm. approved a contract under which the Government loaned the co. $1,748,000 to extend transit facilities for workers in industrial war plants. V. 107, p. 1101. In Oct. 1922 negotiations were pending with the Government for the purchase of the property covered by this loan.

Proposed Plan of Consolidation.—In Aug. 1920, Pres. Mitten made public the following proposed plan of consolidation, after having resigned from the directorate of the Union Traction Co. on account of opposition on the part of members of the board to this plan. The plan provides for the consolidation of the five lease-holding companies—Philadelphia Rapid Transit Co., Union Trac. Co., Phila. Trac. Co., Electric Trac. Co., Peoples Trac. Co., into one operating co.; transmuting the stocks and other securities of these cos. into the stock of the new co., so as to maintain present preference as to assets and dividends of the respective cos. An assessment of $10 per share on Union Traction Co. stock is provided for under the plan. The following table is designed to show the basis upon which exchange of securities of present cos. for stock of new co. would be made.

During the 12 mos. ending Dec. 31 1921 company sold 22,936,204,900 cu. ft. of natural gas and produced 248,701 barrels of oil. On Dec. 31 1921 owned or controlled 1,798 gas wells and 3,742 miles of pipe. Also owned or controlled 169 oil wells.

(2) *Electric Light & Power.*—The Philadelphia Co. controls through stock ownership the Duquesne Light Co. which forms the electric light and power division. See statement on a subsequent page.

(3) *Street Railways.*—These comprise about 650.16 m. of track, all operated (as a matter of convenience and economy) by the Pittsburgh Railways Co. (except the Clairton St. Ry., Co., the Beaver Valley Traction Co. and the Pittsburgh & Beaver St. Ry. Co., which are operated separately).

In Feb. 1902 acquired the elevated railroad franchises which were granted to Messrs. Bigelow, Oliver, Quay and others. V. 74, p. 478.

In Feb. 1906 the United Rys. Investment Co. of San Francisco acquired control through purchase of $21,000,000 of the common stock, paying for the stock acquired partly in its own stock and partly in an issue of its coll. trust bonds. In April 1907 acquired $3,200,000 more of the stock by an other issue of coll. trust bonds; now owns $24,555,000 of the com. stock. See statement of United Rys. Investment Co. under San Francisco and also V. 82, p. 393, 988.

In 1912 the company made an adjustment of its accounts and relations with the Pittsburgh Railways Co. It sold to the Pittsburgh Rys. certain stocks of street railway and traction cos. included in the Pittsb. Rys. Co. system (book value, $8,265,000), and also turned over to the Railways Co. the bills payable of that co. and of certain underlying cos. (book value, $10,649,052) held by the Phila. Co. In return it received $10,000,000 par value 6% debentures of the Railways Co.; interest on these debentures is payable only if earned and is non-cumulative. See report for year end. Mar. 31 1913 in "Chronicle" of May 24 1913, page 1499.

Default and Subsequent Payment of Interest on Subsidiary Co.'s Bonds.—See Pittsburgh Rys. below. Also Consolidated Gas Co. of Pittsburgh. On July 1 1918 the bondholders of the United Trac. Co. filed a petition in the U. S. District Court at Pittsburgh asking that the Phila. Co. and the Pittsburgh Rys. Co. be jointly held responsible for payments due on United Trac. Co. 5% bonds. V. 107, p. 83. In Mar. 1920 the U. S. Circuit Court of Appeals refused to hold the co. liable for int. on these bonds. V. 110, p. 1290.

Suit Dismissed.—On Feb. 14 1918 a test suit in equity was instituted by bondholders of the United Traction Co. to compel the company to recognize liability for the principal and int. of all bonds issued by subsidiaries in the street railways system. V. 108, p. 879. On April 10 1919 Judge Chas. P. Orr in the U. S. Dist. Court at Pittsburgh dismissed this suit. V. 108, p. 1611. The bondholders' committee appealed, but the decision of the lower court was sustained.

Decision.—On May 25 1920 Judge Woolley in the U. S. Circuit Court of Appeals at Phila. reversed the decision of the Federal Court at Pittsburgh, which granted the co. an order for the payment of $495,145 from the receivers of the Pittsburgh Street Ry. for money loaned to its subsidiaries. Judge Woolley held that the co. had no right to seek the return of money loaned to a co. in which it held all the stock. V. 110, p. 2488.

Equity Proceedings.—On Feb. 13 1918 the Equitable Trust Co., of Wilmington, Del., filed a bill in equity in the U. S. District Court at Pittsburgh against the Philadelphia Company and its subsidiaries, asking the Court to restrain the defendants from limiting the supply of artificial gas in Pittsburgh, and bring about the payment of all matured and unpaid interest on the outstanding bonds of the Consolidated Gas Co. V. 106, p. 822. This suit has been withdrawn and all except $14,000 bonds of the Consol. Gas Co. have been acquired by the Phila. Co. in exchange for the latter's pref. stock. See Consol. Gas Co. of Pitts. on subsequent page.

Rates.—In April 1921 the W. Va. P. S. Comm. auth. an increase in rates for natural gas, in that State, to 40 cents per 1,000 cu. ft. for industrial and domestic consumers. V. 108, p. 1937. Effective July 1 1920, gas rates in Pennsylvania were increased from 37 cents to 47 cents per 1,000 cu. ft. V. 110, p. 2488. In Oct. 1921 rates for gas to domestic, commercial and industrial consumers in Pittsburgh and vicinity were raised 5 cents per 1,000 cu. ft. V. 113, p. 1471.

The stockholders on Aug. 30 1919 approved an increase in the auth. amount of common stock from $44,900,000 to $48,650,000. V. 109, p. 1700. Compare V. 108, p. 2630.

In Oct. 1921 the co. sold $16,000,000 1st ref. & coll. tr. 6% bonds ser. "A" to retire $9,794,000 5% conv. debs. due May 1 1922 (eliminated from table below) and to fund obligations incurred in part for capital expenditures and in part for retiring other funded debt. V. 113, p. 1888, 2080.

Proposed Reorganization Plan.—See under Pittsburgh Railways Co. on a subsequent page.

Stock.—Stock authorized was increased in February 1899 from $7,500,000 to $21,000,000, of which $6,000,000 was 5% non-cumulative preferred. The increase was made to acquire the stock of the Allegheny Co. Light Co. acquired by Duquesne Lt. Co.), Chartiers Val. Gas Co. and the com. stock of the Consolidated Gas Co.; also by exchange the United Trac. stock. On Dec. 4 1901 stockholders auth. an increase to $36,000,000 through the issue of $15,000,000 additional com. stock. The increase was mainly for the purpose of acquiring the shares of the Consolidated Trac. Co. and the Southern Traction Co. V. 73, p. 1112. In Aug. 1906 authorized common stock was further increased to $36,000,000, mainly to provide for the purchase of the Beaver Valley Traction Co. and Washington & Canonsburg Ry. V. 82, p. 1323. July 22 1909 $5,000,000 additional common stock was auth. to provide for the convertible feature of convertible debentures auth. at the same time but any shares not so used to be available for the general purposes of the company. V. 88, p. 1314; V. 89, p. 225. On Dec. 28 1915 authorized amount of com. stock was increased from $42,400,000 to $44,900,000, the new stock being issued to pay off floating debt. V. 101, p. 1465; V. 102, p. 68.

On Apr. 29 1912 shareholders voted to authorize $25,000,000 ($50) 6% cum. pref. stock and $10,000,000 conv. debentures. Of the new stock $6,000,000 was for exchange of existing pref. stock (upon basis of share for share and a cash payment to the co. of $2 50 per share) and $10,000,000 for conversion of convertible debentures [but see V. 113, p. 1888]. The remainder is reserved for future requirements. See financial plan in V. 94, p. 417, 488, also V. 94, p. 560. Listed on the New York Stock Exchange. On Dec. 16 1918 the directors decided to issue $7,000,000 6% cum. pref. stock, $6,506,000 ($6,475,950 issued up to Oct. 1 1922) of which is to be issued in exchange for: (*a*) Outstanding stock (other than that already owned by the Philadelphia Co.) of the Allegheny Heating Co. on the basis of 18 shares ($50 par) of the company's pref. stock for each share of the Allegheny Co.'s stock; and (*b*) First mtge. 5s of the Consolidated Gas Co. of Pittsburgh on the basis of 18½ shares of the company's 6% pref. stock for each $1,000 bond. Under this plan the maximum prin. amount of the Allegheny Heating Co.'s stock which can be exchanged is 2,090 shares (par $100), and the maximum prin. amount of Consolidated Gas Co. bonds which can be exchanged is $5,000,000. Up to Oct. 1 1922 the company had acquired all of the stock and all but $14,000 par value of bonds. All of the $7,000,000 6% cumulative preferred stock not issued or used for this purpose is to be used for the general purposes of the company as the directors specify. V. 108, p. 683. As of March 31 1914, when the original offer for exchange of 5% preferred stock for 6% preferred stock expired, $3,966,600 had been exchanged, leaving $2,033,400 of the old preferred stock outstanding. In May 1916 further opportunity for exchange of stock to and including July 15 1916 was given (V. 102, p. 1897) and holders of $590,950 stock took advantage of the offer, leaving $1,442,450 old pref. stock outstanding.

The Philadelphia Company stock has been listed on the New York Stock Exchange since October 1886, and is also listed on the Phila. Exchange. See application to the N. Y. Stock Exchange in V. 70, p. 1198, and also in "Chronicle" of Feb. 22 1902. In March 1911 stock was listed on the Paris Bourse. V. 92, p. 726.

The Phila. Co. in Jan. 1908 offered to guarantee 4% per an. from Aug. 1 1907 on the $2,000,000 pref. stock of Consol. Gas Co. (entitled to 6% cum.) provided additional earnings be divided equally between the two classes of stock, but pref. not to receive more than 6% in any event. Holders of 75% of the $2,000,000 pref. stock having agreed to the proposition, the plan was adopted. V. 86, p. 54,605.

Bonds.—The bonds of 1899 are listed on the Phila. and Pittsburgh Stock Exchanges. Of the $22,000,000 bonds of 1901, $6,500,000 are reserved to take up the $6,500,000 1st coll. trust bonds and $352,000 to acquire pref. stock of Consol. Traction Co. In 1918 the Brunot Island property which was under the lien of this Mtge. was sold to the Duquesne Light Co. and the proceeds ($4,000,000) deposited with the trustee of this issue. $500,000 was used for additions to the property, and out of the balance $3,434,000 bonds of this issue had been acquired and retired up to Oct. 1 1922. They are free of Pennsylvania State tax. For security for the bonds see V. 102, p. 801. Listed on Phila. Stock Exchange.

Trust 5s due Mar. 1 1949 and of the $15,148,000 Consol. M. & Coll. Trust 5s due Nov. 1 1951 as agreed to the plan. Assenting bonds are stamped as subject to call as a whole or when drawn by lot for the sinking fund at 107½ and int. for the 1st M. and 102½ and int. for the consols. $5,652,000 1st M. and coll. tr. 5s and $14,020,000 consol. M. and coll. tr. 5% bonds were so stamped, but $565,000 1st M. and coll. trust 5s and $1,621,000 consol. In case the bonds are called as a whole, they may be canceled or kept alive, as the co. may elect. For security for the 1st & Ref. Coll. Tr. M. bonds, see V. 108, p. 683. STREET RAILWAYS.

(1) Pittsburgh Railways Co.—A trolley road.

Receivers Appointed.—On April 23 1918 H. S. A. Stewart, J. D. Callery and C. A. Fagan (subsequently Messrs. Stewart and Callery resigned and W. D. George and S. La Rue Tone are now serving in their places. V. 107, p. 2377; V. 108, p. 80) were appointed receivers for this co. upon application of the American Brake Shoe & Foundry Co. and the St. Louis Car Co., it being alleged that revenues were insufficient to meet maturing obligations and that there was immediate danger of the system being dismembered by bondholders of the underlying corporations. V. 106, p. 1797

In March 1920 the receivers applied to the U. S. Court for auth. to purchase 150 new cars at a cost of about $2,000,000, through the issuance of receiver's certificates secured by a car trust covering the new cars and certain of the cars now in use. V. 110, p. 1415. Authority had not been granted to Oct. 1 1921.

Suit of Foreclosure.—The Union Trust Co., as trustee for the $4,000,000 1st M. coll. tr. 5s of the old Southern Traction Co., was auth. on May 29 1919 by Judge Chas. P. Orr in the U. S. Dist. Court to foreclose and to take the lines (embracing all lines to the West End) out of the receivership and operate them separately. V. 108, p. 2331. Compare V. 108, p. 1512. On July 14 1921 Judge Chas. P. Orr, in the U. S. Dist. Court, granted judgment in favor of the Union Trust Co. Both the city of Pittsburgh and the receivers opposed this action. See V. 113, p. 418, but compare V. 114, p. 198, 307. In Mar. 1922, however, an amicable settlement was effected and the receivers ordered by the Court to file a report on the receivership. See V. 114, p. 1288.

Proposed Reorganization Plan.—A plan for the reorganization of the system embodied in an agrement proposed to be executed by the City of Pittsburgh, the Philadelphia Co. and the Pittsburgh Rys. Co., was presented to the Pittsburgh City Council July 25 1921. The plan contemplates the reorganization of the co. or the formation of a new co. to take over all its assets. The new co. would be limited to $62,500,000 in the issuance of securities in substitution of securities now outstanding amounting to $156,000,000. An annual return of 6% for 10 years is allowed on the new capitalization, which is the value of the railways properties as fixed by the P. S. Comm. (see below under "Valuation"). The city is given a voice in the control of the co. The proposed plan was printed and copies distributed by the Municipal Law Dept. of the City of Pittsburgh. For full details of plan see V. 113, p. 533, 731. Nineteen boards of trade, chiefly outlying districts entered into a joint protest against the proposed plan, but it is understood that no appeal will be made to the Superior Court. V. 114, p. 1288. V. 113, p. 1252. The above plan was approved by the Pittsburgh City Council, with certain amendments (see V. 113, p. 2721), and signed by the Mayor and A. W. Thompson, Pres. of the co., in Dec. 1921 (V. 113, p. 2721). On Feb. 14 1922 the Penna. P. S. Comm. approved the plan. V. 114, p. 855. No details as to the actual basis of the proposed financial readjustment are as yet available. V. 114, p. 1288. See also V. 115, p. 870.

Default—Subsequent Payments.—The company failed to pay the Jan. 1 1918 interest on the bonds of a number of subsidiaries and the directors of the Philadelphia Co., which was already a creditor of the Railways Co. for a large amount, refused to make it further loans. All the Jan. 1 1918 coupons, except on the United Traction 5s, were paid in March 1918. V. 106, p. 930, 1232. Coupons on the United Trac. 5s have since been paid from time to time. V. 113, p. 2722; V. 114, p. 80.

Holders of $313,000 Pittsburgh & West End Passenger Ry. 1st Mtge. 5s due July 1 1922 were asked to convert their holdings into West End Traction gen. mtge. 5s, due Jan. 1 1938. For details see V. 115, p. 183.

We have been officially informed that on Oct. 1 1922 the company was in default in the payment of interest on the Pittsburgh Ry. gen. mtge. bonds since Oct. 1 1918.

The company is also in default in the payment of the following and subsequent rentals due subsidiary companies:

Due May 1 1922.	**Due July 1 1922.**
Consolidated Traction Co.	Wash. & Canonsburg Ry. Co.
Due April 1 1922.	
Morningside Elec. St. Ry.	

Claims for Rentals.—See V. 115, p. 760.

Bondholders' Protective Committee.—See United Traction Co. of Pittsburgh below.

Committee for Southern Trac. Co. 1st M. & Coll. Tr. 5s.—T. H. Given, H. C. McEldowney, Jas. C. Chaplin, F. R. Welsh, and R. S. Wilson, Sec'y. Depositaries: Union Trust Co., Pittsburgh, Pa.; Farmers Deposit Trust Co., Pittsburgh, Pa.; Fidelity Trust Co., Philadelphia, Pa. Deposits have been called for. V. 108, p. 785.

Valuation.—In March 1918 the Public Service Commission appointed a committee to ascertain the physical valuation of the co.'s properties and to recommend fare rates which will yield it a fair return on its investment. In Aug. 1918, under orders from the P. S. Comm., the receivers appointed a board of three (A. J. Kelly, Henry P. Haas and J. W. Cree) to make the valuation. V. 107, p. 697. According to the report to the P. S. Comm. in Aug. 1919, physical value of the co. in the opinion of engineers for the city is $48,000,000, and in the opinion of engineers for the co. either $60,889,804 or $70,120,804. V. 109, p. 776, 1367. In March 1920 the P. S. Comm. fixed $62,500,000 as the value of the co.'s property, this being a compromise between the above mentioned valuations. V. 110, p. 1290. The city, however, carried an appeal to the Superior Court of Penna., but this was withdrawn by agreement.

This was formerly the Southern Traction Co., but in accordance with the authority vested in it by the terms of its charter, the directors of the Southern Traction Co. on Dec. 30 1901 voted to change the name of the company to the Pittsburgh Railways Co. The Philadelphia Company had previously acquired all the stock, common and pref., of the Southern Traction, in accordance with the terms in V. 73, p. 1112.

The Southern Traction Co. was chartered in 1900 to take over, extend and operate the West End Traction lines, which were purchased in Aug. 1900 for $4,500,000.

Leases the Pittsburgh & Castle Shannon RR. for 99 years, rental being $15,000 per annum. See V. 81, p. 778.

Street Car Subway Loop.—On July 8 1919 voters of Pittsburgh authorized a $6,000,000 bond issue for the construction of a down-town subway loop. V. 109, p. 371. Compare V. 108, p. 2330.

Over-crowding Ordinance.—On Feb. 7 1911 Common Pleas Court No. 1 rendered a decision restraining city from entering or prosecuting any suit upon so-called over-crowding ordinance, enacted July 30 1910. V 92, p. 463.

Decision.—For decision by Pa. Supreme Court, holding that city cannot collect tolls for use of Point and Smithfield St. bridges, see V. 96, p. 1090.

Fare Decision.—In July 1918 the Penna. P. S. Comm. held that the state constitution does not auth. municipalities, through contracts with railway cos., to take away from the people the right to regulate fares. This decision was handed down in the case of the Borough of Wilkensburg against the co. based on its notice of proposed increases in rates. V. 107, p. 402. See also V. 109, p. 477; V. 111, p. 1370.

Fares.—On May 19 1918 the receivers announced the establishment of a new fare schedule which went into effect on June 20 1918, providing for a 7-cent day fare on some of the longer routes and a universal 10-cent night fare. For complete details of this schedule see V. 106, p. 2650, 2758. Effective Aug. 1 1919, the co. increased fares to 10 cents, tickets being sold at the rate of 4 for 30 cents. V. 108, p. 2630. See also V. 110, p. 1290. On Aug. 15 1920 ticket fares were raised from 7½ cents to 8 1-3 cents (3 tickets for 25c.). Cash fares remain at 10 cents. V. 111, p. 990.

Rates.—In Sept. 1918 filed with the P. S. Comm. a new schedule providing for increased power rates effective Dec. 17 1918. Effective Nov. 15 1920 the Penn. P. S. Comm. auth. a 40% increase in freight rates. V. 111, p. 1852.

PORTLAND, ORE.

PORTLAND RAILWAY, LIGHT & POWER CO.

ORGANIZATION.—Incorporated in Oregon June 29 1906 and has purchased all the property of the Portland Ry. Co., the Oregon Water Power & Ry. Co. and Portland Gen. Elec. Co. V. 86, p. 1044. On *March* 21 1912 acquired the Mt. Hood Ry. & Power Co. V. 94, p. 983. During 1912 sold the railway property in Salem for $355,333 and the Willamette Falls Ry., 9 miles in length, for $170,000. In May 1914 purchased the Yamhill Electric Co. In Jan. 1914 acquired a majority of the $1,000,000 com. stock of Willamette Val. Southern Ry., incorp. in 1911 to construct a road from Oregon City to Angel City, 32 miles. Line was placed in operation on Jan. 31 1915. Regular passenger service from Portland to Mt. Angel inaugurated Oct. 23 1915. With the exception of two interurban lines the company operates all the electric railways in Portland and vicinity, including interurban lines to Oregon City, Troutdale, Cazadero and Bull Run, Ore., and over the new Inter-State bridge to Vancouver, Wash. Does most of the electric light and power business of Portland and vicinity; also all of the electric light and power business in Salem, Oregon City, Silverton, Woodburn and many smaller communities in Ore. and in Vancouver, Wash., and operates the gas plant in Salem. Power is sold to the two interurban lines above mentioned, to the Southern Pacific, and also to the companies operating the street railways in Salem and Vancouver. The Yamhill Elec. Co. supplies electric light and power service to Newberg and other points in Yamhill County. Railway *franchises* in Portland expire in 1932 and 1933. Light and power *franchises* in Portland and Salem are perpetual; in Vancouver they expire in 1927. Has franchise to carry freight in Oregon City, expiring in 1926. In Dec. 1916 obtained a franchise to operate over the new bridge connecting Portland, Ore., and Vancouver, Wash. One-half the profits are to go to Clark and Multnomah counties, by whom the bridge was built. The company's transmission lines and a large part of the interurban railway are on private right of way.

On March 15 1910 the Oregon Supreme Court handed down a decision which in effect sustains the *franchise* covering portions of 40 streets passed by City Council April 28 1909 over the Mayor's veto. See V. 90, p.

On Feb. 21 1913 a franchise covering about 22 miles of streets, including the proposed "7th St. Line," was granted. The franchise expires in 1932 and contains a provision that at that time appraisers may be appointed to arrive at the value of the company's equipment, with a view to the purchase of the lines by the city. V. 96, p. 654.

In Nov. 1912 the co. brought suit to restrain the city from enforcing the "straphanger ordinance" limiting to 3 cts. the fare charged passengers for whom no seats are provided), and also the 50-cent minimum gas and electric rate ordinance. A temporary injunction against the enforcement of the former was granted in Dec. 1912, but application for an injunction to set aside the latter was denied by Judge Bean in the U. S. Dist. Court on Nov. 25, on the ground that the Federal Court has no jurisdiction. V. 95, p. 1542, 1274.

Favorable Decision.—Judge Harris in the Supreme Court at Salem in May 1916 held void the ordinance requiring a tax of 3% on gross earnings (V. 96, p. 1157). V. 102, p. 1718.

Valuation.—The Oregon P. U. Comm. on Apr. 30 1917 placed the valuation of the company's property as of Dec. 31 1916 for rate-making purposes at $46,862,972, or about $14,000,000 less than the co.'s valuation. See V. 104, p. 1900, and compare V. 103, p. 61.

Fare Increase.—In Jan. 1918 the Oregon P. S. Comm. auth. the co. to increase its fares from 5 to 6 cents, tickets to be sold 5 for 30 cents and 50 for $2 75. This schedule became effective Jan. 15 1918. V. 106, p. 190. Compare V. 105, p. 1618. On Jan. 14 1918 the Comm. denied the city's petition to have the order suspended, or its operation postponed pending litigation in the courts, but ordered that receipt slips be attached to tickets sold by the company, which are to be redeemed for the amount of excess fare charged in the event the courts declare the order invalid. On Mar. 14 1918 the Circuit Court of Multnomah County, Wash., upheld the ruling of the P. S. Comm. in granting the 6-cent fare. The city has appealed to the Oregon Supreme Court. See also V. 109, p. 2263. Effective June 15

1920, the Oregon P. S. Comm. issued an order fixing fares at 8 cents cash with strip tickets at 6 for 45 cents and book tickets at 50 for $3 65. V. 110, p. 2568. Effective Sept. 9 1920, the fare between Portland, Ore., and Vancouver, Wash., was raised from 15 to 17 cents. V. 111, p. 1370.

Rates.—On Dec. 5 1918 was auth. by the Oregon P. S. Comm. to increase power rates, effective immediately. V. 107, p. 2290, 2377. Compare V. 107, p. 803.

In Feb. 1921 the co. disposed of $1,000,000 8% 5-yr. notes to its employees and customers, proceeds being used for impts., &c. V. 112, p. 850, 1399.

On Aug. 31 1921 the stockholders voted to (1) authorize the creation of $10,000,000 7% com. prior pref. stock; (2) to increase the 1st pref. stock by $2,500,000; (3) to retire the $15,000,000 of 75% paid com. stock outstanding and issue in exchange therefor $11,250,000 full-paid com.; (4) to reduce the auth. amt. of com. stock from $25,000,000 to $20,000,000. For full details see V. 113, p. 1561.

In May 1921 brought out $1,500,000 1st lien & ref. Mtge. 7½% 25-yr. bonds ser. "A" to reimburse the co. for the acquisition of property heretofore temporarily financed and to supply current working capital. V. 112, p. 2084.

In Sept. 1922 sold $2,500,000 1st lien & ref. mtge. ser. "B" 6s. V. 115, p. 1429.

In Oct. 1922 brought out $1,000,000 7% prior pref. stock, Ser. "A," to retire floating debt incurred for construction expenditures. V. 115, p. 1838.

VIRGINIA RAILWAY & POWER CO.

ORGANIZATION.—Incorp. in Virginia on July 1 1909 and is successor to the Virginia Passenger & Power Co. sold at foreclosure May 5 1909. V. 89, p. 44, 105. The reorganization was under plan given in V. 87, p. 347.

On July 1 1911 took over by consolidation the Norfolk & Portsmouth Trac. Co. V. 93, p. 106. For history of Norfolk & Portsmouth Traction organization see "Electric Railway Section" of June 1911, p. 84.

Through acquisition of Norf. & Portsm. Trac., the Virginia Ry. & Power Co. acquired the lease of the Norfolk Ry. & Light Co. for 99 years from June 1 1906 and the entire $100,000 capital stock and ($1,000,000) bonds of the Norfolk & Ocean View Ry. Co. (dissolved April 5 1917).

On June 29 1912 sold to Richmond & Rappahannock Ry. the "Seven Pines Line" of railway, 29th and P Sts., Richmond, to Seven Pines, Henrico County, 8.88 miles, for cash consideration of $25,000. V. 95, p. 1397.

On July 20 1916 the shareholders ratified the merger of the Richmond Ry. & Viaduct Co. (all of whose stock was owned), and auth. an increase in pref. stock from $8,000,000 to $9,000,000 in connection therewith. V. 103, p. 407.

In Dec. 1921 the directors decided to organize the Richmond Trackless trolley Co., which will operate buses over certain routes. V. 113, p. 2615. See also V. 114, p. 2826.

Franchises.—The Manchester & Petersburg Ry. franchises are perpetual. The principal railway franchises in Richmond expire in 1926 and 1931. The interurban railway franchise expires in 1981. The water power rights in Richmond and Petersburg are perpetual. These rights are only partly utilized and are capable of a large further development. The more important rights for lighting in Richmond expire in 1927 and 1928 and in Manchester in 1931. The Petersburg lighting franchises are perpetual. V. 89, p. 529. *Franchises* for street railways in Portsmouth expire in 1926, 1927 and 1932. Street railway *franchises* in Norfolk expire in 1944. In 1915 the City of Suffolk granted a new 30-year franchise to do a light and power business and made a 10-year contract for municipal light and power service with certain rights of renewals. Negotiations are in progress with the cities of Richmond and Norfolk for the entire revision of the railway and light and power franchises.

In Jan. 1913 Virginia Supreme Court held company liable for the cost of paving between and two feet outside the tracks.

Labor tickets formerly sold at 2 for 5 cents will now be sold at the rate of 6 for 25 cents. V. 108, p. 685; V. 110, p. 765. In Mar. 1919 the increased rates were approved by the Mayor. V. 108, p. 975. On Sept. 28 1919 fares in Norfolk and, on Sept. 29 1919, in Portsmouth, were raised to 6 cents. A 6-cent fare in each of the zones outside these cities also went into effect. In May 1921 the Comm. auth. a 20% increase in fares between Richmond and Petersburg, Va. but denied the co.'s petition for the abolition of transfers in both cities. V. 112, p. 2085. The Norfolk City Council in May 1921 passed an ordinance granting the co. a 7-cent fare with free transfers. V. 112, p. 2307. In June 1921 the Richmond City Council Committee denied the co.'s petition for a straight 7-cent fare. V. 112, p. 2750. But see V. 113, p. 72, 536.

ROCHESTER, N. Y.

NEW YORK STATE RAILWAYS.—Of the common stock, $13,604,300 (also $600 pref.) owned by New York Central RR.

ORGANIZATION.—Incorporated in New York on March 22 1909 as a consolidation of the Rochester Ry. Co., the Rochester & Sodus Bay Ry. Co. and the Roch. & Eastern Rapid Ry. Co. (as per plan V. 88, p. 53, 823, 945.) and on Oct. 17 1912 the P. S. Comm. approved the further merger with the Utica & Mohawk Valley Ry., Oneida Ry., Syracuse Rapid Transit Ry. and Rochester & Suburban Ry., all of whose stocks had already been owned. V. 95, p. 1040. Aug. 28 1919 the co. merged into itself the East Side Traction Co., the entire stock of which had been owned since 1912. Compare V. 108, p. 683.

The Rochester Railway was a consolidation of the Rochester City & Brighton RR., the Cross-Town RR. and the South Park RR., and leased the Rochester Electric Ry. from July 1 1894 for 50 years, at a rental of 8% on $200,000 stock, and whenever gross receipts exceed $55,000, one-quarter of such excess.

In 1917 the property and franchises of the Ontario Light & Traction Co. other than the electric railway property, were disposed of to the Rochester Ry. & Light Co.

On March 10 1910 Pub. Ser. Comm. authorized an increase in stock from $23,140,200 to $23,860,200 to be used to take over the Rochester & Suburban Ry. (stock $420,000), the Rochester Electric Ry. (stock $200,000) and the Ontario Light & Traction Co. (stock $100,000). See V. 90, p. 914, 1425. In Jan. 1912 applied to Public Service Comm., 2d Dist., for authority to increase stock to $25,362,500. V. 94, p. 68. Permission was not granted.

The following is a list of the stocks owned by the N. Y. State Railways:

Schenectady Railway Co.	$2,050,000 or	50%	of whole amount
Syracuse Land & Steamboat Co.	10,000 "	100%	" "
Syracuse & Valley Land Co.	4,450 "	100%	" "
Glen Haven Improvement Co.	14,500 "	100.00%	" "
Ontario Light & Traction Co.	100,000 "	100.00%	" "
Rochester Electric Railway Co.	176,500 "	88.30%	" "
Miscellaneous	850 "		" "

Also owns $55,000 City of N. Y. 4½% coup. "Corp. "stock and $240,000 railroad bonds.

Franchises in Rochester are practically perpetual and exclusive, with exception of a few extensions which run for 50 years.

Contract for Power.—Power for all lines is supplied under a long-term contract with the Rochester Gas & Electric Corp., whose entire com. stock is owned by Mohawk Valley Co. (in turn owned by N. Y. Central RR.).

Favorable Jitney Decision.—See V. 102, p. 2167.

On Dec 29 1916 the Court of Appeals upheld the constitutionality of the Charlotte annexation bill which provides for a single 5-cent fare within the city limits as extended. The co. appealed from the decision, was defeated, and carried the case to the Supreme Court, and on Sept. 13 1918 a decision favorable to the company was rendered.

Valuation.—At a hearing held before the P. S. Comm. on Feb. 26 1919 the appraised valuation of the co. was given as $53,326,235. For valuation of the co.'s property in Syracuse see V. 111, p. 1472. See also V. 111, p. 2521. For valuation of Utica lines see V. 112, p. 63. For valuation by Board of Appraisers for the city of Rochester, in Aug. 1921, see V. 113, p. 849.

Fares.—In June 1917 applied to P. S. Comm. for auth. to increase fares from 5 to 6 cents in the cities of Rochester, Syracuse, Utica, Rome, Oneida, and Little Falls. On April 18 1918 Judge Cuthbert W. Pounds in the N. Y. State Court of Appeals at Albany handed down a decision holding that the Commission cannot increase fares on Rochester surface lines. The court held that where a municipality and a street railway corporation have entered into an agreement to fix the rate of fare at 5 cents, the pact is binding. V. 106, p. 1461. [On Oct. 21 1919 the Court of Appeals reaffirmed this decision. V. 109, p. 1610.] In Nov. 1918 the P. S. Comm. auth. the company to charge a 6-cent fare in Syracuse and Utica "for the duration of the war and a reasonable time thereafter." V. 107, p. 2098. In Dec. 1920 the Syracuse Common Council rejected a proposed 10-yr. service-at-cost contract for the co.'s Syracuse lines. The co. then announced a 20% cut in service on these lines and appealed to the P. S. Comm. for a straight 10 cent fare. V. 111, p. 2325. A 10 cent fare on the co.'s Utica lines was asked for (V. 112, p. 63), but this was denied by the Pub. Serv. Comm. in Sept. 1921. V. 113, p. 1251, 2721. In Sept. 1922 the N. Y. P. S. Comm. auth. co. to increase fares to 7 cents for the Utica territory pending a rehearing. V. 115, p. 1533. In April 1921 the P. S. Comm. auth. an increase in fares on the Syracuse lines to 8 cents cash. V. 112, p. 1741. In Sept. 1922 fares in Syracuse were reduced from 8 to 7 cents. V. 115, p. 1533. On May 25 1920 the co. began charging a 7-cent fare in Rome. On July 16 1920 the Mayor signed the service-at-cost contract passed by the Rochester Common Council. This provided for a 7-cent fare, effective Aug. 1 1920 and has been approved (V. 115, p. 1429) by the N. Y. P. S. Comm. V. 111, p. 389, 896, 990, 2325. Compare V. 111, p. 190.

Recommendations of Syracuse Street Railway Commission.—For principal features of report by Ry. Comm. recommending service-at-cost for Syracuse see V. 111, p. 1279, but compare V. 111, p. 2325.

The $175,000 Rochester City & Brighton 1st Mtge. 6s due April 1 1919 were not retired at maturity, but were subsequently retired.

The $750,000 Peoples' RR. 1st M. 5s due Jan. 1 1921 were paid off at maturity, in connection with this payment the co. issued $750,000 1st cons. mtge. 4½s. V. 112, p. 563.

Entire stock is owned jointly by the N. Y. State Rys. and the Del. & Hud. Co., one-half by each. V. 80, p. 652; V. 87, p. 286, 545; V. 88, p. 54.

ORGANIZATION.—Incorporated in New York. A reorganization on Feb. 11 1895 of Schenectady Street Ry. Co., which was chartered in 1886. Controls the entire street railway business in Schenectady and owns and operates double-track lines to Albany, Troy and Ballston Spa, and, under traffic agreements with the Hudson Valley Ry., from Ballston Spa to Saratoga Springs. Has trackage rights over the United Traction Co.'s tracks into Albany and Troy. *Franchises* perpetual.

Favorable Decision Regarding Fares.—On May 21 1914 the P. S. Comm. dismissed the complaint of the city against the company in which an order was asked compelling the company to sell six tickets for a quarter instead of a straight rate of 5 cents. V. 98, p. 1609. See also V. 100, p. 231.

Fares.—The restrictions in certain franchises within the city of Schenectady as to 5-cent fares were waived by Common Council May 24 1920. The P. S. Commission on July 27 1920 decided favorably upon the application of the company to increase rates. The increased rates, made effective Aug. 1 1920, were as follows: (a) On the Schenectady urban lines the rate of fare was increased from 6c. to 7c. (b) On the Troy interurban division, the Schenectady-Troy rate was increased from 31c. to 35c. Intermediate zone rates were changed from 6c. to 7c., the minimum interurban fare. (c) On the Ballston interurban division, the Schenectady-Ballston rate was increased from 30c. to 35c. The intermediate zone rates were changed from 6c. to 7c., the minimum interurban fare. (d) On the Albany division the Schenectady-Albany rate was increased from 28c. to 29c. On July 5 1922 the P. S. Comm. established a universal 7c. fare on the lines of the United Trac. Co. in the cities of Albany, Troy and Watervliet. This did not affect any change in the foregoing through rates on the lines of the Schenectady Ry. Co. between Schenectady and Albany and Schenectady and Troy. V. 115, p. 437.

ROCK ISLAND, ILL.

MISSISSIPPI VALLEY RY. & POWER CO.

ORGANIZATION.—Incorp. in Delaware July 1 1915 to take over the Rock Island Southern Ry., the Aledo Terminal Ry., the Rock Island Alexis Ry. and the Edwards River Power Co. (all formerly operated by the Rock Island Southern Ry.), as per plan of readjustment in V. 101, p. 449. Under the plan acquired all the com. and pref. stocks of these companies and $1,341,200 (out of $1,873,200) 1st M. bonds of the Rock Island Southern Ry. and $415,000 Aledo Term. Ry. 1st M. bonds.

Default—Interest Funding Plan.—Being in need of at least $150,000 for the rehabilitation of the Rock Island Southern Ry. property, and finding it inadvisable to sell additional prior lien bonds in view of the unsettled financial situation, the Miss. Valley Ry. & Pow. Co. entered into an agreement with the holders of the $532,000 Rock Island Southern Ry. bonds not owned by which the time of payment of interest on those bonds and the bonds held by the M. V. R. & P. Co. will be extended for 3 years. The M. V. R. & P. Co. being without funds to pay the interest due July 1 1917 on its 1st & ref. 5% bonds, holders of said bonds have been requested to exchange their coupons for the 3 years beginning July 1 1917 for bonds of the same issue par for par. The unissued Prior Lien bonds are to be canceled. For further details see V. 105, p. 607.

Sale of Collateral.—The interest and principal due June 1 1917 on the $266,000 coll. trust notes of the R. I. Southern Ry. remaining unpaid, the $532,000 1st M. 5% bonds of that company pledged as collateral, were sold at foreclosure Aug. 27 1917, presumably to the committee for the note holders. Compare V. 105, p. 607.

Sub.-Co. Receivership.—In April 1920, Judge Martin J. Wade appointed C. N. Abbott and C. H. Bacon receivers for the Rock Island Southern Ry. V. 110, p. 1642.

Moran were appointed receivers for the co. by Federal Judge Chatfield in Brooklyn, as the result of an action in equity brought by the Citizens Sav. & Trust Co., Cleveland, trustee for the $800,000 1st mtge. 5s of the co., int. on which has been in default since April 1 1919. V. 112, p. 372. Compare V. 110, p. 2292, 2658.

Sale.—The property was bid in at public auction in July 1922 for $15,000 but the sale was not confirmed and property was to have been again offered for sale.—V. 115, p. 1210. No further information.

ORGANIZATION.—Incorporated in New York on Aug. 6 1902 as the Mineola Roslyn & Port Washington Traction Co., name changed to present title Aug. 26 1907 by order of Supreme Court. In March 1912 Public Service Comm. approved the making of a new mtge. and the issuance of $800,000 bonds thereunder; also auth. the issuance of $757,500 additional stock (V. 94, p. 698; V. 93, p. 940). The new bonds were issued in April 1914, part of the proceeds being used to retire the $350,000 1st M. bonds of 1907.

Fares.—On June 26 1917 the P. S. Comm., 2d Dist., authorized an increase in fare from 10 to 15 cts. between Mineola and Port Washington; also granted increases between other points on the lines in Nassau County. On Jan. 9 1918, the Public Service Commission for the First District denied the company's application for an increase in fare from 5 to 7 cents on its lines in Queens Borough, N. Y. City, holding that, inasmuch as the co. obtained the consent of the City of New York to the use of city streets only by agreeing never to charge more than 5 cents as its rate of fare, the Comm. has no power to authorize an increase fare unless the city shall first waive or modify the limitation contained in its franchise contract with the company. V. 106, p. 296, 1127. Patrons of the line for a time voluntarily contributed two cents in addition to the regular 5-cent fare, in an effort to help keep the road operating. On Aug. 28 1919 P. S. Commissioner Nixon auth. a zone system providing for 4 zones with a 6-cent fare in any single zone and an 11-cent fare for a continuous trip. V. 109, p. 888. A suit was begun in the Supreme Court on Sept. 17 1919 to have this order declared null and void. For further particulars see V. 109, p. 1180. On Oct. 27 1919 P. S. Commissioner Nixon was served with a writ of certiorari, obtained by Corporation Counsel Burr from Justice Gavegan of the Supreme Court, calling for a review of the above order. V. 109, p. 1700. Service, which for a short time had been suspended, was resumed about the middle of March 1920. V. 110, p. 1188. Operations however were shortly suspended again and no cars have been operated since. V. 111, p. 189, 896, 1183, 1472.

On March 23 1920 was auth. by the N. Y. P. S. Comm. to put into effect the following fare schedule: Between Port Washington and Mineola (four zones of 7c. each), 28 cents; City Line, Little Neck and Mineola (four zones of 7c. each), through, 28 cents; Mineola terminus and Hicksville (2 zones of 8c. each), 16 cents. V. 110, p. 1526.

Franchise Revoked—Municipal Operation Proposed.—On Jan. 28 1921 the co.'s franchise was revoked by the N. Y. City Board of Estimate, the co. having ceased operation of its lines in May 1920. V. 112, p. 653.

ST. LOUIS, MO.

UNITED RAILWAYS CO. OF ST. LOUIS.

Is controlled by North American Co. of New York.

Receivership.—On April 12 1919 Judge Dyer in the U. S. Dist. Court at St. Louis appointed Rolla Wells receiver for the co. on petition of Samuel W. Adler of N. Y., the co. joining in the prayer for receivership. The co.'s inability to repay the 6 mos. loan of $3,235,000 made to it by the War Finance Corp. on June 1 1918 was the cause of the appointment. V. 108, p. 1611 (this has since been paid). On April 24 1919 the receivership suits instituted by Samuel W. Adler and Elmer A. and Robt. J. McLaughlin were consolidated under the John W. Seaman suit by Judge Dyer in the U. S. Dist. Court and Rolla Wells who had been automatically removed as receiver in the order making the Samuel W. Adler suit an intervening one to the Seaman suit, was appointed receiver under the consolidated suits, and Henry Lamm was reappointed as Special Master to conduct the hearings V. 108, p. 1823, 2331. Compare V. 106, p. 716; V. 107, p. 907; V. 108, p. 81, 1513; V. 110, p. 2488; V. 111, p. 2326; V. 112, p. 1026; V. 113, p. 961.

Subsidiary Companies Receiverships.—In Sept. 1919 Rolla Wells was appointed receiver of the Missouri Electric Ry., the Florissant Construction, Real Estate & Investment Co. and the Merchant's Express Co., subsidiaries, on application of Thomas Francis, attorney for the United Rys. Co. V. 109, p. 1368. See also V. 113, p. 1252.

In Nov. 1920 $4,200,000 3 year 7% receiver's certificates were issued to provide for the payment of $1,900,000 St. Louis RR. 4½% bonds which fell due May 1 1920 and to reimburse the receiver for funds used to retire $2,300,000 receiver's certificates due Sept. 2 1920. V. 111, p. 2141

In July 1921 the receiver's application for authority to issue $1,474,000 receiver's certifs. to be used in retiring the $1,474,000 Lindell Ry. 4½s, due Aug. 1 1921, was denied. V. 113, p. 418. Compare V. 113, p. 72. In Aug. 1921, however, the receiver offered to extend the Lindell Ry. bonds to Oct. 1 1923 at 8%. This extension was underwritten by the North American Co. V. 113, p. 536.

The receiver was auth. to extend the $2,000,000 St. Louis & Suburban cons. mtge. 5s due Feb. 1 1921 for 3 years at 8%. The extension was carried out after some delay, the extended bonds bearing 8% interest from June 1 1922 and maturing Oct. 1 1923. Holders who did not desire to extend their bonds received cash upon presentation, interest on this issue accruing at 5% up to June 1 1922. V. 114, p. 2350, 2728.

Holders of $1,610,000 Cass Ave. & Fairgrounds Ry. 1st mtge. extended 4½% bonds due July 1 1922, were given the right to extend their bonds to Oct. 1 1923 at 6%. The extension was underwritten by the North American Co. V. 115, p. 75.

The Jan. 1 and July 1 1920 coupons on the Gen. Mtge. 4% bonds were paid when due. Int. due Oct. 1 1920 on the St. Louis Transit 5s of 1924 and the St. Louis Suburban 5s of 1923 was paid when due. V. 111, p. 1662. See also V. 113, p. 1252. Interest due April 1 and Oct. 1 1921 and April 1 1922 on the latter issue was not paid until May or June 1922. V. 114, p. 2242.

Reorganization.—In Sept. 1922 it was reported that a tentative plan for the reorganization of the company was expected to be taken up in the near future. V. 115, p. 1534.

ORGANIZATION.—Incorporated in Missouri on March 11 1898 as the Central Traction Co., but changed its name to above on July 10 1899. On Dec. 31 1906 absorbed the St. Louis & Suburban Ry., giving its pref. stock, share for share for the stock of that company. The United Rys. guarantees the $4,500,000 gen. mtge. bonds of the St. L. & Sub. Ry. See V. 83, p. 39; V. 84, p. 105. In 1908 acquired a controlling interest on the Missouri Electric Co., successor to the St. Louis St. Charles & Western RR., which was sold at foreclosure in July 1905.

The United Rys. Co. comprises all the street car lines in operation in St. Louis. The co. was originally leased to the St. Louis Tran. Co., but under a readjustment arranged in Oct. 1904 by Messrs. Brown Bros. & Co. (V. 79, p. 1333) the lease was canceled and the $17,264,300 stock of that company nearly all exchanged for voting trustees' certificates for common stock of the United Rys. Co. on the basis of $500 Transit stock for $200 voting trustees' certificates. Voting trust has expired and common stock has been issued for trust certificates.

Under this plan the $20,000,000 refund. and impt. mtge. bonds of the St. Louis Transit Co., of which $8,000,000 has been issued, were canceled, and in their place the same company issued $10,000,000 of 5% improvement bonds guar. by the United Rys. Co. of St. Louis, this guaranty being secured by a mortgage on all of that company's property next in rank to that of its general mtge. These improvement bonds are now the only outstanding security of the Transit Co.

Power.—Power is purchased from the Union Electric Light & Power Co. and the Electric Co. of Missouri (successor to the Miss. River Power Distributing Co.). See V. 111, p. 1662; also V. 112, p. 2529.

Jill Tax Decision.—The U. S. Supreme Court on April 10 1916 dismissed the company's appeal from the decision in the Missouri courts which upheld the ordinance by which the city collects a tax of one mill on each passenger fare. V. 94, p. 418; V. 95, p. 1124; V. 99, p. 1053; V. 100, p. 400; V. 102, p. 1437. On June 16 1916 the co. paid in full the $1,839,205 judgment obtained by the city for taxes from 1903 to 1910, with interest. On Jan. 11 1919 the co. formally acknowledged its responsibility for the $2,500,000 mill tax which it owes the city which will be paid off in ten annual installments with interest, and in the future the co. agrees to pay this tax without contest. The city in turn will not contest the franchise of any of the co.'s branch lines in St. Louis and agreed to dismiss its appeal in the Jefferson Ave. franchise case. V. 108, p. 270. A formal agreement to this effect was signed on Jan. 15 1919. V. 108, p. 380, 481; see also V. 112, p. 2529.

Rapid Transit System, &c., Proposed.—V. 113, p. 1889.

Franchise Ordinance.—After much delay and many amendments, an ordinance was passed by the Municipal Assembly on March 29 1918 and signed by the Mayor on April 10 1918 (for principal features of ordinance see this Section for Sept. 1918). On Oct. 4 1918, however, the co. notified the city that it [the co.] did not deem it advisable to accept the measure because of various objectionable features embodied therein. The chief factor against its acceptance was that a fair return on the co.'s investment was not assured. V. 107, p. 1482. Compare V. 106, p. 1908.

Valuation.—For appraisal as of Dec. 31 1917 made for city of St. Louis by J. E. Allison showing a total reproduction cost of $72,589,141. See V. 106, p. 1578. See also V. 111, p. 494. Valuation by Mo. P. S. Comm. will be found in V. 112, p. 259, 933. Compare company's valuation in V. 115, p. 1534.

In May 1916 the Mo. P. S. Comm. auth. the St. Louis & Suburban Ry. to issue $1,000,000 Gen. M. 5s of 1903 to take up and pledge under that mortgage the $1,000,000 bonds issued by the St. Louis & Meramac Ry. Co. for refunding its $1,000,000 1st M. 6s, which fell due May 8 1916. The $1,000,000 St. L. & Sub. bonds are held in the United Co.'s treasury for future use. V. 102, p. 2255. The $200,000 Southern Electric 5s maturing Aug. 1 1916, were paid off and a like amount of United Rys. 4s were issued and placed in treasury.

Decisions.—On Feb. 26 1917 the Missouri Supreme Court held that the P. S. Comm. had no auth. to compel the company to extend its tracks on streets on which it held no franchises. Also held void two sections of the city charter conferring upon the city the power to regulate its public utilities.

Fare Increase.—In May 1918 was auth. by the Mo. P. S. Comm. to increase adult fares to 6 cents effective June 1 1918. At the end of 1 year the co. must show cause for making the new rate permanent. (The co. was auth. to extend the 6-cent fare rate, and, effective Sept. 20 1919, was authorized to increase fares to 8 cents for a period of six months). In connection with this the Mo. P. S. Comm. in Feb. 1919 ordered a valuation of the co's property to be completed by June 1 1919. V. 108, p. 581. In granting this increase the Comm. held that municipal franchises do not constitute irrevocable contracts, leaving States without power to regulate rates. In spite of a constitutional-consent clause in Mo. the Comm. held that it was their duty under the law to examine the facts and fix just and reasonable rates notwithstanding franchise terms, and as the existing rates were not sufficient to permit adequate service, public interest and welfare demanded an increase of rates. V. 106, p. 2346. A motion by the City Council for a rehearing in the case was overruled by the Comm. on May 27 1918. See V. 106, p. 2451. In June 1918 the City Council filed an appeal from the decision. V. 106, p. 2759. On Aug. 31 1918 Judge J. G. Slate in the Cole County Circuit Court held that the Comm. was without jurisdiction to pass upon the far question and that the 6-cent fare was therefore null and void. Chief Justice Bond of the Missouri Supreme Court authorized the company to issue a negotiable receipt for 1 cent pending the final decision by the Missouri Supreme Court, which was handed down on Dec. 16 1918, and which sustained the power of the P. S. Comm. to alter street railway fares prescribed by franchise, thus validating the 6-cent fare. V. 107, p. 2377, 2478. The city's motion for a rehearing was overruled by the Missouri Supreme Court. V. 108, p. 81. The company was auth. to extend the 6-cent fare rate, and, effective Sept. 20 1919 was auth. to charge an 8-cent fare for six months. For further details of schedule, see V. 109, p. 1181, 1274. Effective April 10 1920 fares were reduced from 8 cents to 7 cents straight. V. 110, p. 1643, 1850. See also in V. 112, p. 63, 2750; V. 113, p. 2186. In July 1922 the company was authorized to continue the 7-cent fare until Dec. 31 1922. V. 115, p. 546.

SAN ANTONIO, TEX.

SAN ANTONIO PUBLIC SERVICE CO.

Practically all the com. stock is owned by the American Light & Trac. Co

ORGANIZATION.—Incorp. in Texas Sept. 6 1917 to take over and operate the properties of the San Antonio Gas & Electric Co. and the San Antonio Traction Co., both formerly controlled by the Southern Light & Traction Co., whose affairs were wound up. The new company is auth. to construct a system of interurban electric railways out of San Antonio, and it it reported will build a line between San Antonio and Austin, about 85 miles.

Fares—Rates, &c.—On Oct. 3 1918 the San Antonio City Commissioners denied the company permission to charge either a 6-cent fare (with the existing transfer) or a 5-cent fare with no transfers. V. 107, p. 1482. Compare V. 107, p. 1102. The company applied to the United States District Court at San Antonio for authority to charge a 7-cent fare, and on Feb. 18 1919 Judge Duval West in the United States District Court in San Antonio handed down a decision holding that the franchise ordinance under which the company operates does not constitute a binding contract in so far as the 5-cent fare provision is concerned. V. 108, p. 880. Federal Judge Duval West has granted an injunction restraining the city from interfering with the company putting into effect increased fares. On April 11 1921 the U. S. Supreme Court upheld the action of the lower court. V. 112, p. 1618, 1700. After numerous trials the company finally adopted a straight 7-cent fare with universal transfers. V. 110, p. 659. On Aug. 16 1920 fares were raised from 7 to 8 cents, metal tokens being sold at 4 for 30 cents. V. 111, p. 897. In Dec. 1921 the City Commission accepted the company's proposal to: (1) reduce fares from 8 to 6 cents upon discontinuance of the jitney service, and (2) to etsablish the 1920 schedule in the price of gas and electricity, with graduated reductions based on the amount consumed. V. 113, p. 2615. See, however, V. 114, p. 1652.

In April 1922 negotiations for purchase by the city were under way. The Board of Supervisors was reported to have agreed upon $35,000,000 with deferred payments carrying 5% interest, as a fair valuation of the company's properties. For further particulars as to city purchase plans, see V. 113, p. 2819; V. 114, p. 522, 1179, 1533; V. 115, p. 759.

The company appealed, but on April 21 1919 the U. S. Supreme Court upheld the decrees of the Federal Court dismissing the injunction proceedings brought by the company. In dismissing the company's appeal the Court said that this action was taken without prejudice to the company's right to seek damages. NEW JERSEY & PENNSYLVANIA TRACTION CO.—A trolley road.

Owned by Pennsylvania-New Jersey Railway Co.

ORGANIZATION.—Incorporated in New Jersey on Nov. 14 1901 and acquired the Trenton Lawrenceville & Princeton RR., the Trenton Lawrenceville & Princeton Extension RR. and the Princeton Street Ry.

On May 13 1913 the Trenton New Hope & Lambertville St. Ry., Yardley Morrisville & Trenton St. Ry. and the Newtown & Yardley St. Ry., formerly owned, were taken over by the Bucks County Interurban Ry. See that company under "Newtown, Pa." On May 15 1917 the co. transferred $500,000 of its $1,000,000 capital stock to the Bucks Co. Interurban Ry. (now Pa.-N. J. Ry. Co.), the other $500,000 being surrendered and canceled.

Sub. Co. Merger.—In Sept. 1922 the co. was auth. by the N. J. P.U. Comm. to consolidate its Princeton Division (incl. the Trenton Lawrenceville & Princeton Ry., the Trenton Lawrenceville & Princeton Extension RR., and the Princeton St. Ry.) into a corporation to be known as the Trenton-Princeton Traction Co. V. 115, p. 1632.

Franchises are perpetual, except in Trenton, which runs to 1953.

Fares.—On Feb. 23 1912, owing to a Court decision reduced fares from Trenton to Yardley from 10 to 5 cents. V. 94, p. 631. This decision was reversed by the New Jersey Court of Errors and Appeals on Nov. 18 1912. In Jan. 1913 in response to a petition by the receivers the Board of Public Utility Commissioners fixed the rate of fare between Trenton and Princeton at 15 cents instead of 10 cents, and on Oct. 10 1916 the Board auth. an increase to 20c., providing for 4 fare zones and continuing the sale of commutation tickets at 12 for $1. On May 10 1918 was auth. by the N. J. P. U. Comm. to increase fares from 5 cents to 6 cents in each of the 4 zones between Trenton and Princeton and to eliminate commutation tickets, effective May 27 1918. On Dec. 8 1918 the rate was advanced to 7 cents per zone in order to enable the co. to meet the increased wages awarded its employees by the War Labor Board. V. 107, p. 2290. In May 1921 the P. U. Comm. suspended for 3 months the company's proposed increase in fares from 7 to 10 cents. V. 112, p. 1978. In Aug. 1921 an increase from 7 to 8 cents was authorized, and the 10-cent fare denied. V. 113, p. 960. The company, however, refused to put into effect the 8-cent fare, and it was stated that the company might appeal from the Commission's action. V. 113, p. 1251. In Oct. 1921 the Comm. affirmed its decision and refused to grant a rehearing. V. 113, p. 1675. The Penna. P. S. Comm. in May 1921 auth. an increase in fares on the company's Pennsylvania divisions running out of Trenton from 8 to 10 cents. V. 112, p. 1978. Effective Mar. 15 1922 passenger and freight rates were reduced. See V. 114, p. 1063, for details.

Freight Rates.—Effective Dec. 8 1918 was auth. to increase freight rates approximately 10%. In Dec. 1920 was auth. to put into effect a 40% increase in commodity freight rates and a 20% increase in package express tariffs. V. 111, p. 2521.

Owns and controls entire street railway system in Montreal and Island of Montreal, except about a mile of interurban line entering the city

New Franchise.—In Jan. 1918 representatives of the co. and the city signed a new franchise agreement, running for 35 years, which provides (*a*) for the creation of a permanent Tramways Commission of three persons with complete powers over the service, fares, finances, exts. and maintenance; (*b*) fixes the valuation of the existing system at $36,286,295 for the physical property, plus an unnamed amount to be specified by the Commission as "working capital," (*c*) practically guarantees that the company shall be allowed at all times to make a profit of 6% on the total investment thus arrived at and on such new capital as may from time to time be put in (*d*) allows the company a further remuneration of ½ of 1% in each year in which it does not exceed by more than 2½% the estimated operation charges allowed by the Comm. In effect, the company can calculate upon 6½% on its total investment as a guaranteed minimum earning power so long as it is efficiently administered. The company can also look forward to a share of all surplus profits arising after the annual payment to the city of $500,000 and the upkeep of certain maintenance and guarantee funds, neither of which funds should be at all burdensome. The surplus after these charges is to be divided, 20% to the company, 30% to the city treasury and 50% to a fund for reduction of fares, which may take place when the fund accumulates to $1,000,000, and must take place whenever it contains $2,500,000. (*e*) Dividend distribution is limited to 10% the present rate (*f*) An appeal from the Comm. lies to the P. U. Comm. of Quebec. For further details see V. 106, p. 607.

In Sept. 1919 the Montreal Tramways Comm. announced an increase in rates to 7 cents cash, 4 tickets for 25 cents and workmen's tickets at 5 for 25 cents. V. 109, p. 982. On Oct. 14 1919 the Quebec P. U. Comm., on the appeal of the City of Montreal, fixed fares effective Oct. 26 1919, at 7 cents cash with tickets at 5 for 30 cents and 44 for $2 50 V. 109, p. 1610. QUEBEC, CANADA.

QUEBEC RAILWAY LIGHT HEAT & POWER CO., Ltd.

Proposed Reorganization.—In Oct. 1922 it was announced that as a preliminary step in the reorganization of the co. application is to be made "for the incorporation of three companies, Quebec Power Co., Quebec Gas Co. and Quebec Tramways Co." V. 115, p. 1732.

ORGANIZATION.—Incorporated in Canada on Nov. 19 1909 as a consolidation of the following properties (V. 89, p. 1598):

Quebec Ry., Lt. & Power Co.	Quebec Jacques Cartier Electric Co.
Quebec Gas Co.	Canadian Electric Light Co.
Frontenac Gas Co.	Quebec County Railway Co.

These companies do an electric-light and power, gas and street railway business in Quebec and surrounding parishes. Has contract with the Stadacona Hydraulic Co. for supply of power. V. 94, p. 1449.

Purchase by Government.—The Dominion Government has contracted to purchase (ownership to date back to July 1 1916) the following lines: (*a*) Quebec Montmorency & Charlevoix Ry., extending from St. Paul St., Quebec to St. Joachim, 43.2 miles (but see V. 110, p. 562; V. 111, p. 1662). (*b*) Quebec & Saguenay Ry. ext. from its junc. with the Quebec Mont. & Charl. Ry. to St. Joachim to Nairn Falls, 62.8 m. (acquir. in Mar. 1919); (*c*) Lotbiniere & Megantic Ry. (acquired Apr. 1 1920), extending from Lyster to St. Jean des Chaillons about 30 m. The purchase price of these properties is to be "the value thereof as determined by the Exchequer Court of Canada; said value to be the actual cost of said railways, less subsidies and less depreciation, but not to exceed $4,349,000, exclusive of outstanding bonded indebtedness, which is to be assumed by the Government, but not to exceed in all $2,500,000" (being the $2,500,000 Quebec-Montmorency Ry. 1st M. 5s of 1899, due 1923). The lines are to be operated by the company until actual possession is taken and the companies must render an accounting to the Govt. from June 30 1916 until the properties are taken over. See V. 102, p. 2255; V. 103, p. 579; V. 104, p. 560. In 1916 the Canadian House of Commons voted to appropriate $4,000,000 for the purchase of the foregoing lines. During 1917 $332,255 was expended on the properties and on Sept. 6 1917 the House reappropriated the remainder, $3,667,745. On Mar. 4 1919 the Govt. acquired the Quebec & Saguenay Ry. "free and clear of charge, incumbrances or claims," purchase price being $3,489,313. V. 108, p. 974. It was announced in May 1919 that the proceeds of this sale, after the payment of the contractor's claim, would be used to reimburse the bondholders of the Saguenay Ry., thus relieving the co. of paying int. thereon. V. 108, p. 1938.

The Quebec Ry., Lt., Ht. & Pow. Co. acquired the Quebec & Saguenay Ry. Co. in 1911 through purchase of its $2,500,000 stock and $3,000,000 5% bonds and in turn issued its own bonds of 1911 and 1912 shown in the table below, to pay for same. V. 92, p. 882, 528. These bonds were intended to provide for Quebec-Saguenay line, extending 56½ miles from Cape Tourmente to Murray Bay. In Sept. 1912 construction work on this line was stopped because of non-payment by Saguenay Co. of claims of contractors for construction work (V. 95, p. 1040; V. 96, p. 203). Payments were subsequently made but work was not resumed. The Dominion Govt. completed construction of the road in 1918 and on Oct. 1 1920 operation was taken over by the Canadian Govt. Rys.

On July 7 1917 the company was awarded $275,000 for the property known as the Quebec Gas Co.'s land, which was expropriated by the Federal authorities, according to a decision by the Exchequer Court.

Coupon Payments Delayed.—The interest due June 1 1913 and Dec. 1 1913 was not paid when due and in Sept. 1914 it was announced that the coupons due June 1 1914 were not paid on time, the company following the policy of paying the coupons at intervals through the three months' grace following the due date. V. 99, p. 748. Subsequent coupons have been paid within the time limit allowed. V. 109, p. 776.

Int. due Dec. 1 1914 on the Quebec-Jacques Cartier Elec. 1st refdg. 5s was defaulted. A protective committee was formed with W. L. Hallahan, 111 Broadway, New York City, as Secretary, and bondholders were requested to deposit their bonds with the Bankers Trust Co., New York. V. 100, p. 403. Interest was subsequently paid. V. 100, p. 559. Subsequent coupons have been paid to date.

ORGANIZATION.—Incorporated in 1892 and acquired by purchase the old Toronto City Street Railways and the exclusive privilege to work street railways in the city of Toronto for a term of 30 years from Sept. 1 1891 (with the exception of two small reservations in the Act which are believed to be of no importance), a privilege which has since been ratified by Act of the Legislature of Ontario. Owns, directly or indirectly, practically the entire capital stock of the Toronto & Mimico Ry. (now the Toronto Power Co., Ltd.); Toronto & Scarboro Electric Ry., Light & Power Co.; Metropolitan Ry. (in March 1919 the City of Toronto purchased the Yonge St. section of this company's property for $590,000. V. 108, p. 1166) Schomberg & Aurora Ry.; Toronto & York Radial Ry.; Toronto Power Co., Ltd.; Electrical Develop. Co. of Ontario, Ltd.; Toronto & Niagara Power Co.; Toronto Electric Light Co., Ltd.; London Electric Co., Ltd. (now part of Toronto & Niagara Power Co.); Niagara Falls Electrical Transmission Co. (N. Y.) and Niagara Falls Gas & Elec. Lt. Co. (N. Y.). In Oct. 1902 stock was increased to $7,000,000, and in April 1906 to $8,000,000. On Aug. 14 1911 stockholders voted another increase to $12,000,000 and also the payment of a stock dividend of $1,000,000. Stockholders were allowed to subscribe for $2,000,000 of the stock at par. V. 93, p. 230, 470. On May 29 1916 the shareholders voted to increase the stock to $15,000,000 to provide funds for the financial requirements of the company and for necessary extensions and betterments for the subsidiary companies. No action was taken by the directors as to disposition of new stock. V. 102, p. 2078.

Bonds Temporarily Defaulted.—The co. has temporarily defaulted the prin. but not int. on its 1st Mtge. 4½% bonds due Aug. 31 1921, owing to the small amount of money which the courts awarded it as a first payment from the city on account of the purchase of co.'s properties [see above]. Bondholders, however, will receive 6% int. instead of 4½% on their bonds for the period which will lapse before the arbitration award and enables the co. to make payment. V. 113, p. 1054, 1157. Aug. 1921 and Feb. and Aug. 1922 int. was paid at rate of 6% per ann. V. 114, p. 855; V. 115, p. 1101.
